**WHEREAS**, the opioid epidemic that has cost thousands of human lives across the country also impacts the Commonwealth of Virginia and its counties and cities, including the County of Albemarle, by adversely impacting the delivery of emergency medical, law enforcement, criminal justice, mental health and substance abuse services, and other services by the County's various departments and agencies; and

**WHEREAS**, the Commonwealth of Virginia and its counties and cities, including Albemarle County, have been required and will continue to be required to allocate substantial taxpayer dollars, resources, staff energy and time to address the damage the opioid epidemic has caused and continues to cause the citizens of the Commonwealth and the County; and

**WHEREAS**, settlement proposals have been negotiated that will cause Teva, Allergan, Walmart, Walgreens, and CVS to pay billions of dollars nationwide to resolve opioid-related claims against them; and

**WHEREAS**, the County has approved and adopted the Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding (the "Virginia MOU"), and affirms that these pending settlements with Teva, Allergan, Walmart, CVS, and Walgreens shall be considered "Settlements" that are subject to the Virginia MOU, and shall be administered and allocated in the same manner as the opioid settlements entered into previously with opioid distributors McKesson, Cardinal Health, and AmerisourceBergen, and opioid manufacturer Janssen Pharmaceuticals; and

**WHEREAS**, the County Attorney has reviewed the available information about the proposed settlements and has recommended that the County participate in the settlements in order to recover its share of the funds that the settlement would provide;
