**Summary of Request for Special Exception:**

The applicant requests a special exception to reduce the minimum number of parking spaces otherwise required by County Code §18-4.12.6, which requires restaurant uses to provide 13 parking spaces per 1,000 square feet of gross floor area. This special exception request is pursuant to County Code § 18-4.12.2(c), which allows modifications to minimum parking requirements. The applicant requests a special exception to provide 61 spaces rather than the required 63 spaces, based on a study of Institute of Transportation Engineers (ITE) trip generation data for fast food restaurants with drive-through windows. (Attachment A). The applicant currently provides 64 parking spaces.

**Staff Recommendation:**

Staff recommends that the Board adopt the attached Resolution (Attachment C) to approve a special exception to reduce the minimum required on-site parking from 64 spaces to 61 spaces.
