All of the monies appropriated as shown by the contained items in Sections I through IX are appropriated upon the provisos, terms, conditions, and provisions herein before set forth in connection with said terms and those set forth in this section. The Chief Financial Officer and Clerk to the Board of Supervisors are hereby designated as authorized signatories for all bank accounts.

Paragraph One

Subject to the qualifications in this resolution contained, all appropriations are declared to be maximum, conditional, and proportionate appropriations - the purpose being to make the appropriations payable in full in the amount named

herein if necessary and then only in the event the aggregate revenues collected and available during the fiscal year for which the appropriations are made are sufficient to pay all of the appropriations in full.

Otherwise, the said appropriations shall be deemed to be payable in such proportion as the total sum of all realized revenue of the respective funds is to the total amount of revenue estimated to be available in the said fiscal year by the Board of Supervisors.

Paragraph Two

All revenue received by any agency under the control of the Board of Supervisors included or not included in its estimate of revenue for the financing of the fund budget as submitted to the Board of Supervisors may not be expended by the said agency under the control of the Board of Supervisors without the consent of the Board of Supervisors being first obtained, nor may any of these agencies or boards make expenditures which will exceed a specific item of an appropriation.

Paragraph Three

No obligations for goods, materials, supplies, equipment, or contractual services for any purpose may be incurred by any department, bureau, agency, or individual under the direct control of the Board of Supervisors except by requisition to the purchasing agent; provided, however, no requisition for items exempted by the Albemarle County Purchasing Manual shall be required; and provided further that no requisition for contractual services involving the issuance of a contract on a competitive bid basis shall be required, but such contract shall be approved by the head of the contracting department, bureau, agency, or individual, the County Attorney, and the Purchasing Agent or Chief Financial Officer. The Purchasing Agent shall be responsible for securing such competitive bids on the basis of specifications furnished by the contracting department, bureau, agency, or individual.

In the event of the failure for any reason of approval herein required for such contracts, said contract shall be awarded through appropriate action of the Board of Supervisors.

Any obligations incurred contrary to the purchasing procedures prescribed in the Albemarle County Purchasing Manual shall not be considered obligations of the County, and the Chief Financial Officer shall not issue any warrants in payment of such obligations.

Paragraph Four

Allowances out of any of the appropriations made in this resolution by any or all County departments, bureaus, or agencies under the control of the Board of Supervisors to any of their officers and employees for expense on account of the use of such officers and employees of their personal automobiles in the discharge of their official duties shall be paid at the rate established by the County Executive for its employees and shall be subject to change from time to time.

Paragraph Five

All travel expense accounts shall be submitted on forms and according to regulations prescribed or approved by the Chief Financial Officer.

Paragraph Six

Any funds appropriated herein to recipients who are not directly governed by the Board of Supervisors ("External Recipients") may be used only for the exclusive and singular purpose for which the funds are appropriated, subject to any additional conditions as stated in the Approved Budget, County policies, County agreement with the External Recipient, or as otherwise required or proscribed by law or ordinance. External Recipients have an affirmative fiscal duty to account for the appropriate and most responsible use of the funds and, as an express condition of the appropriation and in addition to other reporting requirements, must provide an accounting and such other reports as are requested by the County, in a form determined by the Department of Finance and Budget and within 30 days of any such request.

External Recipients must be able to at all times account for any County funds appropriated to them separate from donations from any other source. Failure to adhere to these conditions or to the purposes for which the appropriations are made may, among other remedies, affect future appropriations. The Department of Finance and Budget is authorized to withhold transfers of appropriated funds to any External Recipient until any pending requests for reporting and accounting have been met to the County's satisfaction. If any funds allocated to an External Recipient remains unused at the end of FY 26, the unspent balance must be returned to the County unless a County agreement with the External Recipient, an agreement to which the County is a party pertaining to the funding terms of the External Recipient, or the applicable law, provides otherwise. These foregoing conditions shall be deemed incorporated into any agreement with an External Recipient executed after May 7, 2025.

**RESOLUTION OF OFFICIAL INTENT TO REIMBURSE
EXPENDITURES WITH PROCEEDS OF A BORROWING**

WHEREAS, the Board of Supervisors of Albemarle County, Virginia (the "Borrower") has or intends to acquire, construct and equip various capital improvement projects described in the Borrower's Capital Improvement Program (as it may be amended from time to time), including but not limited to projects undertaken for the following governmental and public purpose categories: (a) County administration, (b) judicial, (c) parks, recreation and cultural, (d) community development, (e) public safety, (f) public works, (g) schools, (h) transportation, (i) water resources and (j) solid waste (collectively, the "Project"); and

WHEREAS, plans for the Project have advanced and the Borrower expects to advance its own funds to pay expenditures related to the Project (the "Expenditures") prior to incurring indebtedness and to receive reimbursement for such Expenditures from proceeds of tax-exempt bonds or taxable debt, or both.

NOW, THEREFORE, BE IT RESOLVED by the Albemarle County Board of Supervisors that:

1. The Borrower intends to utilize the proceeds of tax-exempt bonds (the "Bonds") or to incur other debt to pay the costs of the Project in an amount not currently expected to exceed \$38,055,634.
2. The Borrower intends that the proceeds of the Bonds be used to reimburse the Borrower for Expenditures with respect to the Project made on or after the date that is no more than 60 days prior to the date of this Resolution. The Borrower reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Bonds or other debt.
3. Each Expenditure was or will be, unless otherwise approved by bond counsel, either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure); (b) a cost of issuance with respect to the Bonds; (c) a nonrecurring item that is not customarily payable from current revenues; or (d) a grant to a party that is not related to or an agent of the Borrower so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Borrower.
4. The Borrower intends to make a reimbursement allocation, which is a written allocation by the Borrower that evidences the Borrower's use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The Borrower recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction of at least five years.
5. The Borrower intends that the adoption of this Resolution confirms the "official intent" within the meaning of Treasury Regulations Section 1.150-2 promulgated under the Internal Revenue Code of 1986, as amended.
6. This Resolution shall take effect immediately upon its passage.
