

An aerial photograph of a rural property. In the center-left, there is a cluster of white buildings with dark roofs, likely a main residence. To the left of these buildings is a cleared area labeled 'Parking'. A bright green asterisk is placed on one of the white buildings. To the right of the main residence is a long, low building with a red roof, and further right are two smaller, white-roofed structures. A red circle is marked on the red-roofed building. The surrounding landscape is dry and hilly with sparse vegetation.
