WATER RESOURCES FUNDING ADVISORY COMMITTEE

FACT SHEET

Background: The Water Resources Funding Advisory Committee is an advisory committee charged with a) providing direction and advice on a public/stakeholder engagement process including direct interaction; b) considering and balancing the concerns/issues of the affected stakeholders and building public consensus for committee recommendations; c) reviewing alternative funding mechanisms; and d) making a recommendation to the Board of Supervisors on a final preferred funding option.

The preferred funding program should be based on the Board's direction to date regarding maintaining compliance with increased MS4 permit requirements.

The Advisory Committee shall work directly with the County's project team including consultants and staff. Its work shall be coordinated with the County's overall efforts to improve water resource protection and maintain compliance with state and federal water quality mandates.

Membership: The Water Resources Funding Advisory Committee shall consist of approximately fifteen (15) voting members appointed by the Board of Supervisors. The Water Resources Funding Advisory Committee will be composed, at a minimum, of the following representatives:

- One member of the Board of Supervisors to serve as a liaison
- One member of the Planning Commission to serve as a liaison
- One representative from a Community Advisory Council
- One representative from a homeowners association
- One large property owner
- One representative from the Farm Bureau
- One representative from the Soil and Water Conservation District
- One representative from the faith community
- One representative from the Town of Scottsville
- One representative from an environmental protection organization
- Two representatives from the general public
- Assistant County Executive
- County Attorney's Office
- County Water Resource Manager

Qualifications: The Board of Supervisors will appoint members based on their qualifications and interest in serving on the Committee. An individual may be appointed to represent more than one of the above referenced groups. The Board will strive to appoint an overall membership that is diverse in age, abilities, experiences, professions, interests, etc.

Member qualifications include:

- Experience working within a consensus-driven decision-making process, and a commitment to such a process in fulfilling the Committee's responsibilities as outlined in the charge statement;
- Willingness to work within established County procedures and processes;
- Ability to be open-minded; to listen and be respectful of the values, views and opinions of other representatives;
- Ability to share information with, and receive information from the community at large;
- Ability to meet once a month and possibly more often over the next year; and
- Being a resident of Albemarle County (while every effort should be made to include County residents, this may not be appropriate in all cases).

WATER RESOURCES FUNDING ADVISORY COMMITTEE FACT SHEET

Time Commitment: Meetings will be held approximately once a month. The date and time of Committee meetings shall be established at the first meeting; additional meetings may be called by the Chair.

Length of Term: The Advisory Committee will conclude its work when a final recommendation is made to the Board of Supervisors no later than October 30, 2015.

cc of appointment letter to: County Attorney
Commonwealth Attorney
Greg Harper
