

Albemarle County Comprehensive Plan Update | Project Goals & Phasing Plan

OVERALL PROJECT GOALS

This project seeks to complete a focused and timely update of the 2015 Comprehensive Plan, to achieve the following goals:

- Update plan content to reflect recent County-wide strategic initiatives including climate action planning, economic development, and multi-modal transportation planning
- Ensure that equity is integrated into the engagement process and the updated plan content, consistent with the County’s recently added “Community” organizational value (*Community: We expect diversity, equity and inclusion to be integrated into how we live our mission.*)
- Improve Plan usability by articulating clearly prioritized goals, incorporating metrics for tracking progress, and applying a modern, streamlined document design.

Staff anticipates that additional goals will be added based on Board, PC, and community input.
