\$ 5,000.00

This request is to appropriate \$5,000.00 from a contribution previously provided to the Piedmont Council of the Arts. Piedmont Council of the Arts closed its doors in August 2017 and returned its County's \$5,000 FY 18 contribution. These funds will instead be contributed to the Rivanna Conservation Alliance in support of a collaborative September 30th inaugural river-focused arts event entitled "FLOW." This event is being held to enhance the community's access to and appreciation of the Rivanna River. There will be no net increase to the total County budget.
