BACKGROUND:

At its meeting on Tuesday, January 11, 2022, the Planning Commission (PC) conducted a public hearing and voted 6:0 to recommend approval of ZMA2020-00013, for the reasons stated in the staff report, along with two additional recommendations. The PC also voted 6:0 to recommend approval of SP2021-00010, with conditions, for the reasons stated in the staff report. The PC's staff report, ZMA action letter, SP action letter, and meeting minutes are attached (Attachments A, B, C and D).

DISCUSSION:

The PC's action to recommend approval of the ZMA included two additional recommendations: 1) Applicant explores pedestrian connections between the subject property and the adjacent property; and 2) Additional landscaping be added at the front of the property on Route 250.

Since the PC meeting, the applicant has provided a revised project narrative (Attachment E) and a revised application plan for the ZMA (Attachment F) to address these recommendations. A letter from the applicant with responses to these recommendations and how they have been addressed is included as Attachment G. Additional landscaping has been provided. The provision for an additional pedestrian connection, which involves the willingness of the adjacent property owner, could not be achieved with the rezoning application. However, future opportunities for an additional pedestrian connection at the rear of the parcel remain and pedestrian facilities will be provided along the property frontage.

In addition, the PC recommended approval by a vote of 6:0 of a special exception request (SE202100016) to waive the requirement for a setback of the building above the third story. The applicant has withdrawn the request for this Special Exception since the PC meeting, following a proposed redesign of the building and a determination by the Zoning Division that a setback is no longer required with this redesign.

Additional comments, which were received from a community member after the publication of the Planning Commission staff report, are included as Attachment H.

RECOMMENDATIONS:

Staff recommends that the Board adopt the attached Ordinance (Attachment I) to approve ZMA202000013 Overlook Hotel: Pantops PDMC Amendment and adopt the attached resolution (Attachment J) to approve SP2021-00010 Auto Superstore SP Amendment.
