(5) *Family member.* The term “family member” means a great grandparent or any natural or legally defined descendant of a great grandparent of an owner, or any spouse of a great grandparent or of any natural or legally defined descendant of a great grandparent of an owner.

Sec. A.1-108. Ranking criteria.

In order to effectuate the purposes of the ACE program, parcels for which conservation easement applications have been received shall be ranked according to the criteria and the point values assigned as provided below. Points shall be prorated and rounded to the first decimal.

A. *Open-space resources.*

1. The parcel adjoins an existing permanent conservation easement, a national, state or local park, or other permanently protected open-space: two (2) points, with one (1) additional point for every five hundred (500) feet of shared boundary; or the parcel is within one-quarter (1/4) mile of, but not adjoining, an existing permanent conservation easement, a national, state or local park, or other permanently protected open-space: two (2) points.

2. Size of the parcel: zero (0) points for parcels of less than fifty (50) acres; one (1) point for parcels of at least fifty (50) acres; one (1) additional point for each fifty (50) acres over fifty (50) acres; one (1) additional point for each fifty (50) acres over two hundred (200) acres.

B. *Threat of conversion to developed use.*

1. The parcel is threatened with forced sale or other hardship: three (3) points.

2. The number of division rights to be eliminated on the parcel: one-half (1/2) point for each division right to be eliminated, which shall be determined by subtracting the number of retained division rights from the number of division rights.

C. *Natural, cultural and scenic resources.*

1. Mountain protection: one (1) point for each fifty (50) acres in the mountain overlay district, as delineated in the Comprehensive Plan; an additional one (1) point may be awarded for each twenty (20) acres within a ridge area boundary. For purposes of this section, the term “ridge area boundary” means the area that lies within one hundred (100) feet below designated ridgelines shown on county mountain overlay district elevation maps. The deed restriction set forth in section A.1-109(B)(1) shall apply if the parcel is eligible for points under this criterion.

2. Working family farm, including forestry: five (5) points if at least one family member’s principal occupation and income (more than half) is farming or foresting the parcel; three (3) points if at least one family member has as a secondary occupation farming or foresting the parcel so that it is eligible for or subject to land use taxation as land devoted to agriculture, horticulture or forest use under

Albemarle County Code § 15-800 *et seq.*; one (1) additional point if the parcel is certified as a Virginia Century Farm by the Virginia Department of Agriculture and Consumer Services.

3. The parcel adjoins a road designated either as a Virginia scenic highway or byway, or as an entrance corridor under section 30.6.2 of Chapter 18 of the Albemarle County Code: two (2) points, with one (1) additional point for each six hundred (600) feet of road frontage if the parcel is subject to a deed restriction as provided herein; otherwise, one (1) point for each one thousand (1000) feet of road frontage; the parcel adjoins a public road: two (2) points, with one (1) additional point for each one thousand (1000) feet of road frontage; or, the parcel is substantially visible from, but is not contiguous to, a public road designated either as a Virginia scenic highway or byway, or as an entrance corridor under section 30.6.2 of Chapter 18 of the Albemarle County Code: two (2) points. The deed restriction set forth in section A.1-109(B)(2) shall apply if the parcel is eligible for points for adjoining a Virginia scenic highway or byway.

A. *Restriction on division.* The parcel shall be restricted from division as follows: (i) if the parcel is less than one hundred (100) acres, it shall not be divided; (ii) if the parcel is one hundred (100) acres or larger but less than two hundred (200) acres, it may be divided into two (2) lots; (iii) if the parcel is two hundred (200) acres or larger, it may be divided into as many lots so as to maintain an average lot size of at least one hundred (100) acres, plus one additional lot for any acres remaining above the required minimum average lot size (*e.g.*, an eight hundred fifty (850) acre parcel may be divided into as many as nine (9) parcels, eight (8) of which maintain an average lot size of at least one hundred (100) acres, and the ninth of which consists of the remaining acres).

B. *Protection of mountain, scenic and historic resources.* The deed of easement shall include the following restrictions if the owner is eligible for points under section A.1-108 for the resources identified therein:

1. *Mountain resources.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(1) for mountain protection, the deed of easement shall prohibit establishing all primary and accessory structures and other improvements, provided that one or more farm buildings or agricultural structures may be permitted within the mountain overlay district with the prior written approval from each grantee; the deed of easement also shall assure that the parcel is used and maintained in a manner consistent with the Comprehensive Plan as it pertains to mountain resources and, in particular, the Mountain Design Standards in the Natural Resources and Cultural Assets Component of the Comprehensive Plan.

2. *Scenic highways and byways.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(3) for adjoining a Virginia scenic highway or byway, the deed of easement shall require that each new dwelling (a) have a two hundred fifty (250) foot setback from the edge of the right-of-way of the scenic highway or byway or (b) if within two hundred fifty (250) feet of the edge of the right-of-way of the scenic highway or byway, be sited in a location approved by each grantee prior

to issuance of a building permit to assure that the dwelling is not visible from the scenic highway or byway at any time of the year.

3. *Stream Buffers.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(7) for being located within a watershed named therein or adjoining a stream named therein, the deed of easement shall require a stream buffer along any perennial stream, as that term is defined in Chapter 17 of the Albemarle County Code.

5. *Historic resources.* If the parcel is eligible for points in the evaluation process under section A.1-108(C)(4) for sites of archaeological or architectural significance, the deed of easement shall require that no such site shall be razed, demolished or moved until the razing, demolition or moving thereof is approved by each Grantee.

6. *Voluntary Stream Buffers.* If the owner voluntarily requested in his application that the parcel be awarded points in the evaluation process under section A.1-108(C)(9) for a voluntary stream buffer, the deed of easement shall require a stream buffer along any perennial or intermittent streams, as those terms are defined in Chapter 17 of the Albemarle County Code.

C. *No buy-back option.* The owner shall not have the option to reacquire any property rights relinquished under the conservation easement.

D. *Other restrictions.* The parcel also shall be subject to standard restrictions contained in conservation easements pertaining to uses and activities allowed on the parcel. These standard restrictions shall be delineated in the deed of easement and shall include, but not necessarily be limited to, restrictions pertaining to: (i) the accumulation of trash and junk; (ii) the display of billboards, signs and advertisements; (iii) the management of forest resources; (iv) grading, blasting or earth removal; (v) the number and size of primary and secondary dwellings, non-residential outbuildings and farm buildings or structures; (vi) the conduct of industrial or commercial activities on the parcel; and (vii) monitoring of the easement.
