

Community Meeting Notes
December 8, 2016

Comments from citizens who spoke

- 1) A married couple who lives in the Farmington subdivision behind the school, on Windsor Rd commented about the noise of the schoolchildren. They feel that the recess noise from the school lasts all day and is very loud. They can hear teachers yelling at students and students yelling and playing. They would like something done to contain or minimize the noise.
- 2) A resident of the Flordon subdivision testified that they have seen vehicle(s) leave the school site and pull off the public road and make U-turns, causing unsafe and dangerous conditions. This resident does not feel that a single U-turn location is being used consistently.
- 3) Two teachers at the school commented that the turn lane entering the school as you drive from Charlottesville into the site is too long and is a solid line instead of the typical dashed line, which signals a turn is approaching. The road-striping conditions are confusing drivers following students/teachers entering the school site, which is causing near misses, as these drivers believe the cars in front of them are heading to Broomley Road.

The school's efforts to reduce the number of vehicles at the site and maintain safe ingress/egress

- 1) Much discussion was had about the enormous success of the vanpool, which has a capacity of 14 students and picks up students at Walmart on Rt. 29. This vanpool is in such high demand that the school has purchased and remodeled a full sized school bus and is expanding the vanpool program into a bus-pool capable of carrying up to 48 students in 2017.
- 2) The school has created a culture of compliance as it relates to drop off and pickup of children at the site. Parents are required to drive into the site and make a complete loop around the parking lot before stopping their car to drop off the student in front of the building. This prevents backup and queing onto Rt. 250. Additionally, the school and the person pulling drop off duty tracks vehicles license plates of all vehicles picking up and dropping off students. If the driver makes an illegal left out of the site, they know who did it and they will be warned and then action taken.

Community meeting notification list, sign in sheet, and applicant PowerPoint from the meeting are attached.

County of Albemarle

Community Meeting: Special Use Permit Amendment

Regents School

Community Meeting 12.08.16

Regents School Timeline

- 2010: Regents School of Charlottesville (RSC) is originally established at Jefferson Park Baptist Church (JPBC) with 7 students.
- 2012: RSC moves to Ivy Road location with a maximum enrollment of 60 students.
- 2013: Maximum number of persons allowed is increased to 96.
- 2014: Maximum number of students allowed is increased to 130.
- 2015: RSC re-establishes an upper school at JPBC.
- 2016: RSC requests removal of 'sunset clause' associated with 2014 Special Use Permit.

School Site

RSC Enrollment

Year	Maximum Students allowed at Ivy Rd.	Ivy Road	Jefferson Park Baptist Church
2010	N/A	0	7
2011	N/A	0	15
2012	60 (includ. staff)	49	0
2013	96 (includ. staff)	76	0
2014	96 (includ. staff)	86	0
2015	130	126	17
2016	130	105	31

RSC Families

63 Families at Ivy Road

- 11 of the 63 use the RSC vanpool
- 3 of the 63 are employees of RSC
- 17 of the 63 participate in carpools
- 7 of the 63 live West of the school towards Ivy

•

•

2014 Special Use Permit

- Current Approved Special Use Permit for School Use
- Purpose of this Special Use Permit Request was to increase the school enrollment.
- No additional buildings or site changes
- No entrance onto Broomley Road
- Left turn prohibited; entrance reconfigured to right out only ("porkchop")
- Van pool required
- Expiration set to allow for "check in" on traffic safety.

Restriction of Left Turns

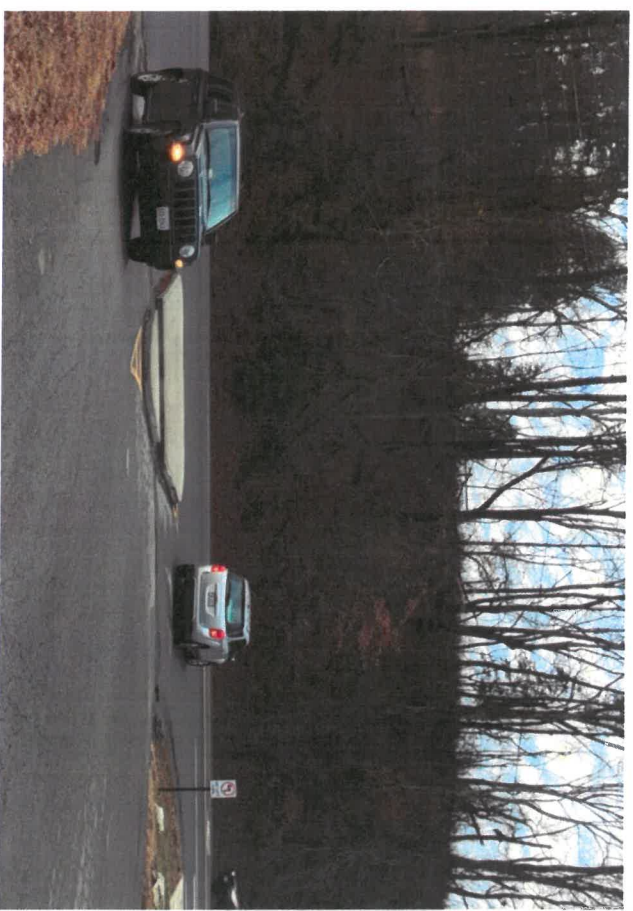

- Installed September 2014
- Left turns prohibited out of the site
- U Turn Agreement with All Saints' Anglican Church
- U Turns at Ivy Corner/Toddsbury
- Left turn back to I-64 at Bloomfield Hills Road

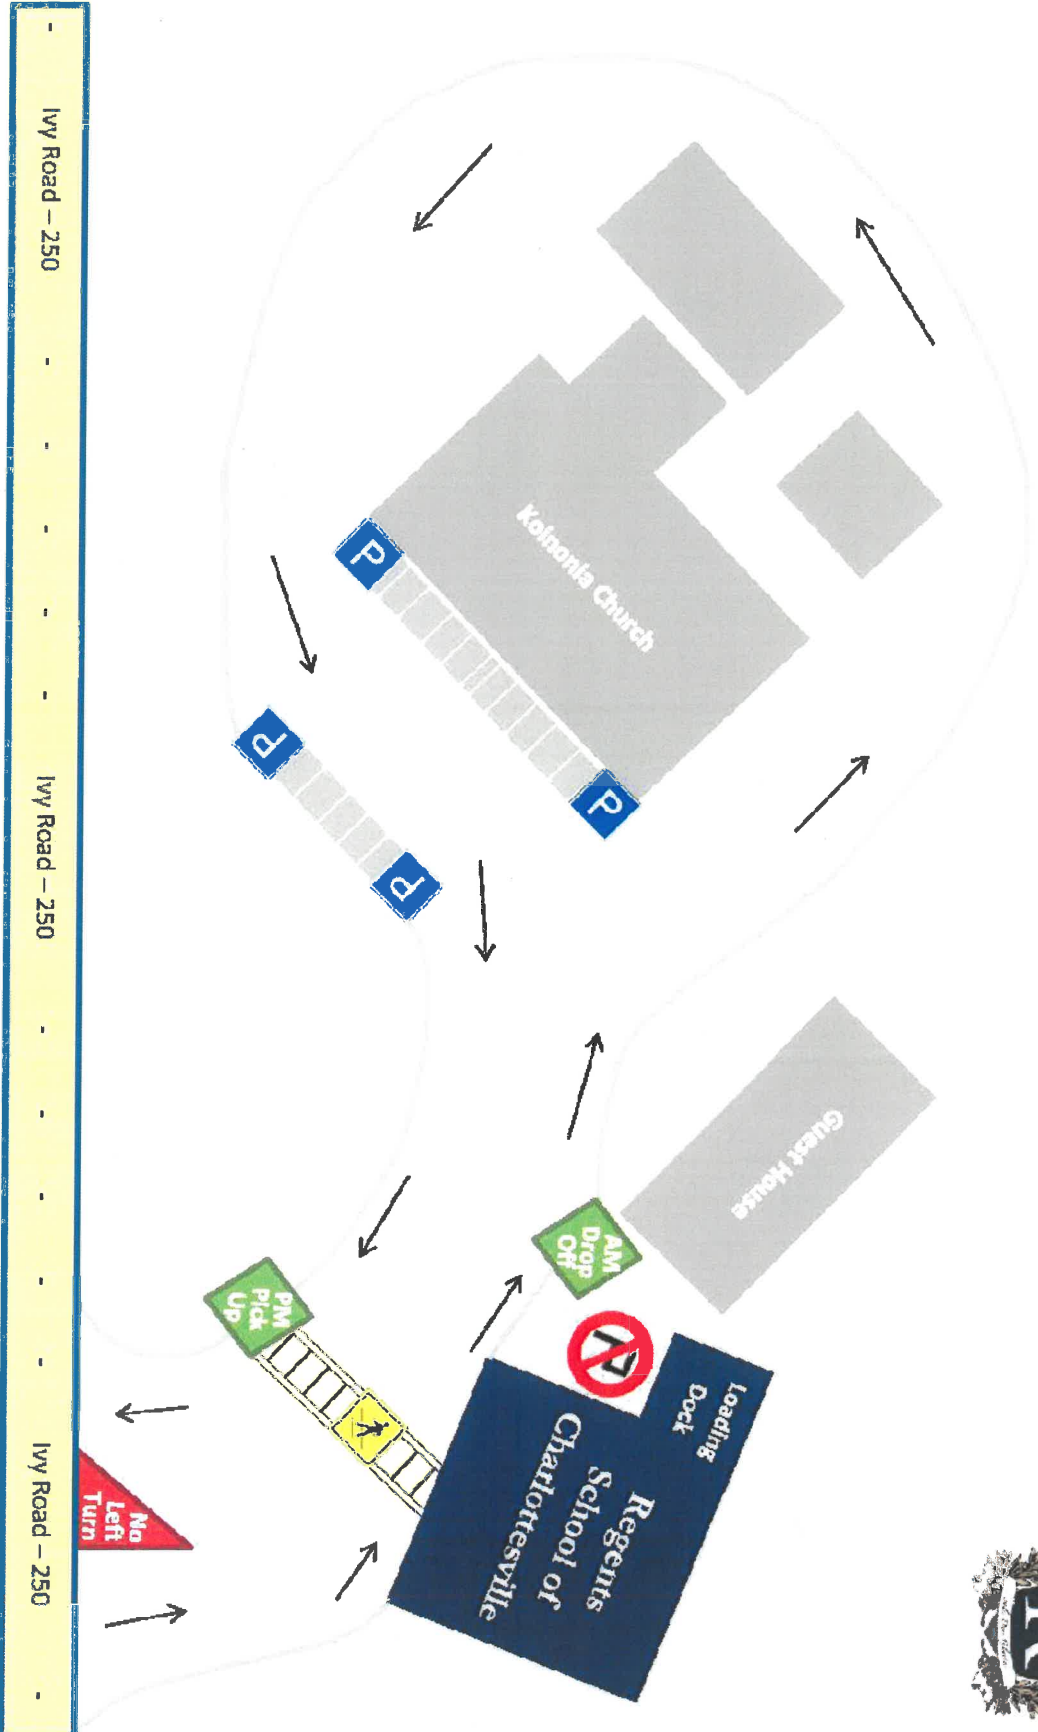

Building a Culture of Compliance

- RSC has actively worked with every family in the school to ensure that all are aware of the no left turn movement out of the site.
- RSC has educated every family on the importance of compliance.
-

REGENTS SCHOOL OF CHARLOTTEVILLE 2016-17 Carpool Line Diagram – Grammar School

Turn Aroun:

All Saints Anglican Church - 3889 Ivy Rd
Ivy Corner/Toddsbury - 4305 Ivy Rd
Left on Bloomfield Hills Road back to I-64

School Drop Off

RSC Van

- In use currently
- Picks up 14 students daily at Walmart
- Waitlist for van pool

RSC Bus

- New addition
- Capacity of 48 students
- Will be available in 2017

2016 Special Use Permit Application

The only requested change to the 2014 Special Use Permit is to remove the sunset clause.

- No change to operation of the school or existing enrollment limits.
- On-site septic system limits the school capacity to 161 people, so no additional expansion is desired or feasible under current conditions.
- The school is actively searching for a permanent home in a new location.

2016 Special Use Permit Application

Sunset clause was included in 2014 to ensure safety and functionality of traffic flow to and from the site.

- Updated Traffic Study demonstrates no accidents attributable to the school use.
- Modified entrance functioning appropriately.
- No traffic backup/delay entering and exiting the site during pickup and drop off.
- No impact to functionality of existing traffic signals on Route 250.
