- b. **Affordable housing standards**

1. The initial sale price for sale units or the rental rate for a period of at least ten years for rental units must qualify as affordable housing under either the Virginia Housing Development Authority, USDA Rural Development program, or Housing and Urban Development housing choice voucher program.

2. If rental units, the developer must enter into an agreement with the County of Albemarle restricting the rental rates of the affordable units for a period of at least ten years or until the units are sold as affordable units, whichever comes first.
3. If sale units, the developer must provide the County of Albemarle with confirmation of the initial sale price for the affordable units prior to the issuance of building permits for the bonus units.
4. Manufactured homes for rent in an approved manufactured home park may be considered rental units under this section provided they qualify as affordable housing under the Housing and Urban Development housing choice voucher program.
5. Manufactured home lots for rent in an approved manufactured home park may qualify for this bonus provided the developer enters into an agreement with the County of Albemarle that the lots will be available for rent to manufactured home owners for a period of at least ten years.
6. Manufactured home lots for sale in an approved manufactured home subdivision may qualify for this bonus provided the developer restricts the use of the lots to manufactured homes or other affordable housing for a period of at least ten years.
7. The decision to extend the periods beyond the ten year minimum provided in subsections (b)(1), (b)(2), (b)(5), and (b)(6) will be at the sole discretion of the developer.
8. The occupancy of the affordable units must be restricted to those households with incomes at or below 80 percent of the area median income for for-sale units and at or below 60 percent of the area median income for rental units. Prior to issuance of the first certificate of occupancy for a building providing affordable rental units, the developer must enter into a rental rate agreement with the County, that delineates the terms and conditions pertaining to rental rates, occupancy and reporting during the minimum ten year period.

**Sec. 16.4.2 Development standards.**

Development standards bonus factors will be applied to the gross density-standard level in accordance with the applicable regulations in Section 2.4.4.

~~For dedication of land to public use not otherwise required by law, density may be increased as follows:~~

~~The acreage of the land dedicated and accepted shall be multiplied by twice the gross density standard level, and the resulting number of dwellings may be added to the site, provided that the density increase shall not exceed 15 percent. The dedication shall be accepted by the board of supervisors prior to final approval.~~

~~For provision of road improvements to secondary or primary roads not otherwise required by this ordinance or Chapter 14 of the Code of Albemarle, a density increase up to 20 percent shall be granted, to be agreed upon by the commission and the applicant, based upon the relative need for transportation improvements in the area. The need for such improvements shall be established by the Virginia Department of Highways and Transportation. (Amended 8-14-85)~~

(§ 20-16.4.2, 12-10-80; 8-14-85)

**Sec. 16.4.3 Affordable housing.**

Affordable housing bonus factors will be applied to the gross density-standard level in accordance with the applicable regulations in Section 2.4.5.

For providing affordable housing units, a density increase of 30 percent shall be granted, subject to the following:

- a. At least one-half of the additional housing units allowed by this density bonus shall be developed as affordable housing units.
- b. The initial sale price for sale units or the rental rate for a period of at least ten years for rental units shall qualify as affordable housing under either the Virginia Housing Development Authority, Farmers Home Administration or Housing and Urban Development housing choice voucher program.
- c. If rental units, the developer shall enter into an agreement with the County of Albemarle restricting the rental rates of the affordable units for a period of at least ten years or until the units are sold as affordable units, whichever comes first.
- d. If sale units, the developer shall provide the chief of housing with confirmation of the initial sale price for the affordable units prior to the issuance of building permits for the bonus units.
- e. Manufactured homes for rent in an approved manufactured home park shall be considered rental units under this section provided they qualify as affordable housing under the Housing and Urban Development housing choice voucher program.
- f. Manufactured home lots for rent in an approved manufactured home park shall qualify for this bonus provided the developer enters into an agreement with the County of Albemarle that the lots shall be available for rent to manufactured home owners for a period of at least ten years.
- g. Manufactured home lots for sale in an approved manufactured home subdivision shall qualify for this bonus provided the developer restricts the use of the lots to manufactured homes or other affordable housing for a period of at least ten years.
- h. The decision to extend the periods beyond the ten-year minimum provided in subsections (b), (c), (f) and (g) shall be in the sole discretion of the developer.
- i. The occupancy of the affordable units shall be restricted to those households with incomes at or below 80 percent of the area median income for for sale units and at or below 60 percent of the area median income for rental units. The chief of housing or his designee must approve all purchasers of for sale units based on household income. Prior to issuance of the first certificate of occupancy for a building providing affordable rental units, the developer shall enter into a rental rate agreement with the county, approved by the county attorney, that delineates the terms and conditions pertaining to rental rates, occupancy and reporting during the minimum ten-year period.
