AC44 OUTLINE (Att A)

Part I: Community Vision

1. INTRODUCTION

- a. High level summary of why we have a comprehensive plan and how it will be used
- b. Reasons for updating the Comprehensive plan
- c. Plan Structure and how to navigate the Plan

2. CONTEXT/HISTORY

- a. Past and Existing Conditions
- b. Trends
- c. Regional/Statewide Plans

3. COMMUNITY VISION

- a. County Vision (Strategic Plan)
- b. Public Engagement themes

4. GUIDING PRINCIPLES

Discussed at <u>PC 9/27/22</u> and <u>BOS 10/19/22</u>

- a. Green and Resilient
- b. Welcoming and Equitable
- c. Connected and Accessible
- d. Thriving and Prosperous

NOTE: The content within the section "Identifying the Community's Needs" has been removed from Part I and will be incorporated into Part 3 chapters.

Part II: Growth Management Framework

1. INTRODUCTION

- a. Growth Management Policy establishes 2 distinct planning areas: the Rural Area and Development Areas and the land use.
- b. Differing approach to community needs within the Rural Area versus the Development Areas

2. GROWTH MANAGEMENT POLICY

Discussed at PC 10/08/24 and BOS 10/16/24

- a. What it is, why and when it was established
- b. Why and how are we updating the Policy with AC44
- c. Draft Updated Growth Management Policy in statement form

Revised Draft Growth Management Policy (Attachment B)

3. DEVELOPMENT AREAS UTILIZATION REVIEW

Discussed at <u>PC 10/08/24</u> and <u>BOS 10/16/24</u>

- a. A comparison of the estimated demand for residential and non-residential land uses with the estimated capacity.
- b. The intensity/density of development approvals through rezonings and special use permits as compared with the recommended density per future land use categories.
- c. The remaining percentage of the Development Areas estimated to have capacity for additional development or redevelopment.

- d. The ratio of dwelling units being built in the Rural Area compared with the Development Areas.
- e. Cost and vacancy trends for residential and non-residential land uses.
- f. How well development in the Development Areas is meeting the objectives of the Comprehensive Plan.

4. APPLICATION OF THE GROWTH MANAGEMENT POLICY TO RURAL AREA AND DEVELOPMENT AREAS

- a. Rural Area Land Use
- b. Development Areas Land Use
- c. Transportation Network
- d. Environmental Stewardship
- e. Resilient Community
- f. Housing
- q. Thriving Economy
- h. Parks, Recreation, and Open Space
- i. Community Services and Infrastructure
- j. Historic, Scenic, and Cultural Resources

Part III: Implementation

Note: Draft Goals and Objectives for each chapter were shared during AC44 Phase 2 (approx. Oct 2023 – April 2024). See below each topic for dates of previous work sessions (the dates work as hyperlinks to the PC or BOS meeting materials).

1. RURAL AREA - LAND USE

<u>Previous: PC 2/27/24</u> (goals and objectives), <u>PC 3/12/24</u> (goals and objectives), <u>BOS 3/20/24</u> (goals and objectives), <u>PC 11/19/24</u> (land use policies), <u>PC 12/10/24</u>, <u>BOS 01/08/25</u>

Revised Draft Rural Area – Land Use Chapter (Attachment B)

2. DEVELOPMENT AREAS - LAND USE

<u>Previous: PC 4/25/23</u> (overview of planning toolkits), <u>PC 8/08/23</u> (planning toolkits), <u>BOS 9/06/23</u> (planning toolkits), <u>PC 12/19/23</u> (planning toolkits), <u>PC 2/13/24</u> (goals and objectives), <u>BOS 3/20/24</u> (goals and objectives) <u>PC 10/22/24</u> (Land Use Tools), <u>BOS 11/06/24</u> (Land Use Tools), <u>PC 11/12/24</u> (actions), <u>BOS 11/20/24</u> (actions)

Revised Draft Development Areas – Land Use Chapter (Attachment B)

3. TRANSPORTATION NETWORK

<u>Previous: PC 2/13/24</u> (goals and objectives), <u>PC 2/27/24</u> (goals and objectives), <u>PC 3/12/24</u> (goals and objectives)

4. ENVIRONMENTAL STEWARDSHIP

<u>Previous: PC 10/10/23</u> (goals and objectives), <u>BOS 1/17/24</u> (goals and objectives), <u>PC 12/17/24</u> (complete chapter), BOS 1/22/25

5. RESILIENT COMMUNITY

Previous: Content was previously included primarily in the Environmental Stewardship topic.

6. HISTORIC, CULTURAL, AND SCENIC RESOURCES

<u>Previous: PC 10/10/23</u> (goals and objectives), <u>BOS 1/17/24</u> (goals and objectives)

7. HOUSING

Previous: PC 11/14/23 (goals and objectives), BOS 1/17/24 (goals and objectives)

8. THRIVING ECONOMY

<u>Previous: PC 11/14/23</u> (goals and objectives), <u>BOS 1/17/24</u> (goals and objectives)

9. PARKS, RECREATION, AND OPEN SPACE

<u>Previous: PC 10/10/23</u> (goals and objectives), <u>BOS 1/17/24</u> (goals and objectives)

10. COMMUNITY SERVICES AND INFRASTRUCTURE

<u>Previous: PC 2/13/24</u> (goals and objectives), <u>BOS 4/3/24</u> (goals and objectives)

EACH CHAPTER WILL CONTAIN THE FOLLOWING SECTIONS

- a. Narrative
- b. Objectives
- c. Actions

Part 4: Appendix

- 1. AC44 PROCESS AND ENGAGEMENT SUMMARY
- 2. METRICS TO MEASURE PLAN IMPLEMENTATION
- 3. COMMUNITY DESIGN GUIDELINES

Draft Community Design Guidelines (Attachment C)

- 4. PROCESS TO UPDATE FUTURE AREA PLANS
- 5. LINKS TO RELATED LOCAL, STATE, AND REGIONAL PLANS AND STUDIES EXAMPLES:
 - A. AREA PLANS
 - **B. HOUSING ALBEMARLE**
 - C. PROJECT ENABLE
 - D. BIODIVERSITY ACTION PLAN
 - E. REGIONAL HAZARD MITIGATION PLAN
