SP202200004 Dominion Hollymead Expansion
Special Use Permit Condition

1. Development of the use must be in general accord (as determined by the Director of Community Development and the Zoning Administrator) with the conceptual plan entitled "Preliminary Site and Grading Plan Hollymeade [*sic*] Substation Expansion," prepared by Dominion Energy. To be in general accord with the plan, development must reflect:
 - a. Location of the substation and related infrastructure
 - b. Limits of disturbance and wooded areas to remain

Minor modifications to the plan that do not conflict with those essential elements may be made to ensure compliance with the Zoning Ordinance.
