Subject: Request to rename road - Mossy Brook Court to Double Eagle Trace

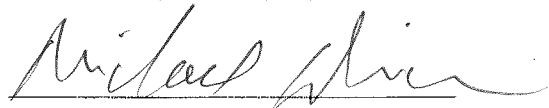

As the first owner to develop a lot on Mossy Brook Court in Earlysville, I am requesting to rename Mossy Brook Court as Double Eagle Trace. Renaming the road as requested will correct the misleading impression that flowing water is in proximity to the lots served by the road and is consistent with the nature of the subdivision.

Mossy Brook Court is a short cul-de-sac off of Fray's Ridge Crossing, serving the following lots in the Fray's Grant subdivision:

Lot	Landowner
3, 4, 5, 6, 7	Sonabank
8	EATH LLC
9	Michael Dick

All landowners listed above have been notified of the proposed name.

To ensure the replacement sign matches the mounting on Fray's Grant's special sign posts, I will procure and mount the replacement street name sign, once approved by the County, from Rice Signs (ricesigns.com), the vendor that produced Fray's Grant's current standard MUTCD regulation signs of green extruded aluminum, in compliance with the specifications in Part III of the Albemarle County Road Naming and Property Numbering Ordinance and Manual.
