**Comprehensive Look at Potential Five Year Financial Plan Grant Impacts:**

The following chart includes grants that have been awarded and are expected to end within the next five years and an estimate of the County's potential costs over the next five years if the grant-supported position, project or program is continued after the grant ends. The continuation of those positions, projects and programs will be considered as part of the County's annual budget process.

Granting Entity	Grant Name	Grant Project	Expected Grant End Date	FY 20	FY 21	FY 22	FY 23	FY 24
Charlottesville Area Community Foundation	2019 Strengthening Systems Grant	Yancey School Community Center (YSCC)	6/30/2022					
		Grant Funds		\$100,000	\$100,000	\$100,000		
		County Funding*					\$100,000	\$100,000
Funds a dedicated full-time Program Coordinator, infrastructure for a community garden, and support for community programming for rural Southern Albemarle								

*\* In the third year of the grant, if the program proves successful based on the performance criteria, staff expects to request the permanent addition of the YSCC Program Coordinator position through the County's annual budget cycle.*
