Date of Employment:

08/2020

Years Resident in Albemarle County:

28

Previous Residence:

0

Identify Any Spouse, Natural or Legal Offspring, Parent, Grandparent, or Sibling Who is a County Supervisor or Other County Officer, Employee, or Appointee:

N/A

Education

Jonah Fielding

Education:

Virginia Tech B.S. in Forestry Ops. and Business ('19) Masters of Forestry ('20)

Activities and Interests**Memberships in Civic, Not-for-Profit, and Similar Organizations:**

Interests:

Anything outdoors. I spend almost all my free time fishing, hunting, hiking, camping, etc.

Reasons for Seeking to Serve on the Board, Commission, or Committee:

Having spent my entire life on a farm here in Albemarle County as well as experiences in my career have given me a first hand perspective of the significant change the county has gone through in recent years. It is important to me, and I believe many others in the county, that Albemarle not forget its rich rural heritage, farming culture, and natural history. By being apart of this committee, I hope to be a voice for these natural areas that make Albemarle so unique and protect them for future generations to benefit.

WORK EXPERIENCE

OCTOBER 2020– PRESENT

ALBEMARLE COUNTY AREA FORESTER, VIRGINIA DEPARTMENT OF FORESTRY

- Developed forest resource management of hardwood and softwood through planning, programs, implementation, inspections, and protections.
- Daily engagement with landowners, organizations, and communities by providing access to forest management resources.
- Organized and implemented forest health initiatives against invasive pests and plants.
- Protected and managed watersheds through harvest inspection and buffer management.
- Prevented and suppressed numerous forest fires as the acting local forest warden, including regularly coordinating with interagency joint operations across the state.
- Led outreach and collaboration of conservation education efforts.
- Planned and implemented forest land use projects.
- Mentored new employees and interns.

MAY 2019 –JUNE 2020

GRADUATE RESEARCH ASSISTANT, VIRGINIA TECH COLLEGE OF NATURAL RESOURCES AND ENVIRONMENT

- Defined the scope and protocols of a Sustainable Forestry Initiative funded research project requiring heavy data collection across the southeastern U.S. on a large variety of sites.
- Completed the project successfully within tight constraints, including the published findings.
- Co-authored and assisted in the studies of fellow graduate students.
- Taught and mentored undergraduate students as the Forest Biology teaching assistant.

MAY 2018 – MAY 2019

UNDERGRADUATE RESEARCH ASSISTANT, VIRGINIA TECH CONSERVATION MANAGEMENT INSTITUTE

- Defined, organized, and implemented a study to meet current needs for data on habitat suitability of blight-resistant American Chestnuts in the Appalachian Mountain range.
- Presented findings at the National Conference on Undergraduate Research at Kennesaw State in 2019.

LEADERSHIP & ACTIVITIES

Prescribed Fire/Wildfire Suppression (2020-Present): Led and supervised both prescribed fire and wildlife operations. Coordinated with local resources and command structures during emergency response events. Coordinated ongoing training programs for local fire resources as well as local prevention events.

Virginia Interagency Bear Committee (2021-22): Coordinated with all relevant Virginia state agencies to emphasize the Virginia Department of Forestry's priorities, initiatives, and methods of engaging with the public to promote quality bear populations to develop a statewide action plan for future years.

Central Region Advisory Committee (2021): Met with interdisciplinary peers to collaborate and advocate for new ideas/practices that could be implemented in daily routines to improve efficiency, quality, and safety with the Department of Forestry.

FarmHouse Fraternity Director of Administration (2018-19): Responsible for organizing and leading weekly operations and documentation, with a strong emphasis on designing and implementing the yearly philanthropy event.

Undergraduate Research Conference (2019): Presented my undergraduate research with the Virginia Tech Conservation Management Institute on American Chestnut habitat and resistant hybrid reintroduction at the National Conference on Undergraduate Research at Kennesaw in Atlanta.

Albemarle County

Agricultural and Forestal District Advisory Committee

Board Details

See §§ 15.2-4300 through 15.2-4314 of the Virginia State Code. (The committee shall advise the local planning commission and the local governing body and assist in creating, reviewing, modifying, continuing or terminating districts within the locality. In particular, the committee shall render expert advice as to the nature of farming and forestry and agricultural and forestal resources within the district and their relation to the entire locality.)

Overview

- **Size** 10 Seats
- **Term Length** 4 Year
- **Term Limit** 2 Term

Additional

Length of Term

Eight (8) landowner members shall be appointed to one-year, two-year, three-year or four-year initial terms so that one (1) engaged landowner and one (1) other landowner is appointed to serve each initial term length. Thereafter, all terms shall be for four (4) years. No landowner member may serve more than two (2) consecutive terms, provided, however, a member appointed to complete the unexpired term of another may be appointed to serve up to two (2) additional consecutive four-year terms.

(**Term limits were set at the A/F meeting on April 17, 2006.)

Frequency/Times for Meetings:

Meetings are only held when Committee action is needed. Typically meet 2 to 4 times per year.

Membership:

Four landowners engaged in agricultural or forestal production. Four other landowners of the locality. The commissioner of revenue or the local government's chief property assessment officer. A member of the local governing body. The advisory committee shall serve without pay but the local governing body may reimburse each member for actual and necessary expenses incurred in the performance of his duties.

Qualifications

None in particular.

Shawn Brydge

President of Wellington Financial
Charlottesville, Virginia, United States

Summary

My experience in commercial lending and investment banking, led to a seamless integration into Wellington Financial, where I apply my expertise in loan structuring and capital markets to deliver innovative solutions and exceptional service to the vacation ownership industry. My responsibilities encompass marketing initiatives, loan structuring, document negotiations, relationship management, whisky tastings, event planning, and new business development.

Following the completion of the SunTrust Corporate & Investment Banking analyst program, I joined SunTrust Robinson Humphrey Capital Markets on the Interest Rate Derivatives sales and trading desk. During this tenure, I monitored second-to-second market fluctuations in the bond and equity markets, leveraging my economics background to provide insightful explanations of market dynamics to clients considering interest rate risk hedging. I collaborated with clients across SunTrust's southeastern footprint and brokers nationwide, crafting tailored hedging solutions and executing transactions ranging from \$1MM to \$400MM in notional value.

Subsequently, I transitioned to the role of Commercial Relationship Manager for SunTrust Bank in Virginia, where I developed comprehensive financial solutions for a diverse portfolio of clients and prospects with annual revenues ranging from \$2MM to \$300MM. As the primary bank contact, I coordinated with various bank groups (Treasury Management, Capital Markets, Investment Services, Trust, etc.) to deliver customized solutions. Notably, Wellington Financial was among my significant clients.

Wellington Financial, established in 1981, excels in arranging financing for developers of timeshare resorts, vacation clubs, fractional resorts, and retail land. We collaborate with numerous industry and non-industry lenders and have served as the exclusive Resort Finance lending correspondent for Liberty Bank since 1995.

As the lead arranger for Liberty Bank's Resort Finance division, we also provide mezzanine and equity financing

Experience

Wellington Financial

19 years 1 month

President

July 2024 - Present (2 months)

Charlottesville, Virginia, United States

Executive Vice President

August 2005 - July 2024 (19 years)

Responsible for corporate marketing, client and prospect development, transaction structuring, document negotiations, credit analysis, financial modeling, and whisky tastings. Wellington Financial has been financing and servicing the vacation ownership industry since 1981 and has placed more than \$10 billion in loans during that time.

SunTrust Bank

Assistant Vice President

April 2004 - September 2005 (1 year 6 months)

Responsible for a portfolio of clients and prospects with annual revenue from \$2MM to \$300MM, cutting across all industries. Tasked with creating complete financial solutions for my portfolio of clients and prospects, I was the primary bank contact for all of their financial needs and would often work with other bank groups (Treasury Management, Capital Markets, Investment Services, Trust, etc.) to create solutions that fit a particular company's situation.

SunTrust Robinson Humphrey

Associate II

June 2000 - April 2004 (3 years 11 months)

Interest rate derivatives sales and trading position; responsible for Mid-Atlantic region. Executed client transactions of up to \$400MM in notional amount.

Education

University of Virginia

Bachelor of Arts - BA, Economics with a concentration in Finance · (August 1996 - May 2000)

N/A

Education

Education:

I received a Bachelor of Arts in Linguistics from the College of William & Mary in 2015.

Activities and Interests**Memberships in Civic, Not-for-Profit, and Similar Organizations:**

I have been a volunteer for both the International Rescue Committee in downtown Charlottesville and the Blue Ridge Area Food Bank. I was an employee at Piedmont Housing Alliance, a not-for-profit organization, where I worked directly with residents in affordable housing throughout the Charlottesville area.

Interests:

I am a resident of the Emerson Commons cohousing neighborhood just off Parkview, near Starr Hill. Cohousing has given me a tremendous amount of experience in meeting facilitation, conflict resolution, and good meeting structure. I am interested in my community - both my immediate neighborhood of Emerson Commons and the greater Crozet and Charlottesville area.

Reasons for Seeking to Serve on the Board, Commission, or Committee:

Having spent my first term on the CCAC listening and learning to community concerns, I would like to continue being a stakeholder in this advisory body, both to hear what my neighbors and fellow community members envision for Crozet and to add my own voice to the conversation. I am currently the Chair of the CCAC, and would like to provide a longer term in that role to give continuity to the CAC.

How did you hear about this vacancy:

I am applying for reappointment.

Albemarle County

Crozet Community Advisory Committee

Board Details

The Advisory Committees will provide assistance, feedback and input to County staff and the Board of Supervisors on community and county efforts related to implementation and support of the adopted Master Plan, in accordance with established county procedures. Advisory Committee members will communicate with their constituencies to increase understanding of and support for successful implementation of the Master Plan. The membership is broad-based to incorporate a variety of perspectives and ideas and to provide citizens, business people, and representatives of community groups a chance to be engaged and to be heard in a constructive and meaningful way.

The Committees will be a catalyst for helping foster a sense of community and work towards effective and efficient Master Plan implementation. Committees are a venue to discuss and provide comments on program and policy questions and/or proposals. Community Advisory Committees are an important venue for discussion and Committees can provide feedback and indicate preferences related to development proposals, although Committees do not have a legislative role in the development process.

1. Serve as liaisons.
2. Gather input from constituencies represented and bring these issues to the attention of staff and the Committee, and distribute information from the Committee back to constituents.
3. Stimulate creative thinking in examining implementation issues and identify ways of using community resources to meet implementation needs and challenges.
4. Provide advisory input, comments, and information to the Board of Supervisors on new and emerging policies, projects, and programs as requested.
5. Maintain a forward-looking agenda with respect to adopted Master Plans and policies of the Board of Supervisors. Committee meetings are not the appropriate venue to oppose adopted policy.
6. Commit to support and work to implement the adopted Master Plan.
7. Work with Staff to provide an annual report of activities to the Board of Supervisors in accordance with the Board of Supervisors' adopted Rules of Procedure for Boards and Commissions.

Overview

- ☐ **Size** 15 Seats
- ☐ **Term Length** 2 Years
- ☐ **Term Limit** 3 Term

Additional

Length of Term

Members will be appointed for either a 2 or 3 year term to stagger the transition of new members on and off the council. After initial appointments, terms will be for 2 years. While Members will be generally expected to serve no more than 2 terms, additional terms may be considered if desired and if the Board of Supervisors deems appropriate.

Frequency/Times for Meetings:

2nd Wednesday of each month at 7:00 pm at the Crozet Library, unless otherwise noted.

Membership:

The Board of Supervisors shall appoint ten to fifteen members to the Council with representation from the following: Citizens at large Property owners and Stakeholders Business community members Civic/neighborhood organizations Representatives from adjoining areas There shall also be a Planning Commission liaison appointed to the council who will attend meetings, report back to the Commission at its regular meetings with a synopsis of the Council's meetings/activities, as appropriate. The liaison, along with other Commissioners, may identify agenda items or updates that should be provided to the Council and the greater Master Plan area. County planning staff will coordinate all staff support to the Advisory Council; ensure meeting supplies, print and copy agenda and meeting materials.

SUMMARY: Proven, dynamic leader who consistently delivers successful results. Extensive organizational, bid/win and project management experience synchronizing resources, processes, and technology with organizational objectives. Consistently demonstrates ability to deliver results on-time and within budget. Maintains TS/SCI level security clearance. An experienced, versatile, results-oriented executive with deep leadership skills including:

PROFESSIONAL ACCOMPLISHMENTS

Executive Leadership	Deputy CIO - U.S Strategic Command – Led IT organization with combined military and contractor staff of 990 that designed, implemented, and maintained worldwide IT network and communications infrastructure to support strategic war planning requirements with an annual budget of \$75M. Implemented \$226M military-to-commercial outsourcing transition of IT maintenance and engineering support – reduced costs by 19%.
Operations Management	As SAIC’s Senior Program Manager and Site Lead, competitively bid and won defense contracts valued at over \$260M+ from 2003-2014. Expanded revenues for a high tempo, mission critical, operations support division of a major defense contractor by defining operational requirements, assessing future operational needs, including multi-year budgets, personnel projections, and growth rates.
Business Needs Alignment	Provided leading edge business solutions to SAIC and U.S. Strategic Command enabling the transformation to a net-centric, data-focused environment and the assumption of additional missions.
Large Scale Project Management	Led the \$1.5 Billion DOD acquisition of 16 Boeing Command & Control aircraft - integrated advanced communications & IT technologies with commercial and military systems. Relocated/consolidated a 1,200 member organization to deliver training, maintenance, and logistics support while sustaining worldwide flight operations.
Systems Development	Partnered with Lawrence Livermore National Laboratory to implement and refine National Decision Support System to identify, characterize and assess capabilities of foreign industrial sites to produce components for Weapons of Mass Destruction.
Staff Leadership & Development	Reshaped staff development plan for 75 key USSTRATCOM leadership positions as the organization transitioned from military to civilian structure. Programmed skill development and succession planning for emerging leaders. The result was a smooth migration of staff with 100% operational delivery of IT services.

Leidos, Omaha

2014-2022

Mission Planning and Common Services (MPACS) Program Manager

Led a team of talented software development professionals providing a \$62M sustainment and modernization efforts in support of USSTRATCOM and Strategic War Planning systems.

Consulting Employee specializing in Nuclear Command & Control Software Applications (2019-2022)

Science Applications International Corporation, Omaha

2003-2014

Asst. VP, Operations Manager/Division Manager/PMP

As SAIC’s Omaha Site Lead/USAMS Program Manager, dynamically led a team of 80 professionals providing S/W development, systems analysis & design, requirements, V&V and systems engineering support to U.S. Strategic Command. As lead operations manager for SAIC in Omaha, successfully bid

and won over \$260M+ (2003-2014) of government contracts at Offutt AFB to provide requirements based planning, intelligence and communications capabilities to U.S. Strategic Command in support of evolving mission areas. Successfully organized teams of Systems Engineers, Software Developers, Program Managers and Operations Support Specialists and Policy Analysts to assess and meet mission requirements.

National Security Research Inc, Omaha

2001-2003

Senior Analyst

Evaluated Executive Branch, Pentagon and U.S. Strategic Command crisis response communications and architectures for interoperability, maintainability and survivability during national emergencies and terrorist attacks. Led national teams to develop IT modernization requirements and sustainability plans for fixed and mobile command centers.

U.S. Strategic Command Offutt AFB, Nebraska

1998-2001

Deputy Chief Information Officer

Led acquisition and integration of complex Information Technology systems with end-to-end quality assurance accountability. Delivered global telecommunications capabilities for real-time, positive control of military operations worldwide. Delivered assured information technology services to 1800 internal customers and deployed strategic forces worldwide. Developed policy, long range plans and budgets to maintain computer systems and networks; developed and integrated software for nuclear command and control, war planning and infrastructure systems and assured the integrity, availability and confidentiality of strategic IT systems.

U.S. Special Operations Command MacDill AFB, Florida

1994-1997

Counterproliferation Branch Chief

Developed policy, doctrine, and decision support systems to integrate, prioritize, and de-conflict emergency response responsibilities/capabilities among the Department of Defense, State, FBI, and state/local agencies during national emergencies. Systems developed provided senior government and military leaders with courses of action and risk assessments to counter the proliferation of nuclear, chemical and biological agents.

Fleet Air Reconnaissance Squadron Three Tinker AFB, Oklahoma

1992-1994

Commanding Officer/Chief Operating Officer

Led a 495 member Naval Aviation Squadron in providing secure, reliable and durable communications and IT services to the Joint Chiefs of Staff, U.S. Strategic Command and the nation's Nuclear forces throughout the Pacific Rim. Dramatically improved readiness of IT systems by 33% and implemented an innovative maintenance technique that saved over \$37M. Planned and executed annual operating budgets in excess of \$11M. Developed innovative programs to retain IT/Comm employees leading to all-time high retention rates.

Office of the Chief of Naval Operations, Pentagon

1989-1991

Strategic Airborne Communications Systems

Developed Strategic Communications Policy/Procedures/Plans to support the transition of nuclear command and control assets from Cold War to current peacetime posture saving \$8 M annually. Using statistical models, reconfigured strategic communications infrastructure and operating units throughout the Pacific Rim and Atlantic Basin to provide increased flexibility at reduced operating costs.

Multiple Shipboard and Aviation Assignments

1975-1989

EDUCATION: U.S. Naval Academy - Bachelor of Science, 1975

Executive Education - National Defense University, Industrial College of the
Armed Forces '91-'92

Military Affiliations: Naval Academy Alumni Association, Military Officers Association of America (MOAA), Navy League, Association of Naval Aviation, U.S. Naval Academy Blue & Gold Candidate Guidance Officer.

- Member of the Service Academy Interview Board for Senator Deb Fischer (R-NE) 2013-2021
- Member of the Service Academy Interview Board for Congressman bob Good (R-VA) 2022-2023

Professional Summary

Experienced and diligent Commercial Relationship Manager. I proactively exercise a common-sense financial approach to clients' needs while driving sales, strengthening the framework of my network and the client's financial loyalty.

Experience

Commercial Lender – Pioneer Bank, Charlottesville, VA

April 2021 – Present

Responsible for growing the Pioneer Bank name by working with clients and prospects with credit needs up to \$5 million.

- Grow and manage a \$30million+ commercial portfolio.
- Market and Business Development.
- Consult and guide clients on their current and future needs.

Market Leader – Truist Bank, formerly BB&T, Charlottesville, VA

July 2018 – April 2021

Responsible for the overall performance of the branch with an emphasis on Business lending and deposit acquisition while managing 8 direct reports.

- Managing a Business portfolio of \$10 million+.
- Extensive Business Development, Lead Generation and prospecting.
- Identify cross-referral opportunities for Merchant and Treasurer Management

Commercial Banker - Fulton Bank, Charlottesville, VA

April 2017 – December 2018

As a new bank to the market, I developed and implemented a business development strategy that targeted C&I and CRE businesses with revenues of \$1 million to \$5 million with credit exposure up to \$2.5 million.

- Engaged referral sources and community relationships to build a strong brand presence.
- Composed loan proposals, credit memos, compiled and analyzed financials for underwriting.
- Determined and set appropriate loan structure and pricing.
- Affordable Housing, SBA loans 7a, Owner Occupied, Land Acquisition, Construction, Leasing, and Lines of Credit.

Small Business Relationship Manager - Bank of America, Charlottesville, VA

August 2016 – April 2017

Provided comprehensive financial solutions (Merchant Services, Treasury Management and Depository Services) to small businesses with revenues from \$250M to \$5MM and credit exposure up to \$1 million.

- Developed and sourced new business through existing clients, prospecting, internal resources and COIs.
- Coached retail bankers to identify small business opportunities and how to address those needs.
- Analyzed P&L, balance sheets, AR and business trends to determine debt structure and investment opportunities.

Relationship Banker - Capital One, New York, NY & Charlottesville, VA

June 2013 – August 2016

Broadened and deepened the bank's relationship with new and existing clients by placing emphasis on cross-sales to our mortgage team, business partners, cash management, and investment consultants.

- Outbound business development by engaging the community through canvassing and public events.
- Acquired new customers and opened new accounts. Average of 20-30 accounts per month.
- Trained and mentored new employees.

Combat Engineer – United States Marine Corps Reserves, Charlottesville, VA

June 2007 – March 2011

Affiliations

Business Advisory Committee, Albemarle County Board of Supervisors • Financial Council, Church of Incarnation (Vice Chair) • Advisory Board, Charlottesville Catholic School • Leadership Charlottesville Alumni • Project Rebound – Greater Charlottesville Chamber of Commerce

Albemarle County

Economic Development Authority

Board Details

An ordinance creating the Industrial Development Authority was adopted on May 12, 1976. See State Code, Sections 15.2-4900 through 15.2-4908 for enabling legislation. The authority created by the Albemarle Board of County Supervisors acquires, owns, leases and disposes of properties and makes loans and issues bonds to promote industry and development by inducing manufacturing, industrial, governmental, nonprofit and commercial enterprises and institutions of higher education to locate in or remain in the County and to further the use of its agricultural products and natural resources.

Overview

- ☐ **Size** 8 Seats
- ☐ **Term Length** 4 Year
- ☐ **Term Limit** N/A

Additional

Length of Term

Four years.

Frequency/Times for Meetings:

Meetings are held on the third Tuesday of each month at 4pm at the McIntire County Office Building in room 241.

Membership:

Members are not paid for their service. No director shall be an employee of the County.

Qualifications

It is helpful, but not essential, if members have some working knowledge of municipal finance or the financial markets in general. Some basic understanding of taxation is also helpful.

Albemarle County

Equalization Board

Board Details

The Board of Equalization shall hear all complaints and objections to real estate assessments from the taxpayer or his agent. The Board shall hear and give consideration to such complaints and equalize such assessments and, moreover, the Board is charged with the especial duty of increasing as well as decreasing assessments. The Board’s main charge is the equalizing of real estate assessments.

Overview

- ☐ **Size** 6 Seats
- ☐ **Term Length** 1 Year
- ☐ **Term Limit** 9 Term

Additional

Length of Term

One year beginning January 1st and ending December 31st, and may be reappointed. Per State Code, members may serve nine consecutive terms. (Eligible for reappointment after three years off the Board.)

Frequency/Times for Meetings:

Meetings are held as needed at the McIntire County Office Building in room 241.

Membership:

§ 58.1-3371 of the Code of Virginia was amended in 1995 to permit any county operating under the county executive form of government to “be composed of not less than three nor more than the number of districts for the election of members of the board of supervisors in the County”.

Qualifications

Members of the board shall have the qualifications prescribed by § 58.1-3374, shall conduct their business as required by § 58.1-3378, and shall be freeholders (must own property in the County). A candidate with a background in the real estate market (sales, assessing, etc.) would find that knowledge helpful in filling this position. In order to be eligible for appointment, each prospective member of such board shall attend and participate in the basic course of instruction given by the Department of Taxation under § 58.1-206. Members are paid \$85.00 per meeting (Albemarle Code Albemarle Code § 2-1105).

Activities and Interests**Memberships in Civic, Not-for-Profit, and Similar Organizations:**

Albemarle Charlottesville Historical Society – Executive Board Member & Secretary Blue Ridge Home Builders Association (BRHBA) – Executive Board Member & 2025 Treasurer, Chair of the Membership Committee, Workforce Development Committee Member, ShelterPAC Committee Member Local Energy Alliance Program (LEAP) – Board Member, Finance Committee & Production Committee Subcommittee Member Regional Housing Partnership (under TJPDC) – Advisory Board Member Building Goodness Foundation – Active Builder & Volunteer Central Virginia Little League – T-Ball Team Sponsor (via my company Commonwealth Contractors)

Interests:

I enjoy spending time with my wife, Annie, as we prepare to welcome our first child. Being outdoors and playing music are things I value, but I also have a strong passion for local history. I like touring the county, visiting historical sites, and learning the stories behind them. As a builder and remodeler in town, I focus on historical restorations, ensuring these structures are preserved and maintained with the craftsmanship and integrity they deserve.

Reasons for Seeking to Serve on the Board, Commission, or Committee:

I want to serve on the Historical Preservation Committee to help preserve and protect our community's architectural heritage. As the founder and president of Commonwealth Contractors, a local building firm based in Court Square, I have firsthand experience in balancing preservation with modern functionality. I believe in maintaining the craftsmanship and integrity of historic structures while ensuring they remain viable for future use. With my friend, Executive Director Tom Chapman, stepping down from the committee, I would like to join as a representative of the Albemarle Charlottesville Historical Society, as well as a committed local preservation advocate.

EXPERIENCE

3/2022- **UVA HEALTH**

CHARLOTTESVILLE, VA

Present **Population Health and Post-Acute Care Department, Administrator**

- Provides strategic and operational leadership, oversight, and direction for the Population Health and Post-Acute Care Department and UVA Student & Employee Clinic Wise. Met KPIs through revenue enhancement, cost containment, new service offerings, billing opportunities, and grant awards.
- Leads planning, development, and oversight of clinical and administrative operations for several growing inpatient/outpatient/ED/Ambulatory/community engagement, transitions of care, and post-acute care programs, including Interactive Home Monitoring (IHM), Virginia at Home, Medicine HOME, Community Paramedicine, Mobile Health Care, WellAWARE Community Health Worker program, Homeless Consult Services program, Behavioral Health, and Latino Health Initiative.
- Manages Population Health/Community and Patient-specific initiatives, including system-wide Epic module builds (e.g., SDOH Rainbow Wheel, Compass Rose, Unite Us platform integration, Post-Acute Care Tool), Neighborhood Health initiatives through the Office of Diversity and Community Engagement.
- Fosters a patient-focused culture and lean management system to provide

evidence-based programming that follows standard workflows, protocols, and legal and regulatory compliance expectations.

- Partnered with hospital-wide teams Epic, PFA, and Revenue Cycle to develop the first virtual scheduling template to enable billing for Population Health RPM services at all levels through the Medical Center and APP billing in partnership with Family Medicine and UPG. This template is now used throughout the health system to generate revenue for remote patient monitoring.
- Works with the CMO office for Population Health and Post-Acute Care Department annual physician and contracting MOUs for each FY.
- Manages all APP credentialing, leasing agreements for billing purposes, and Population Health/Family Medicine partnership agreements.
- Collaborates to write grants for Population Health services (total grants earned FY23/24, \$7.5M).
- Responsible for all financial and operational logistics, budgets and forecasting, revenue stream development, and cost control for multiple departmental budgets.
- Chair, Post-Acute Subcommittee for Patient Progression Committee efforts to reduce LOS, increase opportunities for effective patient throughput, and partner with UVA Health's Same Day Clinic, ED, and local SNFs and IRFs to incorporate best practices, increase SNF capabilities, manage 30-day SNF inpatient stays, and decrease IRF utilization.
- BPCI-A, value-based care program leader from January 2020 - December 2023 for care redesign (from ED planned/non-planned admission, inpatient stay, to post-acute transitions of care programming), post-acute partnerships through forming an SNF Network Partner program, IRF utilization reduction, SNF 30-day stay reductions and patient-centered care partnerships, and SNF to home IHM program.
- Assigned operational owner of Mobile Health Care from planning and design, team hiring/credentialing/Epic build, legal/compliance/risk mgmt., billing and supplies, security, clinical engineering, HIT, facilities, and final delivery to go-live August 2024; maintain legal, compliance, and risk management assurances for Neighborhood Health programming.
- Manages billing and utilization of Z Code and G0136 Code for SDOH billing and LIP education.
- Medicaid Enrollment Solutions team with lead LIP
- Pediatric and Ambulatory Centralization for Interactive Home Monitoring (IHM), SDOH screening, and Case Management Programming
- Palliative and Hospice Care internal workflows and external partnerships development

7/2016-
2/2022

UVA HEALTH

Population Health Department, Director

- Drive impactful, positive results for clinical, behavioral, and operational processes, providing strategic direction and oversight on innovative, patient-centered, physician-championed programs throughout the inpatient division, primary and specialty care clinics, COVID clinic, telemedicine, and telehealth.
- Enable and maintain standardized workflows according to lean management principles; promote team building, motivation, and inclusivity among employees to fulfill the organization's mission and vision, provide optimal patient experiences, and reduce staff burnout.
- Lead planning and execution of innovative approaches to population health management strategy, working closely with community-based organizations to foster a broader social care network.
- Build and cultivate trusting relationships with internal and external stakeholders

to collaboratively execute integrated business strategies and software-based solutions, including SaaS platform development from consumer and business case perspectives (DTC, B2C, B2B2C).

- Execute programs based on the social determinants of health; leverage a psychotherapy background to establish community programs for diverse populations, including homeless and geriatric populations.
- Successfully integrate UVA-Wise students, faculty, and staff through successfully managing primary care clinic for student and employee health in rural areas to address healthcare and social disparities.

Population Health Key Accomplishments

- Spearheaded the implementation of an Interactive Home Monitoring (IHM) program, which included innovative technology and a case manager model, to provide increased continuity of care and improved performance in identified outcomes.
 - o Since FY19, readmission rates for MSSSL have been reduced from 18.89% to an average of 6.2% or less
 - o FY23 readmission reduction of 4.79% across the entire CMI, specifically high utilization patient populations. Reduced \$1.6M program cost to zero for UVAMC.
 - o Expanded remote patient monitoring to 26 individual departments throughout the health system for patient care and research.
- Obtained \$7M+ in grants to expand programs, decrease internal costs, and add additional FTEs to manage strong financial stewardship within budgets and forecasts for each fiscal year.
- Achieved EVP approval for developing a Community Paramedicine program to reduce non-urgent ED visits, 911 high utilizer calls, and readmissions and address social inequities within both urban and rural areas.
- FY24, Operational ownership of UVA Health Mobile Health Care, onboarding a community partnership program as a UVA Health program, and multiple research grant partnerships.
- FY21, 22, 23 launched and provided a state-wide remote patient monitoring program (IHM) during the COVID-19 pandemic to mitigate patient admissions, readmissions, and non-emergent ED utilization management; assisted multiple academic medical institutions set up their own programs to manage COVID needs throughout the pandemic.
 - o Hired and trained a team of 26 Nurse Practitioners to manage the IHM system and patients 24/7.
 - o Worked collaboratively with the IT department to implement two IHM platforms with Epic.
 - o Set up and trained Nurse Practitioner team to provide a Community Call Line.
 - o Managed program development and operations to provide 16,000+ COVID tests and NP callbacks with results, medical guidance, and wraparound resources from 5/2020-4/2023.
- Since 2016, generated 100% employee engagement and low turnover rate through transformation and agile leadership, strong communication skills, and team autonomy, facilitated training and development programs to improve performance and team building.
- Developed behavioral health program for patients enrolled in any Population Health program (no cost to the patient).

- Directed UVA Health System shift to include value-based care across 26 primary care clinics throughout the state. Collaborated with hospital executives and primary care providers to establish program reviews and address individual MIPS and HEDIS measures.
- Developed physician and clinic relationships to address CMS expectations and educate on value-based care models, performance outcomes, standard workflow changes, and best practices.
- Created standardized workflows for providers and clinic teams and developed a panel coordinator role for mobile optimization.
- ACO responsible for 20,000+ lives as part of the contractual agreement with CMS for assigned patient population.

10/2010-**UVA HEALTH**

CHARLOTTESVILLE, VA

12/2014 **Health Educator/Contract & Project Coordinator, UVA-WorkMed**

- Educated individuals, groups, and businesses on the fiscal, physiological, and psychological costs of managing health care from biomedical screenings to diagnosing and beyond.
- Planned and executed projects by handling contract development and management, health system marketing, community outreach, employee onboarding/training, and health/wellness coaching.
- Advised regional insurance brokerage firms on local, state, and federal laws for health and wellness programs for planned corporate implementation discovery.

ADDITIONAL EXPERIENCE

8/2010- **UVA, SCHOOL OF CONTINUING & PROFESSIONAL STUDIES** **CHARLOTTESVILLE, VA**

1/2019 **Adjunct Faculty**

- Developed and taught undergraduate and post-graduate classes on performance management, human beings' unlimited potential, and upper-level psychology classes.

CERTIFICATIONS

- Fellow, American College of Healthcare Executives
- Leaders Lab of Greater Charlottesville, Charlottesville Regional Chamber of Commerce
- Advanced Lean Management Certificate, Virginia Mason Institute
- Advanced Adlerian Psychology Certificate, ICASSI, Rudolf Dreikurs Summer Institute
