ANIMAL WELLNESS CENTER

SITE & SP DETAILS

Sheet 6 of 7

Key

- Buildable Area
- Parking & Travelway
- Proposed ROW Dedication
- Outdoor Animal Exercise Area
- Drainage Easement
- Existing Sidewalk
- New Sidewalk
- Future Phase/Development

Notes:

1. Building footprint areas and locations are conceptual. Final building footprint areas and locations will be determined at site plan. Buildings may be located anywhere within the "buildable area."
2. Per Sec. 20B.3(H) of the Albemarle County Zoning Ordinance, the director may allow for a maximum side setback greater than 20' with approval of an administrative waiver.
3. Per Sec. 20B.3(B) of the Albemarle County Zoning Ordinance, a special exception is not required to expand the existing parking area

4. Parking to be provided in the rear of the existing building if permitted by the terms of the public drainage easement (DB 3982 PG 599) or any future amendment thereof.
5. The future building phase, as noted on this plan, will allow for veterinary use and overnight boarding as well as any other by-right use allowed for in the DCD.
6. Any building in the future phase/development will be a minimum of two stories in height, as required by the DCD Area and Bulk Regulations, unless the owner obtains a special use permit for reduced building height.
7. "Proposed building addition" as noted on this plan, accounts for an approximately 3,600 square foot one-story building addition to the existing building.
