Attachment to Application for Valerie W. Long to Crozet Community Advisory Committee:

Reason(s) for Wishing to Serve on this Board/ Commission/ Committee:

I have attended several meetings of the CCAC over the years, both as a resident of Crozet, and as a representative of applicants for various land use projects. Now that most of my current projects in Crozet are completed, I would like to become more involved with the committee and help with the important tasks of the community. I hope that my experiences as a land use and real estate lawyer, a fairly new resident to Crozet (for nearly five years, after living in the Jack Jouett District for four years from 1995-1999) and a resident of the designated development area, would help the mission of the group and be a way for me to serve my community more directly, and ensure that it continues to be a wonderful place to live.
