Waiver to Administer a Split Precinct Request

Use this form to submit a request to administer an already existing split precinct.

Pursuant to Virginia Code § [24.2-307](#), split precincts must be eliminated by the 2021 November Election, unless a waiver is granted. A locality may only administer a split precinct for elections held in the year the waiver is granted (i.e. you must request a new waiver each year).

The governing body must approve to apply for a waiver to administer a split precinct. **The governing body's meeting minutes or resolution must be submitted with this request.**
