Sec. 5.1.62 Temporary Family Health Care Structures

CHAPTER 18. ZONING

ARTICLE I. GENERAL PROVISIONS

3.1 DEFINITIONS

. . .

Cemetery: Any land or structure used or intended to be used for the interment of human remains, either by earth – burial, entombment in a mausoleum, inurnment in a columbarium, or a combination thereof. The sprinkling of ashes or their burial in a biodegradable container on ehurch religious assembly use grounds, or their placement in a columbarium on ehurch religious assembly use property, is not a cemetery.

. . .

Group home: A group home or other residential facility licensed by the Virginia Department of Mental Health, Mental Retardation and Substance Abuse Services in which more than eight (8) mentally ill, mentally retarded or developmentally disabled persons reside with one or more resident counselors or other staff persons. For purposes of this definition, the current illegal use of or addiction to a controlled substance as defined in Virginia Code § 54.1–3401 is neither a mental illness nor a developmental disability. A single family dwelling having eight (8) or less mentally ill, mentally retarded or developmentally disabled persons is a single family residential use. The use identified in this chapter as "home for developmentally disabled persons" is a group home. A residential facility in which no more than eight individuals with mental illness, intellectual disability, or developmental disabilities reside with one or more resident or nonresident staff persons and which is licensed by the Virginia Department of Behavioral Health and Developmental Services or other licensing authority. For purposes of this definition "mental illness or developmental disability" shall not include current illegal use of or addiction to a controlled substance as defined in Virginia Code § 54.1-3401.

. . .

Home for developmentally disabled persons: See Group home.

. . .

Industrialized building: A combination of one or more sections or modules, subject to state regulation, and including the necessary electrical, plumbing, heating, ventilating and other service systems, manufactured off-site and transported to the point of use for installation or erection, with or without other specified components, to comprise a finished building. For purposes of this definition, a manufactured home is not an industrialized building. The structure and use identified in this chapter as "temporary nonresidential mobile home" is an industrialized building.

. . .

Religious Assembly Use: A building or space primarily used for an assembly of persons to conduct worship or

other religious ceremonies, including, but not limited to, churches, synagogues, temples, mosques or shrines.

. . .

Temporary family health care structure: A transportable residential structure providing an environment facilitating a caregiver's provisions of care for a mentally or physically impaired person that (i) is primarily assembled at a location other than its site of installation; (ii) is limited to one (1) occupant who shall be the mentally or physically impaired person or, in the case of a married couple, two occupants, one of whom is a mentally or physically impaired person, and the other requires assistance with one or more activities of daily living as defined in Virginia Code § 63.2-2200, as certified in writing by a physician licensed in the Commonwealth; (iii) has no more than three hundred (300) gross square feet in area; (iv) complies with the applicable provisions of the Industrialized Building Safety Law and the Uniform Statewide Building Code, as amended; and (v) is not placed on a permanent foundation.

. . .

ARTICLE II. BASIC REGULATIONS SECTION 4. GENERAL REGULATIONS

. . .

4.12.6 MINIMUM NUMBER OF REQUIRED PARKING SPACES FOR SCHEDULED USES

. . .

Church Religious Assembly Use: In the development areas identified in the comprehensive plan, if the area of assembly seats more than one hundred persons, one (1) space per three (3) fixed seats or per seventy-five (75) square feet of area of assembly, whichever shall be greater; if the area of assembly seats one hundred persons or fewer, one (1) space per four (4) fixed seats or per seventy-five (75) square feet of area of assembly, whichever shall be greater. In the rural areas identified in the comprehensive plan, the number of proposed spaces shall be shown in a parking study submitted by the church religious assembly use; the number of required spaces shall be determined by the zoning administrator, who shall consider the recommendations in the parking study, traffic generation figures either known to the industry or estimated by the Institute of Transportation Engineers, peak parking demands, and other relevant information. Nothing herein requires the parking study to be prepared by a transportation engineer.

. . .

Rest home, $n\underline{N}$ ursing home, convalescent home: One (1) space per four (4) beds. (See also Multi-family dwellings for the elderly.)

. . .

. . .

5.1.11 COMMERCIAL KENNEL, VETERINARY SERVICE, OFFICE OR HOSPITAL, ANIMAL HOSPITAL, ANIMAL SHELTER

Each commercial kennel, veterinary and animal hospital shall be subject to the following: Each commercial kennel, veterinary service, office or hospital, animal hospital and animal shelter shall be subject to the following:

a. Except where animals are confined in soundproofed, air-conditioned buildings, no structure or area occupied by animals shall be closer than five hundred (500) feet to any agricultural or residential lot line. For non-soundproofed animal confinements, an external solid fence not less than six (6) feet in height shall be located within fifty (50) feet of the animal confinement and shall be composed of concrete block, brick, or other material approved by the zoning administrator:

- b. For soundproofed confinements, no such structure shall be located closer than two hundred (200) feet to any agricultural or residential lot line. For soundproofed <u>and nonsoundproofed</u> confinements, noise measured at the nearest agricultural or residential property line shall not exceed fifty-five (55) decibels;
- c. In all cases, animals shall be confined in an enclosed building from 10:00 p.m. to 6:00 a.m.
- d. In areas where such uses may be in proximity to other uses involving intensive activity such as shopping centers or other urban density locations, special attention is required to protect the public health and welfare. To these ends the commission and board may require among other things:

 -Separate building entrance and exit to avoid animal conflicts;
 - -Area for outside exercise to be exclusive from access by the public by fencing or other means.

. . .

5.1.20 SALE OR STORAGE OF PETROLEUM PRODUCTS INCLUDING KEROSENE, GASOLINE, AND HEATING OIL

The sale or storage of petroleum products, including kerosene, gasoline, and heating oil, in excess of six hundred (600) gallons shall be subject to the following:

- a. The sale or storage of the petroleum products shall satisfy the requirements established by the fire prevention code of the National Board of Fire Underwriters and the latest edition of the "Flammable and Combustible Liquids Code, NEPA 30" of the Nation Fire Prevention Association.
- b. No storage tanks and loading facilities shall be located closer than one hundred (100) feet from any lot line. Notwithstanding the foregoing, underground storage tanks and loading facilities on sites served by the public water supply shall not be subject to the one hundred (100) foot lot line setback.

. .

5.1.27 TEMPORARY EVENTS SPONSORED BY LOCAL NONPROFIT ORGANIZATIONS

This provision is intended to regulate for purposes of public health, safety and welfare, major events such as agricultural expositions, concerts, craft fairs, and similar activities which generally: attract large numbers of patrons; may be disruptive of the area; and occasion the need for planning in regard to traffic control, emergency vehicular access, health concerns and the like. The provision is not intended to regulate such minor events as ehurch religious assembly use bazaars, yard sales, bake sales, car washes, picnics and the like which generally are not disruptive of the area and require only minimal logistical planning; nor is it intended to permit permanent amusement facilities. Each such event shall be sponsored by one or more not-for-profit organizations operating primarily in the county and/or the city of Charlottesville.

. . .

5.1.62 TEMPORARY FAMILY HEALTH CARE STRUCTURES

Each temporary family health care structure shall be subject to the following:

- a. Temporary family health care structures shall be a permitted accessory use in any single family residential zoning district on lots zoned for single family detached dwellings if such structure (i) is used by a caregiver in providing care for a mentally or physically impaired person; and (ii) is on property owned or occupied by the caregiver as his residence. For purposes of this section, "caregiver" and "mentally or physically impaired person" shall have the same meaning as defined in Virginia Code § 15.2-2292.1.
- b. Any person proposing to install such structure shall first obtain a zoning clearance.

- <u>c.</u> <u>Temporary family health care structures must meet the following requirements:</u>
 - 1. Only one (1) such structure shall be allowed on a lot. The structure shall comply with all setback requirements that apply to the primary structure.
 - 2. The applicant must provide evidence of compliance with this section to the county one year from the date of installation, and every year thereafter, as long as such structure remains on the property. Such evidence shall also involve inspection by the county of such structure at reasonable times.
 - 3. The applicant must comply with all applicable Virginia Department of Health requirements.
 - 4. No signage advertising or otherwise promoting the existence of the structure shall be permitted anywhere on the property.
 - 5. Such structure shall be removed within thirty (30) days of the time from which the mentally or physically impaired person is no longer receiving, or is no longer in need of, the assistance provided for in this section.
 - 6. The zoning administrator may revoke any zoning clearance granted hereunder if the permit holder violates any provision of this section, in addition to any other remedies that the county may seek against the permit holder, including injunctive relief or other appropriate legal proceedings to ensure compliance.

. . .

5.8 TEMPORARY NONRESIDENTIAL MOBILE HOMES INDUSTRIALIZED BUILDING

A temporary nonresidential mobile home industrialized building may be authorized by the zoning administrator provided the mobile home industrialized building is necessitated to provide additional space for employees, students or other people and is to be an activity area as opposed to being employed for storage purposes or equipment which could be accommodated in an accessory structure. Such mobile home industrialized building shall be located on the same site as the main established use for which additional space is needed. In the event of the expansion of the main permanent structure, the mobile home industrialized building shall be removed within thirty (30) days of issuance of a certificate of occupancy for the permanent structure. Temporary nonresidential mobile home industrialized building permits shall be subject to the following conditions: (Amended 12-5-90)

- a. Administrative approval of site development plan after submittal to site review committee; (Amended 12-5-90)
- b. Albemarle County building official approval;
- c. The applicant and/or owner of the property shall certify as to the intent for locating the mobile home industrialized building at the time of application;

30.3.15 CONSTRUCTION STANDARDS

. . .

- <u>G.</u> <u>Accessory Structures.</u> Accessory structures in the floodplain shall comply with the non-residential structure requirements in Section 30.3.15 or, if not elevated or dry flood-proofed, shall:
 - 1. Not be used for human habitation;
 - 2. Be limited to no more than 200 square feet in total floor area;
 - 3. Be constructed with flood damage-resistant materials below the base flood elevation;
 - <u>4.</u> <u>Be constructed and placed to offer the minimum resistance to the flow of floodwaters;</u>
 - <u>5.</u> Be anchored to prevent flotation;
 - 6. Have electrical service and mechanical equipment elevated to or above the base flood elevation;
 - 7. Shall be provided with flood openings which shall meet the following criteria:
 - a. There shall be a minimum of two flood openings on different sides of each enclosed area; if a building has more than one enclosure below the lowest floor, each such enclosure shall have flood openings on exterior walls.
 - b. The total net area of all flood openings shall be at least 1 square inch for each square foot of enclosed area (non-engineered flood openings), or the flood openings shall be engineered flood openings that are designed and certified by a licensed professional engineer to automatically allow entry and exit of floodwaters; the certification requirement may be satisfied by an individual certification or an Evaluation Report issued by the ICC Evaluation Service, Inc.
 - <u>c.</u> The bottom of each flood opening shall be 1 foot or less above the higher of the interior floor or grade, or the exterior grade, immediately below the opening.
 - <u>d.</u> <u>Any louvers, screens or other covers for the flood openings shall allow the automatic flow of floodwaters into and out of the enclosed area.</u>

30.3.17 VARIANCES

. . .

D. Factors to be considered. In considering a variance application under this section, the board of zoning appeals shall consider the following factors in addition to those in section 34.2:

. . .

13. Accessory structures. Accessory structures within the floodplain that are greater than two hundred (200) square feet but not greater than six hundred (600) square feet and do not meet all of the requirements for non-residential structures in Section 30.3.15 must secure a variance before a permit is issued. The structure must comply with the accessory structure criteria in Section 30.3.15. No variance shall be granted for an accessory structure exceeding six hundred (600) square feet.

ARTICLE IV. PROCEDURE SECTION 32. SITE PLAN

٠.

32.6.2 CONTENTS OF A FINAL SITE PLAN

Each final site plan shall contain the following information:

. .

1. *Recreational facilities*. Specifications for recreational facilities <u>that comply with sections 4.16- 4.16.3.</u>

. . .

SECTION 35. FEES

. . .

35.5 PRE-EXISTING USE FEE WAIVER

If an applicant applies for a zoning text amendment or special use permit, the applicable fee shall be waived provided that the zoning administrator finds the following conditions are met:

- <u>a.</u> The use applied for does not conform to the zoning prescribed for the district in which such use is situated;
- b. A business license was issued by the County for the applied-for use; and
- <u>c.</u> The holder of the business license has operated continuously in the same location for at least fifteen (15) years and has paid all real estate, business license, and personal property taxes related to such use.
