Qualifications Summary

- Passionate leader with a wide range of sustainability experience
- Senior Manager at a unique environmental sustainability non-profit
- Speaker and educator working with diverse audiences and stakeholders

Professional Experience

2007-present. Green Blue Institute, Charlottesville, VA.

Programs center on Sustainable Materials Management (SMM) for packaging, forest products, and chemicals. **Senior Manager** primarily for the Sustainable Packaging Coalition (SPC), an industry working group dedicated to packaging sustainability solutions.

- Acted as co-Interim Director during a transition, with responsibility for budget, strategic planning, project development, and staff management.
- Primary speaker for a variety of subjects including the Circular Economy and SMM.
- Worked internally to operationalize strategies related to development and communications.
- Developed the Essentials of Sustainable Packaging curriculum, taught to over 500 sustainability and packaging professionals. Currently the Lead Instructor and Manager.
- Launched the How2Recycle Label (how2recycle.info), a labeling system to provide consistent and transparent instruction to consumers regarding packaging recyclability.
- Developing a collaborative recycling group with the U.S. Environmental Protection Agency and the U.S. Composting Council.
- Local efforts include implementing a composting drop-off at Charlottesville City Market.

2002-2007. Rivanna Water and Sewer / Solid Waste Authority, Charlottesville, VA.

Environmental and Safety Manager. Developed the Authority's environmental program, to include a focus on partnerships, public process, training and education, and watershed planning. Focused on internal collaboration and inter-governmental partnerships, to include: the founding of StreamWatch - the Rivanna Watershed's local stream monitoring organization and forming the Rivanna Regional Stormwater Educational Partnership.

1997 - 2002. The Environmental Company, Inc., Charlottesville and Arlington, VA.

Project Manager/ Environmental Scientist. Projects included environmental reviews for the U.S. Department of Energy; Environmental Compliance Assessments and training at U.S. Army installations in Germany and Hungary; and the Greening the Government Initiative, U.S. Immigration and Naturalization Service.

1995 - 1996. Pennsylvania Department of Conservation and Natural Resources, Gifford Pinchot State Park, Lewisberry, PA. Environmental Interpretive Technician/Naturalist.

Developed the park's environmental program, to include education.

1992 - 1994. The Environmental Company, Inc., Charlottesville, VA.

Environmental Scientist/Administrative Assistant. Field work; Report development; Database management.

1991 - 1992. W. Alton Jones Foundation, Charlottesville, VA.

Researcher (Intern) and Assistant to the Director. Research in energy, biodiversity, wetlands, forests, air and water quality, solid waste, and land and resource management.

Education and Training

Master of Urban and Environmental Planning, University of Virginia, 2008

Focus on Sustainable Food Systems. Planner for the first Virginia Food Security Summit, May 2007. Author of the first *Buy Fresh, Buy Local* Guide, a project funded by a research grant. Teaching Assistant (two years) for Tim Beatley and Tanya Denckla Cobb's Community Food Systems Planning class.

Virginia Natural Resources Leadership Institute (VNRLI) Fellow, 2003

University of Virginia, Institute for Environmental Negotiation. Served for three years as Secretary for the VNRLI alumni group.

VNRLI Mission: To develop leaders in the Commonwealth who can help groups involved in contentious natural resources issues move beyond conflict toward consensus building and collaborative problem solving.

M.S. Marine-Estuarine-Environmental Science, Ecology Specialization

University of Maryland Eastern Shore, 1998

Thesis: *Introduction of a Piscivorous Fish in Lake Apoyo, Nicaragua*

B.A. Environmental Science, University of Virginia, May 1992

Additional Experience, Interests, and Public Service

Albemarle County Long-Range Solid Waste Advisory Committee. 2015. Advising the County on Sustainable Materials Management.

Albemarle County Natural Heritage Committee. 2007- 2015. Advisory committee to the Board of Supervisors on biodiversity and natural resource-related matters.

Maggie's Organics and T.S. Designs. 2002-2006. Local representative promoting organic, fair trade and non-toxic printed garments made of ecologically conscious materials.

Sustainable Agriculture and Food Systems.

- Manage 5 acre homestead including reverting lawn to meadow/forest, organic gardening, chicken keeping, and removing invasive species (2001-present).
- Author of articles for *Flavor* magazine (2012).
- Founding member of Charlottesville's EAT Local group (2005).
- Member of Virginia Food Policy Council Task Force (2007-2009).

Sustainability and Volunteer Manager for Events.

- Artist involvement, education, planning, volunteer management, recycling and composting for FloydFest (2009-present), the Festy Experience (2010-present), Bear Creek Music Festival (2010-2011), Wannee Festival (2010-present), and Suwannee Springfest (2010-2012).
- Recycling, composting, and volunteer manager for Farm Aid annual benefit concerts (2008-present).
- Assistant Greening Manager, Rothbury Music Festivals (2008-2009)
- Jam Cruise Volunteer Manager and Positive Legacy team member (2009-2012).
- Speaker at the Student Climate & Conservation Congress (SC3, 2011-2014).

Memberships: Solid Waste & Recycling Director, City of Norwalk, CT 1990-00
SVP Governmental Affairs, TOMRA (Recycling), 2000-Present
Board Member, GreenBlue (Charlottesville, VA)

Glass Packaging Institute (Alexandria, VA)

Interests:

Active volunteer history in Connecticut where we lived previously. Looking to do the same in our new home as we get settled. Served in a similar capacity in my former hometown: Greenwich, CT Conservation Commission and Special Commission on Hunting and Safety.

Reason to Serve:

Solid waste/recycling is my chosen field of work for past 25 years. 10-years as the solid waste director(policy/operations), then head of Governmental Affairs for an international recycling company. Hope there is value to the community through my sharing of experiences, best practices and network.
