Re: Panorama Farms – waiver of cemetery setback

Dear Chris,

We appreciate the opportunity to review the proposed plans for establishing the Natural Burial Ground at Panorama Farms. As discussed, provided there is at least a 50-foot offset from our property line and the trees along our common border remain, we fully support the initiative. We believe it is an excellent way to preserve green space in an environmentally friendly way. Please consider this correspondence confirmation of our consent for you to establish a natural cemetery within 250 yards of our residence as required by VA Code Section 57.26.

Should you require additional information please do not hesitate to contact us at mscott141@gmail.com or (434) 465-0737.

Thank you,
