PROCLAMATION

WHEREAS, this is the **97th Anniversary** of the Nineteenth Amendment to the U.S. Constitution giving women the right to vote in 1920; and

WHEREAS, in 1848, 169 years ago in Seneca Falls, the need was recognized and proclaimed, but after great effort there is still more work to be done to ensure reliable protection in the U.S. Constitution for women against sex discrimination in general; and

WHEREAS, in many other ways the tasks of providing equal opportunities to women and men, and the tasks of removing burdens which fall unjustly on women as compared with men remain uncompleted.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors of Albemarle County, Virginia, does hereby proclaim

August 26, 2017,
as
WOMEN'S EQUALITY DAY

in remembrance of all those women and men who have worked to develop a more equitable community, which acknowledges both the real similarities and the important differences between women and men, with liberty and justice for all.

Signed and sealed this 9th day of August 2017.

**RESOLUTION APPROVING A
PROJECT ADMINISTRATION AGREEMENT FOR
THE BERKMAR DRIVE EXTENDED – LEWIS & CLARK DRIVE
CONNECTOR ROAD STUDY**

WHEREAS, the Board finds that it is in the best interest of the County to enter into an agreement with the Virginia Department of Transportation for the completion of a study for the Berkmar Drive Extended – Lewis & Clark Drive Connector Road.

NOW, THEREFORE, BE IT RESOLVED that the Albemarle County Board of Supervisors hereby approves the Standard Project Administration Agreement for the Berkmar Drive Extended – Lewis & Clark Drive Connector Road Study (Project Number 9999-002- 967; UPC 111736), and authorizes the County Executive to execute the Agreement on behalf of the County after its approval as to form and substance by the County Attorney.

ARTICLE I. GENERAL PROVISIONS

3.1 DEFINITIONS

. . .

Cemetery: Any land or structure used or intended to be used for the interment of human remains, either by earth – burial, entombment in a mausoleum, inurnment in a columbarium, or a combination thereof. The sprinkling of ashes or their burial in a biodegradable container on religious assembly use grounds, or their placement in a columbarium on religious assembly use property, is not a cemetery.

. . .

Group home: A residential facility in which no more than eight individuals with mental illness, intellectual disability, or developmental disabilities reside with one or more resident or nonresident staff persons and which is licensed by the Virginia Department of Behavioral Health and Developmental Services or other licensing authority. For purposes of this definition “mental illness or developmental disability” shall not include current illegal use of or addiction to a controlled substance as defined in Virginia Code § 54.1-3401.

. . .

Industrialized building: A combination of one or more sections or modules, subject to state regulation, and including the necessary electrical, plumbing, heating, ventilating and other service systems, manufactured off-site and transported to the point of use for installation or erection, with or without other specified components, to comprise a finished building. For purposes of this definition, a manufactured home is not an industrialized building.

. . .

Religious assembly use: A building or space primarily used for an assembly of persons to conduct worship or other religious ceremonies, including, but not limited to, churches, synagogues, temples, mosques or shrines.

. . .

Temporary family health care structure: A transportable residential structure providing an environment facilitating a caregiver’s provisions of care for a mentally or physically impaired person that (i) is primarily assembled at a location other than its site of installation; (ii) is limited to one (1) occupant who shall be the mentally or physically impaired person or, in the case of a married couple, two occupants, one of whom is a mentally or physically impaired person, and the other requires assistance with one or more activities of daily living as defined in Virginia Code § 63.2-2200, as certified in writing by a physician licensed in the Commonwealth; (iii) has no more than three hundred (300) gross square feet in area; (iv) complies with the applicable provisions of the Industrialized Building Safety Law and the Uniform Statewide Building Code, as amended; and (v) is not placed on a permanent foundation.

Side and Rear-Minimum	In the LI district, if the abutting lot is zoned residential, rural areas, or the Monticello Historic district: (i) no portion of any structure, excluding signs, shall be located closer than 50 feet from the district boundary; and (ii) no portion of any off-street parking space shall be located closer than 30 feet from the district boundary. In the HI district, if the abutting lot is zoned residential, rural areas, or the Monticello Historic district: (i) no portion of any structure, excluding signs, shall be located closer than 100 feet from the district boundary; and (ii) no portion of any off-street parking space shall be located closer than 30 feet from the district boundary.
Side and Rear-Maximum	If the abutting lot is zoned commercial or industrial, any primary structure shall be constructed and separated in accordance with the current edition of the Building Code.
Stepbacks	None
Front	
Side and Rear	For each story that begins above 40 feet in height or for each story above the third story, whichever is less, the minimum stepback shall be 15 feet
	None

SECTION 5. SUPPLEMENTARY REGULATIONS

5.1.11 COMMERCIAL KENNEL, VETERINARY SERVICE, OFFICE OR HOSPITAL, ANIMAL HOSPITAL, ANIMAL SHELTER

Each commercial kennel, veterinary service, office or hospital, animal hospital and animal shelter shall be subject to the following:

- a. Except where animals are confined in soundproofed, air-conditioned buildings, no structure or area occupied by animals shall be closer than five hundred (500) feet to any agricultural or residential lot line. For non-soundproofed animal confinements, an external solid fence not less than six (6) feet in height shall be located within fifty (50) feet of the animal confinement and shall be composed of concrete block, brick, or other material approved by the zoning administrator;
- b. For soundproofed confinements, no such structure shall be located closer than two hundred (200) feet to any agricultural or residential lot line. For soundproofed and nonsoundproofed confinements, noise measured at the nearest agricultural or residential property line shall not exceed fifty-five (55) decibels;
- c. In all cases, animals shall be confined in an enclosed building from 10:00 p.m. to 6:00 a.m.
- d. In areas where such uses may be in proximity to other uses involving intensive activity such as shopping centers or other urban density locations, special attention is required to protect the public health and welfare. To these ends the commission and board may require among other things:
 - Separate building entrance and exit to avoid animal conflicts;
 - Area for outside exercise to be exclusive from access by the public by fencing or other means.

...

5.1.20 SALE OR STORAGE OF PETROLEUM PRODUCTS INCLUDING KEROSENE, GASOLINE, AND HEATING OIL

The sale or storage of petroleum products, including kerosene, gasoline, and heating oil, in excess of six hundred (600) gallons shall be subject to the following:

- a. The sale or storage of the petroleum products shall satisfy the requirements established by the fire prevention code of the National Board of Fire Underwriters and the latest edition of the "Flammable and Combustible Liquids Code, NEPA 30" of the Nation Fire Prevention Association.
- b. No storage tanks and loading facilities shall be located closer than one hundred (100) feet from any lot line. Notwithstanding the foregoing, underground storage tanks and loading facilities on sites served by the public water supply shall not be subject to the one hundred (100) foot lot line setback.

...

5.1.27 TEMPORARY EVENTS SPONSORED BY LOCAL NONPROFIT ORGANIZATIONS

This provision is intended to regulate for purposes of public health, safety and welfare, major events such as agricultural expositions, concerts, craft fairs, and similar activities which generally: attract large numbers of patrons; may be disruptive of the area; and occasion the need for planning in regard to traffic control, emergency vehicular access, health concerns and the like. The provision is not intended to regulate such minor events as religious assembly use bazaars, yard sales, bake sales, car washes, picnics and the like which generally are not disruptive of the area and require only minimal logistical planning; nor is it intended to permit permanent amusement facilities. Each such event shall be sponsored by one or more not-for-profit organizations operating primarily in the county and/or the city of Charlottesville.

...

5.1.62 TEMPORARY FAMILY HEALTH CARE STRUCTURES

Each temporary family health care structure shall be subject to the following:

- a. Temporary family health care structures shall be a permitted accessory use in any single family residential district on lots zoned for single family detached dwellings if the structure (i) is used by

a caregiver in providing care for a mentally or physically impaired person; and (ii) is on property owned or occupied by the caregiver as his residence. For purposes of this section, "caregiver" and "mentally or physically impaired person" shall have the same meaning as defined in Virginia Code § 15.2-2292.1.

- b. Any person proposing to install the structure shall first obtain a zoning clearance.
- c. The structure must meet the following requirements:
 - 1. Only one (1) such structure shall be allowed on a lot. The structure shall comply with all setback requirements that apply to the primary structure.
 - 2. The applicant must provide evidence of compliance with this section to the county one year after the date of installation, and every year thereafter, as long as the structure remains on the property. Evidence of compliance shall include inspections by the county of the structure at reasonable times.
 - 3. The applicant must comply with all applicable Virginia Department of Health requirements.
 - 4. No signage advertising or otherwise promoting the existence of the structure shall be permitted anywhere on the property.
 - 5. The structure shall be removed within thirty (30) days after the mentally or physically impaired person is no longer receiving, or is no longer in need of, the assistance provided for in this section.
 - 6. The zoning administrator may revoke any zoning clearance granted hereunder if the permit holder violates any provision of this section, in addition to any other remedies that the county may seek against the permit holder, including injunctive relief or other appropriate legal proceedings to ensure compliance.

...

5.8 TEMPORARY INDUSTRIALIZED BUILDING

A temporary industrialized building may be authorized by the zoning administrator provided the industrialized building is necessitated to provide additional space for employees, students or other people and is to be an activity area as opposed to being employed for storage purposes or equipment which could be accommodated in an accessory structure. Such industrialized building shall be located on the same site as the main established use for which additional space is needed. In the event of the expansion of the main permanent structure, the industrialized building shall be removed within thirty (30) days of issuance of a certificate of occupancy for the permanent structure. Temporary industrialized building permits shall be subject to the following conditions: (Amended 12-5-90)

- a. Administrative approval of site development plan after submittal to site review committee; (Amended 12-5-90)
- b. Albemarle County building official approval;
- c. The applicant and/or owner of the property shall certify as to the intent for locating the industrialized building at the time of application;
- d. Skirting to be provided from ground level to base of industrialized building within thirty (30) days of the issuance of a certificate of occupancy.

30.3.15 CONSTRUCTION STANDARDS

The following standards shall apply to any structure authorized under section 30.3.11 within the flood hazard overlay district, and its special flood hazard area zones:

...

- G. *Accessory Structures.* Accessory structures in the floodplain shall comply with the non-residential structure requirements in section 30.3.15 or, if not elevated or dry flood-proofed, shall:
1. Not be used for human habitation;
 2. Be limited to no more than 200 square feet in total floor area;
 3. Be constructed with flood damage-resistant materials below the base flood elevation;
 4. Be constructed and placed to offer the minimum resistance to the flow of floodwaters;
 5. Be anchored to prevent flotation;
 6. Have electrical service and mechanical equipment elevated to or above the base flood elevation;
 7. Shall be provided with flood openings which shall meet the following criteria:

- a. There shall be a minimum of two flood openings on different sides of each enclosed area; if a building has more than one enclosure below the lowest floor, each such enclosure shall have flood openings on exterior walls.
- b. The total net area of all flood openings shall be at least one (1) square inch for each square foot of enclosed area (non-engineered flood openings), or the flood openings shall be engineered flood openings that are designed and certified by a licensed professional engineer to automatically allow entry and exit of floodwaters; the certification requirement may be satisfied by an individual certification or an Evaluation Report issued by the ICC Evaluation Service, Inc.
- c. The bottom of each flood opening shall be one (1) foot or less above the higher of the interior floor or grade, or the exterior grade, immediately below the opening.
- d. Any louvers, screens or other covers for the flood openings shall allow the automatic flow of floodwaters into and out of the enclosed area.
