Working Hard To Make SUP Deadline

- Met with Colthurst HOA last month
 - *Received positive feedback*
 - *Traffic safety and flow remain primary concern*
 - *Proactively working with VDOT*
- Recent progress:
 - *Final site plan and VSMP submitted*
 - *Initial building plan submitted*
 - *Regular meetings with county staff to speed review moving forward*

We intend to make the 8/28 deadline, but just in case...

Current Crozet Campus

Current campus does not meet school's long term needs

- *No capacity for growth*
- *Distance an issue, as most students come from town*
- *Basement flooding reduces useable classrooms by a third*
- *Shared space requires boys go outside to access classrooms*

Asking For An Extension As Insurance

- No other changes requested
- Help ensure we can open the new campus for the 2027-28 school year
- Safeguard our ability to keep moving forward
