Dear Jessica:

Thank you for taking the time today to walk Lindsay Ideson and I around the Rio Road corridor outside the Northside Library with Steve McNally. JMRL is very glad to hear about plans for an expanded bus shelter in front of Northside. This new shelter will improve access to a valuable Albemarle County community resource. JMRL would be thrilled for this new shelter to participate in the Sense of Place program, as well. An attractive and friendly forward-facing shelter will be a welcome addition to the Northside Library.

Sincerely,
