Joe Fore - Crozet Community Advisory Committee Application Supplement

I am excited by the prospect of serving on the Crozet Community Advisory Committee as a way to take a more active role in helping to shape the future of our wonderful and unique Crozet community.

Since moving to Crozet three years ago, I have looked for ways to become more involved in the Crozet area. I have served as an assistant coach with the Peachtree Baseball League, and I am the current president of the Highlands at Mechums River Owners Association, one of the largest HOAs in the Crozet area. And I have regularly attended meetings of the CCAC and the Downtown Crozet Initiative, where I have learned a tremendous amount about the past, present, and future of Crozet. I also regularly read the *Crozet Gazette* and *Cville Tomorrow* in an effort to learn more about Albemarle and Crozet-related issues.

As a newer and younger member of the Crozet community, I think that I would bring a valuable and fresh perspective to the Committee. My wife and I—both in our early 30s and with an infant son—chose Crozet for many reasons: the natural beauty, the community spirit, the schools, and the overall quality of life. I think that I would be able to represent the views of newer Crozet residents and those young families who will be looking to move to our community in the years ahead and help balance the need for development against the need to preserve our community's special character.

I also have distinct skills that would be helpful to the Committee. As a former practicing attorney, I am accustomed to reviewing statutes, contracts, and ordinances, so I would be able to quickly grasp even the most technical aspects of the Master Plan and other county laws. And, currently, I am a current professor at UVA's Law School focusing on writing and public speaking skills, so I would be able to help with drafting and revising resolutions, correspondence, and other documents—as well as helping to advocate persuasively for the needs of Crozet residents, on the CCAC, to the Board of Supervisors, and beyond.

Thank you for taking the time to review my application. If there is any more information I can provide, I am happy to do so.
