**REVIEWED BY:** Jeffrey B. Richardson

**BACKGROUND:** Virginia Code §15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget. The Code section applies to all County funds, i.e., General Fund, Capital Funds, E911, School Self-Sustaining, etc.

**STRATEGIC PLAN:** Mission - To enhance the well-being and quality of life for all community members through the provision of the highest level of public service consistent with the prudent use of public funds.

**DISCUSSION:** The total change to the Fiscal Year 2024 (FY 24) budget due to the appropriations itemized in Attachment A is \$85,000. A budget amendment public hearing is not required because the amount of the cumulative appropriations does not exceed one percent of the currently adopted budget.

**RECOMMENDATION:**

Staff recommends that the Board adopt the attached resolution (Attachment B) to approve the appropriations for County government projects and programs described in Attachment A.
