

To whom it may concern,

I would like to request an exemption to be listed as the resident manager for the homestays located at 5500 Estouteville Farm in Esmont, Virginia. The property is owned by K Holdings LLC, of which I am the managing member, and it is my primary residence. It is set in this manner for agricultural purposes.

Allowing these homestays on the property will not bother anyone. These two units that we are requesting for homestays are already buildings that have been on the property but are not set for full-time rentals as they are too small or not formatted for that purpose.

Thank you for your time,  
L. Kuttner
