

Presentation to Albemarle County Board of Supervisors

Albemarle-Charlottesville Regional Jail Authority: Jail Renovation Project – Plan of Finance

November 15, 2023

- Davenport & Company (“Davenport”), in our capacity as Financial Advisor to the Albemarle-Charlottesville Regional Jail Authority (the “Authority”), is providing the enclosed Plan of Finance Briefing to each Member Jurisdiction with respect to the proposed Jail Renovation Project.

- The presentation herein will cover the following topics related to the Two-Part Plan of Finance:
 - Overview of the Jail Funding Process;
 - A Timetable and Estimated Cashflow Impact for:
 - Part 1: The Interim Financing; and
 - Part 2: The Permanent Financing
 - The Projected Budgetary/Cashflow Impact to each Member Jurisdiction; and,
 - Next Steps.

Jail Funding Process

- In the Commonwealth of Virginia, regional jails are eligible for a 25% reimbursement of eligible costs for major capital projects.
- After the Authority decides to undertake a project (i.e. the proposed Renovation Project), it is required to undertake a Community Based Corrections Plan and Planning Study in order to develop a cost estimate for reimbursement consideration by the Board of Local and Regional Jails.
- Following approval by the Board of Local and Regional Jails, the request for the 25% reimbursement will be forwarded to the General Assembly for approval and inclusion in the Governor's Budget.
 - Once approved, the 25% reimbursement will be set aside by the Commonwealth and made available once the project is complete and a formal request is made by the Authority.
- The Two-Part Plan of Finance is typically undertaken after the Commonwealth's approval of the 25% reimbursement.

The Authority's reimbursement request has been approved by the Board of Local and Regional Jails and was approved by the General Assembly in the 2023 Session as a part of the delayed budget approval.

Two-Part Plan of Finance

- The Two-Part Plan of Finance is designed to minimize the incurrence of debt and related interest costs until the Authority has received bids for construction and a firm project cost is known.

Part 1: Interim Financing

- The Interim Financing provides only what is necessary to complete preliminary design and engineering costs so the project can be bid.

Part 2: Permanent Financing/Grant Anticipation Note

- After bids are received and Total Project Costs are known, the Permanent Financing is undertaken to fully fund Project Costs not eligible for the 25% reimbursement, and permanently finance the interim financing.
- Simultaneously, a Grant Anticipation Note (“GAN”) is undertaken to fund Project Costs eligible for the 25% reimbursement.
 - The GAN would be paid off prior to maturity with funds provided by the 25% reimbursement once the project is complete.

Key Assumptions - Regional Jail Renovation Project

Project Assumptions

- Cost estimate provided by Moseley Architects is approximately \$49 million (i.e. no change from the January/February Presentations to localities).
 - For the purposes of the analysis herein, we have assumed that \$48 million of costs are eligible for the 25% reimbursement by the Commonwealth (approximately \$12 million of Project Costs).
 - However, the actual cost will not be known until the final design has been approved by the Board Authority and bids have been received.

Local Jurisdiction Contribution Assumptions

- The analysis herein allocates projected payments on new debt service based on Inmate Days (i.e. usage of the Jail) – per the amended service agreement.
- The projected allocation based on FY 2024 estimates are as follows (according to Inmate Days):

Albemarle	45.39%
Charlottesville	39.87%
Nelson	14.74%

Part 1: Interim Financing – Key Assumptions

- The Interim Financing (“2023 BAN”) is sized to provide an amount that would fund pre-development costs (architectural, engineering, and other related costs) in order to prepare the authority for bidding the project.
 - Upon bidding of the project, the authority will know the exact construction and development costs to be financed for the project.

Borrowing	Project Costs Borrowed	Planning Interest Rate	Term
2023 BAN	\$4,150,380	4.50%	18 Months

- The Interim Financing will be repaid by the Permanent Financing in Part 2 of the Plan of Finance in the Spring of 2025.

Part 1: Interim Financing – Timetable

Task	Date	
Authority Board is notified that the General Assembly has been approved for 25% reimbursement.	September 2023	✓
Jail issues RFP for Architecture and Engineering services	September 2023	✓
Jail selects Architecture and Engineering firm and negotiates costs of services. Contract to be awarded at December Authority Board meeting if interim-financing is approved.	Early November 2023	✓
Davenport distributes RFP (“Request for Proposals”) for interim-financing to local, regional and national lending institutions.	Early November 2023	✓
Davenport presents resolution to member jurisdictions approving the Authority Board to seek interim-financing.	Mid-November 2023	
RFP responses due to Davenport.	Early-December 2023	
Davenport presents results of RFP Process for Interim Financing to Authority Board.	December 14, 2023	
Award Architect/Engineer contract if interim-funding is approved.	December 14, 2023	
Close on Interim Financing.	December 2023	

Part 2: Permanent Financing/GAN – Key Assumptions

- The second part of the Plan of Finance incorporates a Grant Anticipation Note that would be paid off with funds from the Commonwealth, and a Permanent Financing paid back by the Member Jurisdictions wherein:
 - The Grant Anticipation Note (“2025 GAN”) would fund approximately 25% of eligible Project Costs, and one half of the interest costs eligible for reimbursement by the Commonwealth; and,
 - Permanent Bonds (“2025 Bonds”) would fund remaining Project Costs and permanently finance the 2023 Bond Anticipation Note.
- Approximate amounts for the 2025 Grant Anticipation Note and the 2025 Bonds are provided in the table below:

Borrowing	Project Costs Borrowed	Planning Interest Rate	Term
2025 GAN	\$14.4 million ⁽¹⁾	4.50%	3 Years
2025 Bonds	\$34.6 million ⁽²⁾	5.50%	27 Years (2 years interest only; 25 years level debt service)
Total	\$49 million		

- Upon bidding of the project, the Authority will know the exact Project construction and development costs to be financed.

(1) Grant (GAN) from the Commonwealth of Virginia includes a portion of reimbursable interest in addition to the 25% reimbursement of eligible costs.

(2) Amount includes permanent financing of 2023 BAN.

Part 2: Permanent Financing/GAN – Timetable

Task	Date
Close on Interim Financing.	December 2023
Design phase begins with community and stakeholder engagement.	February 2024- February 2025
Complete Construction Documents/Secure County Design Approvals.	February 2025
Authority Board approves final design	March 2025
Advertise for Construction Bids.	March 2025
Receive Construction Bids.	April 2025
Negotiate Construction Contract.	April 2025
Davenport presents resolution to member jurisdictions approving the Authority Board to seek permanent financing.	April - May 2025
Davenport presents results of RFP Process for Grant Anticipation Note and permanent financing to Authority Board for approval	May 2025
Grant Anticipation Note issued to fund costs eligible for reimbursement; Permanent Financing issued to fund remainder of Project Costs and permanently finance 2023 BAN.	June 2025
Notice to Proceed (Construction).	June 2025
Final Completion of Project.	June 2027* TBD
Repayment of GAN from receipt of Commonwealth Grant.	June 2027

Disclaimer

The U.S. Securities and Exchange Commission (the "SEC") has clarified that a broker, dealer or municipal securities dealer engaging in municipal advisory activities outside the scope of underwriting a particular issuance of municipal securities should be subject to municipal advisor registration. Davenport & Company LLC ("Davenport") has registered as a municipal advisor with the SEC. As a registered municipal advisor Davenport may provide advice to a municipal entity or obligated person. An obligated person is an entity other than a municipal entity, such as a not for profit corporation, that has commenced an application or negotiation with an entity to issue municipal securities on its behalf and for which it will provide support. If and when an issuer engages Davenport to provide financial advisory or consultant services with respect to the issuance of municipal securities, Davenport is obligated to evidence such a financial advisory relationship with a written agreement.

When acting as a registered municipal advisor Davenport is a fiduciary required by federal law to act in the best interest of a municipal entity without regard to its own financial or other interests. Davenport is not a fiduciary when it acts as a registered investment advisor, when advising an obligated person, or when acting as an underwriter, though it is required to deal fairly with such persons,

This material was prepared by public finance, or other non-research personnel of Davenport. This material was not produced by a research analyst, although it may refer to a Davenport research analyst or research report. Unless otherwise indicated, these views (if any) are the author's and may differ from those of the Davenport fixed income or research department or others in the firm. Davenport may perform or seek to perform financial advisory services for the issuers of the securities and instruments mentioned herein.

This material has been prepared for information purposes only and is not a solicitation of any offer to buy or sell any security/instrument or to participate in any trading strategy. Any such offer would be made only after a prospective participant had completed its own independent investigation of the securities, instruments or transactions and received all information it required to make its own investment decision, including, where applicable, a review of any offering circular or memorandum describing such security or instrument. That information would contain material information not contained herein and to which prospective participants are referred. This material is based on public information as of the specified date, and may be stale thereafter. We have no obligation to tell you when information herein may change. We make no representation or warranty with respect to the completeness of this material. Davenport has no obligation to continue to publish information on the securities/instruments mentioned herein. Recipients are required to comply with any legal or contractual restrictions on their purchase, holding, sale, exercise of rights or performance of obligations under any securities/instruments transaction.

The securities/instruments discussed in this material may not be suitable for all investors or issuers. Recipients should seek independent financial advice prior to making any investment decision based on this material. This material does not provide individually tailored investment advice or offer tax, regulatory, accounting or legal advice. Prior to entering into any proposed transaction, recipients should determine, in consultation with their own investment, legal, tax, regulatory and accounting advisors, the economic risks and merits, as well as the legal, tax, regulatory and accounting characteristics and consequences, of the transaction. You should consider this material as only a single factor in making an investment decision.

The value of and income from investments and the cost of borrowing may vary because of changes in interest rates, foreign exchange rates, default rates, prepayment rates, securities/instruments prices, market indexes, operational or financial conditions or companies or other factors. There may be time limitations on the exercise of options or other rights in securities/instruments transactions. Past performance is not necessarily a guide to future performance and estimates of future performance are based on assumptions that may not be realized. Actual events may differ from those assumed and changes to any assumptions may have a material impact on any projections or estimates. Other events not taken into account may occur and may significantly affect the projections or estimates. Certain assumptions may have been made for modeling purposes or to simplify the presentation and/or calculation of any projections or estimates, and Davenport does not represent that any such assumptions will reflect actual future events. Accordingly, there can be no assurance that estimated returns or projections will be realized or that actual returns or performance results will not materially differ from those estimated herein. This material may not be sold or redistributed without the prior written consent of Davenport.
