BACKGROUND:

At its meeting on October 24, 2023, the Planning Commission (PC) voted 6:0 (Commissioner Missel recused) to recommend approval of ZMA202100016 North Fork UVA Discovery Park

DISCUSSION:

The PC did not request any changes and made limited comments during the public hearing. One community member raised concerns about potential impacts to his property due to road construction. The applicant's attorney responded that the road had been graded already to accommodate two additional lanes, one on each side, so there would not be any more tree clearing needed for that area or more significant grading work required.

RECOMMENDATIONS:

Staff recommends that the Board approve ZMA202100016 North Fork UVA Discovery Park.

PROPOSED MOTION:

I move to adopt the attached ordinance (Attachment E) to approve Zoning Map Amendment ZMA202100016, subject to the proposed amended proffers.
