Hello Rebecca,

Last night the Peacock Hill Community Association Board of Directors set aside about 60 minutes of our regular monthly business meeting to allow residents and property owners express their thoughts on the proposed changes to the Family Day Home at 707 Acorn Lane. After hearing from all residents and property owners that wished to speak, the Peacock Hill Board of Directors voted unanimously to not take a position either for or against request the request when it comes before the County Board of Supervisors on February 10, 2016. The Peacock Hill Board stated that this matter does not violate Peacock Hill's Covenants and Regulations.

The Peacock Hill Board of Directors urged all our residents, that have an opinion on this matter, to come to the February 10th Board of Supervisors meeting and make their thoughts known.

Can you let me know what time the meeting with start on the 10th? I want to get this information out to the residents and property owners of Peacock Hill.

Please let me know if there is anything you need from the Board of Directors in preparation for the meeting on the 10th.

Best regards,
Paul Dowell
President of the Board of Directors
Peacock Hill Community Association
