1. Virginia Commission on Local Government: Fiscal Year 2016-2017 Cash Proffer Survey

Section [15.2-2303.2](#) of the *Code of Virginia* requires the Virginia Commission on Local Government to annually survey the acceptance and use of cash proffers by eligible localities. The objective of the survey is to assist the General Assembly in determining the amount of cash proffer revenues and expenditures of local governments and the purposes for which such expenditures were made during FY 2016-17. Accordingly, the Commission is asking the chief administrative officer or other appropriate official in each affected county, city, and town to provide essential information about their locality's acceptance and use of cash proffers.

Please respond to this online questionnaire by September 30, 2017. Please ensure that only one response is generated for your locality; duplicate responses will require additional staff resources to determine which response is correct.

Information about the survey is also available on the Department of Housing and Community Development's [website](#). The data that you furnish is essential for the preparation of a report that the Commission is required to submit to the General Assembly by November 30, 2017.

If you have any questions concerning these matters, please contact Kristen Dahlman at (804) 371-7017 or Kristen.Dahlman@dhcd.virginia.gov. Thank you for your cooperation.
