All of the monies appropriated as shown by the contained items in Sections I through IX are appropriated upon the provisos, terms, conditions, and provisions herein before set forth in connection with said terms and those set forth in this section. The Chief Financial Officer and Clerk to the Board of Supervisors are hereby designated as authorized signatories for all bank accounts.

**Paragraph One**

Subject to the qualifications in this resolution contained, all appropriations are declared to be maximum, conditional, and proportionate appropriations - the purpose being to make the appropriations payable in full in the amount named herein if necessary and then only in the event the aggregate revenues collected and available during the fiscal year for which the appropriations are made are sufficient to pay all of the appropriations in full.

Otherwise, the said appropriations shall be deemed to be payable in such proportion as the total sum of all realized revenue of the respective funds is to the total amount of revenue estimated to be available in the said fiscal year by the Board of Supervisors.

**Paragraph Two**

All revenue received by any agency under the control of the Board of Supervisors included or not included in its estimate of revenue for the financing of the fund budget as submitted to the Board of Supervisors may not be expended by the said agency under the control of the Board of Supervisors without the consent of the Board of Supervisors being first obtained, nor may any of these agencies or boards make expenditures which will exceed a specific item of an appropriation.

**Paragraph Three**

No obligations for goods, materials, supplies, equipment, or contractual services for any purpose may be incurred by any department, bureau, agency, or individual under the direct control of the Board of Supervisors except by requisition to the purchasing agent; provided, however, no requisition for items exempted by the Albemarle County Purchasing Manual shall be required; and provided further that no requisition for contractual services involving the issuance of a contract on a competitive bid basis shall be required, but such contract shall be approved by the head of the contracting department, bureau, agency, or individual, the County Attorney, and the Purchasing Agent or Chief Financial Officer. The Purchasing Agent shall be responsible for securing such competitive bids on the basis of specifications furnished by the contracting department, bureau, agency, or individual.

In the event of the failure for any reason of approval herein required for such contracts, said contract shall be awarded through appropriate action of the Board of Supervisors.

Any obligations incurred contrary to the purchasing procedures prescribed in the Albemarle County Purchasing Manual shall not be considered obligations of the County, and the Chief Financial Officer shall not issue any warrants in payment of such obligations.

#### **Paragraph Four**

Allowances out of any of the appropriations made in this resolution by any or all County departments, bureaus, or agencies under the control of the Board of Supervisors to any of their officers and employees for expense on account of the use of such officers and employees of their personal automobiles in the discharge of their official duties shall be paid at the rate established by the County Executive for its employees and shall be subject to change from time to time.

#### **Paragraph Five**

All travel expense accounts shall be submitted on forms and according to regulations prescribed or approved by the Chief Financial Officer.

#### **Paragraph Six**

Any funds appropriated herein to recipients who are not directly governed by the Board of Supervisors ("External Recipients") may be used only for the exclusive and singular purpose for which the funds are appropriated, subject to any additional conditions as stated in the Approved Budget, County policies, County agreement with the External Recipient, or as otherwise required or proscribed by law or ordinance. External Recipients have an affirmative fiscal duty to account for the appropriate and most responsible use of the funds and, as an express condition of the appropriation and in addition to other reporting requirements, must provide an accounting and such other reports as are requested by the County, in a form determined by the Department of Finance and Budget and within 30 days of any such request. External Recipients must be able to at all times account for any County funds appropriated to them separate from donations from any other source. Failure to adhere to these conditions or to the purposes for which the appropriations are made may, among other remedies, affect future appropriations. The Department of Finance and Budget is authorized to withhold transfers of appropriated funds to any External Recipient until any pending requests for reporting and accounting have been met to the County's satisfaction. If any funds allocated to an External Recipient remains unused at the end of FY 26, the unspent balance must be returned to the County unless a County agreement with the External Recipient, an agreement to which the County is a party pertaining to the funding terms of the External Recipient, or the applicable law, provides otherwise. These foregoing conditions shall be deemed incorporated into any agreement with an External Recipient executed after May 7, 2025.
