Dear Board of Supervisors,

I am writing to express my interest in serving on the 5th & Avon Street Community Advisory Committee. As a resident of the 5th & Avon community who lives in this region I have a vested interest in serving on this committee. There are numerous reasons, but the overarching rationale is that I want to work to help keep the 5th & Avon Street area a great place to live, work, and raise a family.

First, as the father of 3 young children I want this area to support their health and happiness. This includes promoting safe routes to school, opportunities for recreation and connection with nature, strong schools, and a sense of community and connection among the diverse residents of our region.

Second, as a physician I am interested in the health of our community. As we see tremendous growth in this region, it is important to preserve access to outdoor recreation, invest in infrastructure, and support walkable and bikeable routes to shopping, work, and school.

Finally, I have lived the past 10 years in Mill Creek South off of Avon Street, but just this summer our family moved to our new home in Oak Hill, off of 5th Street. As a result, I feel I have a good understanding of the challenges, potential, and advantages of a wide swath of the 5th & Avon St region.

In summary, I want to work to help keep the 5th & Avon Street area a great place to live, work, and raise a family. I would be honored to serve on the 5th & Avon Community Advisory Committee. Thank you for considering my application.

Sincerely,

A handwritten signature in black ink, appearing to read "Glen E. Michael", with a long horizontal flourish extending to the right.

Glen E. Michael, MD
