### BACKGROUND:

At its meeting on March 20, 2018, the Planning Commission voted 7:0 to recommend approval of SP201700019 with the conditions recommended by staff.

### DISCUSSION:

This special use permit request is for motor vehicle sales, display and storage in the Entrance Corridor Overlay district. The use is accessory to motor vehicle sales, which is by right in the Highway Commercial zone; the focus of the review is strictly on the visual impacts of the use on the Entrance Corridor. The request is consistent with the Comprehensive Plan and the Architectural Review Board has reviewed the request and has no objection, but recommends conditions of approval.

### RECOMMENDATIONS:

Staff recommends that the Board adopt the attached resolution to approve SP201700019 with conditions.
