  - a. location of buildings and structures
  - b. location of parking areas
  - c. Limits of disturbance
  - d. Landscape screening
  - e. Right-of-Way reservation area for Route 250 improvements
  - f. Proposed new Greenway Easement for County trails, parking, and other amenities for the Rivanna River greenway and Milton Boat launch

Minor modifications to the Conceptual Plan that do not conflict with these major elements may be made to ensure compliance with the Zoning Ordinance.

3. The number of restaurant seats must not exceed 100.
4. Attendance at special events at Clifton Inn must not exceed 75 persons.
5. Attendance at special events at Collina Farm must not exceed 200 persons, provided that special events of up to 300 persons are permitted up to 12 times per year.

7. No final site plan may be approved unless and until a plan prepared by a professional archaeologist (for the identification, protection, preservation and mitigation of archaeological resources and on-site cemeteries areas of disturbance) has been reviewed and approved by the Virginia Department of Historic Resources. The plan must account for the possibility of archaeological testing in sequential phases depending on the results of previous phases of study.
8. Sound generated by outdoor amplified music will be subject to the same standards as are applicable to agricultural operations under *County Code* § 18-5.1.58(g).
