Re: Polling Place at Free Union Baptist Church

To Whom It May Concern:

I am writing this letter on behalf of the congregation of Free Union Baptist Church. It was agreed upon on April 13, 2003 that the church and its facilities be used as a Polling Place for a term no less than ten years. That term has been fulfilled. As of the business meeting held, April 3, 2016 a majority vote was passed that we no longer offer Free Union Baptist Church to be used for polls.

Please accept this letter as proper notification to re-locate for future elections. We wish you the best on your endeavor to secure another facility.

Sincerely,

Nancy Ward
Acting Secretary/Treasurer
Free Union Baptist Church
