

Rio Albemarle County Board of Supervisors Public Hearing

2025-2030 Draft Secondary Six- Year Plan Work Session

Alberic Karina-Plun, Planner

Secondary Six-Year Plan Background

- The Secondary Six-Year Plan is a document that...
 - Applies to roads in the secondary system
 - Identifies the funding allocated for the next fiscal year and estimates the available funding for the next five fiscal years,
 - Telefee and District Grant Unpaved Funds
 - \$1,244,892 tentatively available in FY25 for Albemarle County projects (primarily for paving unpaved roads)
 - Lists the Albemarle County projects that will receive funding from these sources
 - Updated and adopted by the Board of Supervisors annually

Secondary Six-Year Plan Background

- The Secondary Six-Year Plan is heavily informed by the *Albemarle County Priority List for Secondary Road Improvements – Unpaved Roads* (Att. D)
- Guided by the *Albemarle County Unpaved Road Policies and Review Process* (Att. C)
 - The document was updated in May 2022 to now require demonstration of support from 2/3 of residential property owners along the road segment

FY 25-30 SSYP – Rural Rustic

- Roads that have provided documentation of support from two-thirds of the residential homeowners:
 - Henderson Lane (Rt. 805)
 - Glendower Road (Rt. 713)
- Additional roads were requested for paving that are listed in the report that did not receive enough support. We will continue to work with property owners on these roads, and if they are able to demonstrate 2/3 support, we can add those roads to future SSYPs.

FY 25-30 Rural Rustic Cont.

- Staff has recommended that Stony Point Pass paving be extended an additional 0.2 miles
 - Residents requested paving
 - Relative ease of construction
 - Addresses road geometry issues
 - Does not qualify for Rural Rustic paving
 - VDOT preliminary cost estimate \$91,500
 - Available funds under District Grant Unpaved

Suggested Motion

- “I move that the Board of Supervisors adopts the Resolution (Attachment F) to approve the FY25-30 Secondary Six Year Plan and authorize the County Executive to sign the FY25-30 Secondary Six Year Plan”
