~~———— (1) *Abandon*. The term "abandon" means to desert, forsake, or absolutely give up an animal without having secured another owner or custodian for the animal or by failing to provide the elements of basic care as set forth in Virginia Code § 3.2-6503 for a period of five (5) consecutive days.~~

~~———— (2) *Adequate care or care*. The term "adequate care" or "care" means the responsible practice of good animal husbandry, handling, production, management, confinement, feeding, watering, protection, shelter, transportation, treatment, and, when necessary, euthanasia, appropriate for the age, species, condition, size and type of the animal and the provision of veterinary care when needed to prevent suffering or impairment of health.~~

~~———— (3) *Adequate exercise*. The term "adequate exercise" or "exercise" means the opportunity for the animal to move sufficiently to maintain normal muscle tone and mass for the age, species, size, and condition of the animal.~~

~~———— (4) *Adequate feed*. The term "adequate feed" means access to and the provision of food which is of sufficient quantity and nutritive value to maintain each animal in good health; is accessible to each animal; is prepared so as to permit ease of consumption for the age, species, condition, size and type of~~

each animal; is provided in a clean and sanitary manner; is placed so as to minimize contamination by excrement and pests; and is provided at suitable intervals for the species, age, and condition of the animal, but at least once daily, except as prescribed by a veterinarian or as dictated by naturally occurring states of hibernation or fasting normal for the species.

———(5) *Adequate shelter.* The term "adequate shelter" means provision of and access to shelter that is suitable for the species, age, condition, size, and type of each animal; provides adequate space for each animal; is safe and protects each animal from injury, rain, sleet, snow, hail, direct sunlight, the adverse effects of heat or cold, physical suffering, and impairment of health; is properly lighted; is properly cleaned; enables each animal to be clean and dry, except when detrimental to the species; and, for dogs and cats, provides a solid surface, resting platform, pad, floormat, or similar device that is large enough for the animal to lie on in a normal manner and can be maintained in a sanitary manner. Under this chapter, shelters whose wire, grid, or slat floors (i) permit the animals' feet to pass through the openings, (ii) sag under the animals' weight, or (iii) otherwise do not protect the animals' feet or toes from injury are not adequate shelter. In addition, the following are also deemed to be inadequate shelters: (i) metal or plastic barrels, (ii) airline crates or carrying crates, (iii) dog houses with no floors.

When freedom of movement would endanger the animal, temporarily and appropriately restricting movement of the animal according to professionally accepted standards for the species is considered provision of adequate space. When an animal is on a pulley or running line, "adequate space" means a pulley or running line that permits the above actions and is appropriate to the age and size of the animal; is attached to the animal by a properly applied collar and is at least fifteen feet in length and less than seven feet above the ground and configured so as to protect the animal from injury, and prevent the line from becoming entangled with other objects or animals or resulting in strangulation or injury of the animal, and if multiple animals, each animal shall be on its own tether. **Comment: The highlighted text is not in the definition in Virginia Code § 3.2-6500.**

~~C. ——— Nothing in this section shall be construed to prohibit the dehorning of cattle conducted in a reasonable and customary manner.~~

If a dog or cat is attacked on its owner's property by a dog so as to cause injury or death, the owner of the injured dog or cat may use all reasonable and necessary force against the dog at the time of the attack to protect his dog or cat. Such owner may be presumed to have taken necessary and appropriate action to defend his dog or cat and shall therefore be presumed not to have violated this subsection. The provisions of this subsection shall not supersede section 4-106, 4-201, 4-218 or 4-219.~~

Comment: Subsection (F) is proposed to be removed from this chapter because the penalty for these acts under Virginia Code § 3.2-6570(F) is a felony, a punishment that is beyond the authority of a locality. This subsection will be enforced under State law, not under the County Code.

~~G.—— Any person convicted of violating this section may be prohibited by the court from possession or ownership of companion animals or equine.~~

4-201 Dogs killing, injuring or chasing livestock or poultry—Generally.

~~A. It shall be the duty of any animal control officer who may find a dog in the act of killing or injuring livestock or poultry to seize or kill such dog forthwith, whether such dog bears a tag or not. Any person finding a dog committing any of the depredations mentioned in this section shall have the right to kill such dog on sight, as shall any owner of livestock or his agent finding a dog chasing livestock on land utilized by the livestock when the circumstances show that such chasing is harmful to the livestock. Any court shall have the power to order the animal control officer or other officer to kill any dog known to be a confirmed livestock or poultry killer, and any dog killing poultry for the third time shall be considered a confirmed poultry killer. The court, through its contempt powers, may compel the owner, custodian, or harbinger of the dog to produce the dog.~~

~~B. Any animal control officer who has reason to believe that any dog is killing livestock or poultry shall be empowered to seize such dog solely for the purpose of examining such dog in order to determine whether it committed any of the depredations mentioned herein. Any animal control officer or other person who has reason to believe that any dog is killing livestock, or committing any of the depredations mentioned in this section, shall apply to a magistrate of the county, who shall issue a warrant requiring the owner or custodian, if known, to appear before the general district court at a time and place named therein, at which time evidence shall be heard. If it shall appear that the dog is a livestock killer, or~~

has committed any of the depredations mentioned in this section, the district court shall order that the dog be: (i) killed or euthanized immediately by the animal control officer or other officer designated by the court; (ii) or removed to another state that does not border the Commonwealth and prohibited from returning to the Commonwealth. Any dog ordered removed from the Commonwealth that is later found in the Commonwealth shall be disposed of pursuant to Virginia Code § 3.2-6552.

C.——Notwithstanding the provisions of subsection B, if it is determined that the dog has killed or injured only poultry, the district court may, instead of ordering killing, euthanasia, or removal to another state pursuant to this section, order either (a) that the dog be transferred to another owner whom the court deems appropriate and permanently fitted with an identifying microchip registered to that owner or (b) that the dog be fitted with an identifying microchip registered to the owner and confined indoors or in a securely enclosed and locked structure of sufficient height and design to prevent the dog's escape; direct contact with the dog by minors, adults, or other animals; or entry by minors, adults, or other animals. The structure shall be designed to provide the dog with shelter from the elements of nature. When off its owner's property, any dog found to be a poultry killer shall be kept on a leash and muzzled in such a manner as not to cause injury to the dog or interfere with its vision or respiration, but so as to prevent it from biting a person or another animal.

DIVISION 4. DANGEROUS AND VICIOUS DOGS

4-218 Dangerous dogs.

A. _____ As used in this section, “*dangerous dog*” means:

(1) _____ A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a companion animal that is a dog or cat, or killed a companion animal that is a dog or cat. When a dog attacks, bites, or inflicts injury on a companion animal that is a dog or cat, the attacking or biting dog shall not be deemed dangerous if, upon investigation, a law enforcement officer or animal control officer finds that:

- (a) no serious physical injury as determined by a licensed veterinarian has occurred to the dog or cat as a result of the attack or bite;
- (b) both animals are owned by the same person; or
- (c) such attack occurred on the property of the attacking or biting dog’s owner or custodian.

(2) _____ A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a person. A canine or canine crossbreed is not a dangerous dog if, upon investigation, a law enforcement officer or animal control officer finds that the injury inflicted by the canine or canine crossbreed upon a person consists solely of a single nip or bite resulting only in a scratch, abrasion, or other minor injury.

B. _____ No dog shall be found to be a dangerous dog as a result of biting, attacking, or inflicting injury on a dog or cat while engaged with an owner or custodian as part of lawful hunting or participating in an organized, lawful dog handling event. No dog shall be found to be a dangerous dog if the court

determines, based on the totality of the evidence before it, or for other good cause, that the dog is not dangerous or a threat to the community.

C. ~~Any law enforcement officer or animal control officer who has reason to believe that a canine or canine crossbreed within its jurisdiction is a dangerous dog may apply to a magistrate of the jurisdiction for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. If a law enforcement officer successfully makes an application for the issuance of a summons, he shall contact the local animal control officer and inform him of the location of the dog and the relevant facts pertaining to his belief that the dog is dangerous. The animal control officer shall confine the animal until such time as evidence shall be heard and a verdict rendered. If the animal control officer determines that the owner or custodian can confine the animal in a manner that protects the public safety, he may permit the owner or custodian to confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian or harbinger of the animal to produce the animal. If, after hearing the evidence, the court finds that the animal is a dangerous dog, the court shall order the animal's owner to comply with the provisions of this section. The court, upon finding the animal to be a dangerous or vicious dog, may order the owner, custodian, or harbinger thereof to pay restitution for actual damages to any person injured by the animal or whose companion animal was injured or killed by the animal. The court, in its discretion, may also order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous dog from the time the animal is taken into custody until such time as the animal is disposed of or returned to the owner. The procedure for appeal and trial shall be the same as provided by law for misdemeanors. Trial by jury shall be as provided in Virginia Code §§ 19.2-260 et seq. The Commonwealth shall be required to prove its case beyond a reasonable doubt.~~

D. ~~No canine or crossbreed shall be found to be a dangerous dog solely because it is a particular breed, nor is the ownership of a particular breed of canine or canine crossbreed prohibited.~~

E. ~~No animal shall be found to be a dangerous dog if the threat, injury or damage was sustained by a person who was: (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian; (ii) committing, at the time, a willful trespass upon the premises occupied by the animal's owner or custodian; or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog that was engaged in the performance of its duties as such at the time of the acts complained of shall be found to be a dangerous dog. No animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, shall be found to be a dangerous dog.~~

F. ~~If the owner of an animal found to be a dangerous dog is a minor, the custodial parent or legal guardian shall be responsible for complying with all requirements of this section.~~

~~G. The owner of any animal found to be a dangerous dog shall, within thirty (30) days of such finding, obtain a dangerous dog registration certificate from the county for a fee of one hundred and fifty dollars (\$150.00), in addition to other fees that may be authorized by law. The county shall also provide the owner with a uniformly designed tag that identifies the animal as a dangerous dog. The owner shall affix the tag to the animal's collar and ensure that the animal wears the collar and tag at all times. By January 31 of each year, until such time as the dangerous dog is deceased, all certificates obtained pursuant to this subsection shall be updated and renewed for a fee of eighty five dollars (\$85.00) and in the same manner as the initial certificate was obtained. The animal control officer shall post registration information on the Virginia Dangerous Dogs Registry.~~

H. ~~All dangerous dog registration certificates or renewals thereof required to be obtained under this section shall only be issued to persons eighteen (18) years of age or older who present satisfactory evidence of:~~

- ~~_____ (i) the animal's current rabies vaccination, if applicable;~~
- ~~_____ (ii) that the animal has been spayed or neutered; and~~
- ~~_____ (iii) that the animal is and will be confined in a proper enclosure or is and will be confined inside the owner's residence or is and will be muzzled and confined in the owner's fenced-in yard until the proper enclosure is constructed.~~

~~_____ In addition, owners who apply for certificates or renewals thereof under this section shall not be issued a certificate or renewal thereof unless they present satisfactory evidence that:~~

- ~~_____ (i) their residence is and will continue to be posted with clearly visible signs warning both minors and adults of the presence of a dangerous dog on the property; and~~
- ~~_____ (ii) the animal has been permanently identified by means of electronic implantation.~~

~~_____ All certificates or renewals thereof required to be obtained under this section shall only be issued to persons who present satisfactory evidence that the owner has liability insurance coverage, to the value of at least one hundred thousand dollars (\$100,000.00) that covers animal bites. The owner may obtain and maintain a bond in surety, in lieu of liability insurance, to the value of at least one hundred thousand dollars (\$100,000.00).~~

~~_____ I. While on the property of its owner, an animal found to be a dangerous dog shall be confined indoors or in a securely enclosed and locked structure of sufficient height and design to prevent its escape or direct contact with or entry by minors, adults, or other animals. While so confined within the structure, the animal shall be provided for according to section 4-105. When off its owner's property, an animal found to be a dangerous dog shall be kept on a leash and muzzled in such a manner as not to cause injury to the animal or interfere with the animal's vision or respiration, but so as to prevent it from biting a person or another animal.~~

~~_____ J. The owner of any dog found to be dangerous shall register the animal with the Commonwealth of Virginia Dangerous Dog Registry as established under Virginia Code § 3.2-6542, within forty-five (45) days of such a finding by any appropriate court. The owner shall also cause the local animal control officer to be promptly notified of: (i) the names, address, and telephone numbers of all owners; (ii) all the means necessary to locate the owner and the dog at any time; (iii) any complaints or incidents of attack by the dog upon any person or cat or dog; (iv) any claims made or lawsuits brought as a result of any attack; (v) chip identification; (vi) proof of insurance or surety bond; and (vii) the death of the dog.~~

K. ~~After an animal has been found to be a dangerous dog, the animal's owner shall immediately, upon learning of same, cause the local animal control authority to be notified if the animal: (i) is loose or unconfined; (ii) bites a person or attacks another animal; or (iii) is sold, is given away, or dies. Any owner of a dangerous dog who relocates to a new address shall, within ten (10) days of relocating, provide written notice to the appropriate local animal control authority for the old address from which the animal has been moved and the new address to which the animal has been moved.~~

L. ~~Any owner or custodian of a canine or canine crossbreed or other animal:~~

~~_____ 1) shall be guilty of a class 2 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and~~

distinct incident, attacks and injures or kills a cat or dog that is a companion animal belonging to another person; or

_____ 2) shall be guilty of a class 1 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and distinct incident, bites a human being or attacks a human being causing bodily injury; or

_____ 3) shall be subject to prosecution pursuant to Virginia Code § 3.2-6540 if the owner or custodian whose willful act or omission in the care, control, or containment of a canine, canine crossbreed, or other animals is so gross, wanton, and culpable as to show a reckless disregard for human life, and is the proximate cause of such dog or other animal attacking and causing serious bodily injury to any person. **Comment: Subsection (3) will be deleted from the proposed revised Chapter 4 because the penalty for the described acts is a class 6 felony. A locality may not make the penalty for a violation of its ordinances a felony. In other words, this violation would be prosecuted only under State law.**

_____ The provisions of this subsection shall not apply to any animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, or when the animal is a police dog that is engaged in the performance of its duties at the time of the attack.

M. _____ The owner of any animal that has been found to be a dangerous dog who willfully fails to comply with the requirements of this section shall be guilty of a class 1 misdemeanor.

Whenever an owner or custodian of an animal found to be a dangerous dog is charged with a violation of this section, the animal control officer shall confine the dangerous dog until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian, or harbinger of the animal to produce the animal.

_____ Upon conviction, the court may (i) order the dangerous dog to be disposed of by the county pursuant to Virginia Code § 3.2-6562 or (ii) grant the owner up to forty five (45) days to comply with the requirements of this section, during which time the dangerous dog shall remain in the custody of the animal control officer until compliance has been verified. If the owner fails to achieve compliance within the time specified by the court, the court shall order the dangerous dog to be disposed of by a local governing body pursuant to Virginia Code § 3.2-6562. The court, in its discretion, may order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous dog from the time the animal is taken into custody until such time that the animal is disposed of or returned to the owner.

N. _____ All fees collected pursuant to this section, less the costs incurred by the county in producing and distributing the certificates and tags required by this section and fees due to the State Veterinarian for maintenance of the Virginia Dangerous Dog Registry shall be paid into a special dedicated fund of the county for the purpose of paying the expenses of any training course required under Virginia Code § 3.2-6556.

4-219 Vicious dogs

~~A. As used in this section:~~

~~“Vicious dog” means a canine or canine crossbreed that has (i) killed a person, (ii) inflicted serious injury to a person, or (iii) continued to exhibit the behavior that resulted in a previous finding by a court, or, on or before July 1, 2006, by an animal control officer as authorized by ordinance that it is a dangerous dog, provided that its owner has been given notice of that finding.~~

~~B. Any law enforcement officer or animal control officer who has reason to believe that a canine or canine crossbreed within the county is a vicious dog shall apply to a magistrate serving the county for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. If a law enforcement officer successfully makes an application for the issuance of a summons, he shall contact the local animal control officer and inform him of the location of the dog and the relevant facts pertaining to his belief that the dog is vicious. The animal control officer shall confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian, or harbinger of the animal to produce the animal. If, after hearing the evidence, the court finds that the animal is a vicious dog, the court shall order the animal euthanized in accordance with the provisions of Virginia Code § 3.2-6562. The court, upon finding the animal to be a vicious dog, may order the owner, custodian, or harbinger thereof to pay restitution for actual damage to any person injured by the animal or to the estate of any person killed by the animal. The court, in its discretion, may also order the owner to pay all reasonable expenses incurred in caring and providing for such vicious dog from the time the animal is taken into custody until such time as the animal is disposed of. The procedure for appeal and trial shall be the same as provided by law for misdemeanors. Trial by jury shall be as provided in Virginia Code §§ 19.2-260 *et seq.* The county shall be required to prove its case beyond a reasonable doubt.~~

~~C. No canine or canine crossbreed shall be found to be a vicious dog solely because it is a particular breed, nor is the ownership of a particular breed of canine or canine crossbreed prohibited. No animal shall be found to be a vicious dog if the threat, injury, or damage was sustained by a person who was (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian; (ii) committing, at the time, a willful trespass upon the premises occupied by the animal's owner or custodian; or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog that was engaged in the performance of its duties as such at the time of the acts complained of shall be found to be a vicious dog. No animal that, at the time of the acts complained of, was responding to pain or injury or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, shall be found to be a vicious dog.~~

~~D. Any owner or custodian of a canine or canine crossbreed or other animal whose willful act or omission in the care, control, or containment of a canine, canine crossbreed, or other animal is so gross, wanton, and culpable as to show a reckless disregard for human life and is the proximate cause of such dog or other animal attacking and causing serious injury to any person may be prosecuted pursuant to Virginia Code § 3.2-6540.1. **Comment: Subsection (D) will be deleted from the proposed revised Chapter 4 because the penalty for the described acts is a class 6 felony. A locality may not make the penalty for a violation of its ordinances a felony. In other words, this violation would be prosecuted only under State law.**~~

~~The provisions of this subsection shall not apply to any animal that, at the time of the acts complained of, was responding to pain or injury or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, or when the animal is a police dog that is engaged in the performance of its duties at the time of the attack.~~

~~ARTICLE III. IMPOUNDMENT~~

~~4-300 Duties of animal control officers; seizure and impoundment of animals; notice and hearing; disposition of animals.~~

~~A. — Any animal control officer or law enforcement officer may lawfully seize and impound any animal that has been abandoned, has been cruelly treated, or is suffering from an apparent violation of this chapter that has rendered the animal in such a condition as to constitute a direct and immediate threat to its life, safety or health.~~

~~B. — Before seizing or impounding any agricultural animal, the law enforcement officer or animal control officer shall contact the state veterinarian or state veterinarian's representative, who shall recommend to the person the most appropriate action for effecting the seizure and impoundment. The animal control officer shall notify the owner of the agricultural animal and the local attorney for the Commonwealth of the recommendation. The animal control officer may impound the agricultural animal on the land where the agricultural animal is located if:~~

~~1. — The owner or tenant of the land where the agricultural animal is located gives written permission;~~

~~2. — A general district court so orders; or~~

~~3. — The owner or tenant of the land where the agricultural animal is located cannot be immediately located, and it is in the best interest of the agricultural animal to be impounded on the land where it is located until the written permission of the owner or tenant of the land can be obtained.~~

~~If there is a direct and immediate threat to an agricultural animal, the animal control officer or law enforcement officer may seize the animal, in which case the law enforcement officer or animal control officer shall file within five (5) business days on a form approved by the state veterinarian a report on the condition of the animal at the time of the seizure, the location of impoundment, and any other information required by the state veterinarian.~~

~~— C. — Upon seizing or impounding an animal, the animal control officer or law enforcement officer shall petition the general district court in the county for a hearing. The hearing shall be not more than ten (10) business days from the date of the seizure of the animal. The hearing shall be to determine whether the animal has been abandoned, has been cruelly treated, or has not been provided adequate care.~~

~~D. — The animal control officer shall cause to be served upon the person with a right of property in the animal or the custodian of the animal notice of the hearing. If such person or the custodian is known and residing within the jurisdiction wherein the animal is seized, written notice shall be given at least five (5) days prior to the hearing of the time and place of the hearing. If such person or the custodian is known but residing out of the jurisdiction where such animal is seized, written notice by any method or service of process as is provided by the Code of Virginia shall be given. If such person or the custodian is not known, the law enforcement officer or animal control officer shall cause to be published in a newspaper of general circulation in the county notice of the hearing at least one time prior to the hearing and shall further cause notice of the hearing to be posted at least five (5) days prior to the hearing at the place provided for public notices at the county courthouse wherein such hearing shall be held.~~

E.——The procedure for appeal and trial shall be the same as provided by law for misdemeanors. If requested by either party on appeal to the circuit court, trial by jury shall be as provided in Virginia Code §§ 19.2-260 *et seq.*

F.——The law enforcement officer, or animal control officer shall provide for such animal until the court has concluded the hearing. The county may require the owner of any animal held pursuant to this section for more than thirty (30) days to post a bond in surety with the county for the amount of the cost of boarding the animal for a period not to exceed nine (9) months.

If the court determines that the animal has been neither abandoned, cruelly treated, nor deprived of adequate care, the animal shall be returned to the owner. If the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care, then the court shall order that the animal may be: (i) sold by the animal control officer if not a companion animal; (ii) disposed of by a local governing body pursuant to subsection D of Virginia Code § 3.2-6546, whether such animal is a companion animal or an agricultural animal; or (iii) delivered to the person with a right of property in the animal as provided in subsection G.

G.——In no case shall the owner be allowed to purchase, adopt, or otherwise obtain the animal if the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care. The court shall direct that the animal be delivered to the person with a right of property in the animal, upon his request, if the court finds that the abandonment, cruel treatment, or deprivation of adequate care is not attributable to the actions or inactions of such person.

H.——The court shall order the owner of any animal determined to have been abandoned, cruelly treated, or deprived of adequate care to pay all reasonable expenses incurred in caring and providing for such animal from the time the animal is seized until such time that the animal is disposed of in accordance with the provisions of this section.

I.——The court may prohibit the possession or ownership of other companion animals by the owner of any companion animal found to have been abandoned, cruelly treated, or deprived of adequate care. In making a determination to prohibit the possession or ownership of the companion animals, the court may take into consideration the owner's past record of convictions under this chapter or other laws prohibiting cruelty to animals or pertaining to the care or treatment of animals and the owner's mental and physical condition.

J.——If the court finds that an agricultural animal has been abandoned or cruelly treated, the court may prohibit the possession or ownership of any other agricultural animal by the owner of the agricultural animal if the owner has exhibited a pattern of abandoning or cruelly treating agricultural animals as evidenced by previous convictions of violating section 4-107 or section 4-108. In making a determination to prohibit the possession or ownership of agricultural animals, the court may take into consideration the owner's mental and physical condition.

K.——Any person who is prohibited from owning or possessing animals pursuant to subsection I or J may petition the court to repeal the prohibition after two (2) years have elapsed from the date of entry of the court's order. The court may, in its discretion, repeal the prohibition if the person can prove to the satisfaction of the court that the cause for the prohibition has ceased to exist.

L.——In case of sale of an animal under this section, the proceeds shall first be applied to the costs of the sale, then next to the unreimbursed expenses for the care and provision of the animal, and the remaining proceeds, if any, shall be paid over to the owner of the animal. If the owner of the animal cannot be found, the proceeds remaining shall be paid into the Literary Fund of the state treasury.

M. — Nothing in this section shall be construed to prohibit the humane destruction of a critically injured or ill animal for humane purposes by the impounding animal control officer or licensed veterinarian.

When an animal control officer or law enforcement officer finds that an apparent violation of this chapter has rendered an animal in such a condition as to constitute a direct and immediate threat to its life, safety, or health that the owner or custodian has failed to remedy, such animal control officer or law enforcement officer may impound the animal pursuant to section 4-300 in a facility that will provide the elements of good care as set forth in section 4-105, and shall then proceed to take such steps as are required to dispose of the animal pursuant to section 4-300.

~~4-302 Dogs killing, injuring or chasing livestock or poultry—Impoundment and disposition.~~ **Comment: Animal Control recommends that this section be repealed because an alternative procedure and remedies are provided in proposed sections 4-230 through 4-235.**

— In the event any animal control officer or other person has reason to believe that any dog is killing livestock or committing any of the depredations mentioned in section 4-201, and a warrant or summons is issued by a magistrate of the county, as set out in section 4-201, the alleged killer dog may be seized or impounded by the animal control officer until such time as the owner or custodian thereof shall provide evidence of the adequate provisions to be made to protect livestock or poultry from such dog, which provisions may include, but not be limited to, securing of such dog on the premises of the owner or custodian, with defined limitations of access. Any dog released under such conditions shall be kept under such securing provisions, and any person failing to keep such dog so secured shall be deemed in violation of this section. The owner or custodian redeeming such dog from impoundment as provided above shall also furnish the license(s) and pay the fee(s) as provided by sections 4-205 and 4-208, respectively. If the court finds such dog is not a livestock killer or has not committed any of the depredations mentioned in section 4-201, any dog not re-deemed within ten (10) days of disposition of the original charge by the court shall be dealt with by the animal control officer in the same manner as provided for the disposition of unlicensed dogs in section 4-303.

~~4-303 Disposition of unlicensed dogs; running at large.~~

A. — The animal control officer shall have the authority to capture, euthanize or turn over to a public or private animal shelter any dog of unknown ownership found running at large on which the license tax has not been paid.

B. — Any dog captured and confined pursuant to this section, shall be kept for a period of not less than five (5) days, such period to commence on the day immediately following the day the animal is initially confined in a public or private animal shelter or facility, unless sooner claimed by the rightful

owner thereof. The animal control officer and/or the operator of the public or private animal shelter shall make a reasonable effort to ascertain whether the dog has a collar, tag, license, tattoo, or other form of identification. If such identification is found on the dog, the dog shall be held for an additional five (5) days, unless sooner claimed by the rightful owner. If the rightful owner of the animal can be readily identified, the animal control officer and/or the public or private animal shelter shall make a reasonable effort to notify the owner of the dog's confinement within the next forty-eight (48) hours following its confinement.

If any dog confined pursuant to this section is claimed by its rightful owner, such owner may be charged with the actual expenses incurred in keeping the animal impounded.

If the dog confined pursuant to this section has not been claimed upon expiration of the appropriate holding period as set forth above, it shall be deemed abandoned and become the property of the county or the public or private animal shelter.

~~Any dogs or cats showing active signs of rabies or suspected of having rabies that is not known to have exposed a person, companion animal, or livestock to rabies shall be confined under competent observation for such a time as may be necessary to determine a diagnosis. If, in the discretion of the director of the Charlottesville/Albemarle Health Department, confinement is impossible or impracticable, such dog or cat shall be euthanized by one of the methods approved by the state veterinarian as provided in Virginia Code § 3.2-6546. The disposition of other animals showing active signs of rabies shall be determined by the director of the Charlottesville/Albemarle Health Department and may include euthanasia and testing.~~

~~Every person having knowledge of the existence of an animal that is suspected to be rabid and that may have exposed a person, companion animal, or livestock to rabies shall report immediately to the Charlottesville/Albemarle Health Department the existence of such animal, the place where seen, the owner's name, if known, and the signs suggesting rabies.~~

Any dog or cat so bitten, or exposed to rabies through saliva or central nervous system tissue, in a fresh open wound or mucous membrane with proof of current vaccination, shall be revaccinated by a licensed veterinarian immediately following the exposure and shall be confined to the premises of the owner or custodian, or other site as may be approved by the Charlottesville/Albemarle Health Department, at the expense of the owner or custodian, for a period of forty five (45) days. If the director of the Charlottesville/Albemarle Health Department determines that isolation is not feasible or maintained, such dog or cat shall be euthanized by one of the methods approved by the State Veterinarian as provided in Virginia Code § 3.2-6546. The disposition of such dogs or cats not so confined shall be at the discretion of the director of the Charlottesville/Albemarle Health Department.~~

A seriously injured or sick animal may be euthanized as provided in Virginia Code § 3.2-6546.~~

~~When any suspected rabid animal, other than a dog or cat, exposes or may have exposed a person to rabies through a bite, or through saliva or central nervous system tissue, in a fresh open wound or mucous membrane, decisions regarding the disposition of that animal shall be at the discretion of the director of the Charlottesville/Albemarle Health Department and may include euthanasia as provided in Virginia Code § 3.2-6546, or as directed by the state agency with jurisdiction over that species. Sec. 4-103 Definitions.

The following definitions apply to this chapter unless the context requires a different meaning:

“Abandon” means to desert, forsake, or absolutely give up an animal without having secured another owner or custodian for the animal or by failing to provide the elements of basic care as set forth in Virginia Code § 3.2-6503 for a period of four consecutive days.

Comment: A 2018 amendment to the State definition of “abandon” reduces the period of abandonment from five to four consecutive days.

“Adequate care” or “care” means the responsible practice of good animal husbandry, handling, production, management, confinement, feeding, watering, protection, shelter, transportation, treatment, and, when necessary, euthanasia, appropriate for the age, species, condition, size, and type of the animal, and the provision of veterinary care when needed to prevent suffering or impairment of health.

“Adequate exercise” or “exercise” means the opportunity for the animal to move sufficiently to maintain normal muscle tone and mass for the age, species, size, and condition of the animal.

“Adequate feed” means access to and the provision of food that is: (i) of sufficient quantity and nutritive value to maintain each animal in good health; is accessible to each animal; (ii) prepared so as to permit ease of consumption for the age, species, condition, size, and type of each animal; (iii) provided in a clean and sanitary manner; (iv) placed so as to minimize contamination by excrement and pests; and (v) provided at suitable intervals for the species, age, and condition of the animal, but at least once daily, except as prescribed by a veterinarian or as dictated by naturally occurring states of hibernation or fasting normal for the species.

“Adequate shelter” means provision of and access to shelter that: (i) is suitable for the species, age, condition, size, and type of each animal; (ii) provides adequate space for each animal; (iii) is safe and protects each animal from injury, rain, sleet, snow, hail, direct sunlight, the adverse effects of heat or cold, physical suffering, and impairment of health; (iv) is properly lighted; (v) is properly cleaned; (vi) enables each animal to be clean and dry, except when detrimental to the species; and (vii) for dogs and cats, provides a solid surface, resting platform, pad, floor mat, or similar device that is large enough for the animal to lie on in a normal manner and can be maintained in a sanitary manner. Under this chapter, shelters whose wire, grid, or slat floors: (i) permit the animals’ feet to pass through the openings; (ii) sag

under the animals' weight; or (iii) otherwise do not protect the animals' feet or toes from injury are not adequate shelter.

"Adequate space" means sufficient space to allow each animal to: (i) easily stand, sit, lie, turn about, and make all other normal body movements in a comfortable, normal position for the animal; and (ii) interact safely with other animals in the enclosure. When an animal is tethered, "adequate space" means a tether that: (i) permits the above actions and is appropriate to the age and size of the animal; (ii) is attached to the animal by a properly applied collar, halter, or harness configured so as to protect the animal from injury and prevent the animal or tether from becoming entangled with other objects or animals, or from extending over an object or edge that could result in the strangulation or injury of the animal; and (iii) is at least three times the length of the animal, as measured from the tip of its nose to the base of its tail, except when the animal is being walked on a leash or is attached by a tether to a lead line. When freedom of movement would endanger the animal, temporarily and appropriately restricting movement of the animal according to professionally accepted standards for the species is considered provision of adequate space.

"Adequate water" means: (i) providing and providing access to clean, fresh, potable water of a drinkable temperature that is provided in a suitable manner, in sufficient volume, and at suitable intervals appropriate for the weather and temperature, to maintain normal hydration for the age, species, condition, size, and type of each animal, except as prescribed by a veterinarian or as dictated by naturally occurring states of hibernation or fasting normal for the species; and (ii) is provided in clean, durable receptacles that are accessible to each animal and are placed so as to minimize contamination of the water by excrement and pests or an alternative source of hydration consistent with generally accepted husbandry practices.

"Agricultural animals" means all livestock and poultry.

For the purposes of emergency ordinances pertaining to rabid animals and County Code § 4-312 *et seq.* pertaining to rabid animals, "animal" means any species susceptible to rabies. For the purposes of County Code § 4-301 pertaining to cruelty to animals, "animal" means any nonhuman vertebrate species including fish except those fish captured and killed or disposed of in a reasonable and customary manner.

"Companion animal" means any domestic or feral dog, domestic or feral cat, nonhuman primate, guinea pig, hamster, rabbit not raised for human food or fiber, exotic or native animal, reptile, exotic or native

bird, or any feral animal or any animal under the care, custody, or ownership of a person, or any animal that is bought, sold, traded, or bartered by any person.  5. The dog is under the immediate control of its owner.
- B. *Kennels.* The kennel owner shall securely fasten the license tag to the kennel enclosure in full view and keep one of the identification plates provided with the license tag attached to the collar of each dog authorized to be kept enclosed in the kennel. Comment: This section is current section 4-213. Current section 4-213(B) includes the following sentence: “A kennel shall not be operated in such manner as to defraud the county of the license tax applying to dogs which cannot be legally covered thereunder or to any manner which violates other provisions of this article.” This sentence is removed from new section 4-208 (former section 4-213) because the subject matter is addressed in this section and is not otherwise enabled by State law. Current section 4-213(B) also includes this sentence: “A kennel dog shall not be permitted to stray beyond the limits of the enclosure, but this shall not prohibit removing dogs therefrom temporarily while under the control of the owner or custodian for the purpose of exercising, hunting, breeding, trial or show” and subsection (C), which states: “It shall be unlawful for the owner of any dog to allow his dog to run at large at any time of the year in violation of this section. It shall be unlawful for the owner to permit any licensed dog four (4) months old or older to run or roam at large at any time without a license tag.” Because neither of these provisions pertain to licensing, their subject matter is moved to sections 4-226 and 4-229, which pertain to dogs running at large and other topics.

Sec. 4-209 Harboring or concealing unlicensed dogs.

It is unlawful for any person to conceal or harbor any dog on which the required license tax has not been paid.

1. *Killed or euthanized.* The court shall order that the dog be killed or euthanized immediately by the animal control officer or other officer designated by the court; or
 2. *Removed to another state.* The court shall order that the dog be removed to another state that does not border the Commonwealth and be prohibited from returning to the Commonwealth. Any dog ordered removed from the Commonwealth that is later found in the Commonwealth shall be ordered by a court to be killed or euthanized immediately.
- B. *Alternative remedies if the court finds the dog to have killed or injured only poultry.* If, after hearing evidence, it appears to the court that the dog has killed or injured only poultry, in the alternative to the remedies in subsection (A):
1. *Transfer the dog to another owner and fitting with identifying microchip.* The court may order that the dog be transferred to another owner whom the court deems appropriate and permanently fitted with an identifying microchip registered to that owner; or
 2. *Confinement and fitting with identifying microchip; requirements when dog taken off of the owner's property.* The court may order that the dog be fitted with an identifying microchip registered to the owner and confined indoors or in a securely enclosed and locked structure of sufficient height and design to prevent the dog's escape, direct contact with the dog by minors, adults, or other animals, or entry by minors, adults, or other animals. The structure shall be designed to provide the dog with shelter from the elements of nature. When off its owner's property, any dog found to be a poultry killer shall be kept on a leash and muzzled in so as not to cause injury to the dog or interfere with its vision or respiration, but so as to prevent it from biting a person or another animal.

- A. *Evidence of death and cause.* The claimant furnishes evidence within 60 days after discovery of the quantity and value of the dead or injured livestock and the reasons the claimant believes that death or injury was caused by a dog.

(Ord. 09-4(1), 7-8-09; Ord. 10-4(1), 9-1-10; Ord. 14-4(1), 6-4-14, effective 7-1-14)

State law reference - Va. Code § 3.2-6544(B).

Comment: This section is current section 4-105. Although its enabling authority is Virginia Code § 3.2-6544(B), which enables the County to prohibit animal abuse and cruelty, its substance follows Virginia Code § 3.2-6503, a section that is self-executing and is enforced solely under State law.

Sec. 4-301 Cruelty to animals; acts that inflict pain, injury, or suffering are prohibited.

Acts of cruelty to animals inflicting specific acts of pain, injury, or suffering are subject to the following:

A. *Unlawful acts.* The following acts are unlawful:

1. *Inflicting death, injury, or pain generally.* Any person who overrides, overdrives, overloads, tortures, ill-treats, abandons, willfully inflicts inhumane injury or pain not connected with bona fide scientific or medical experimentation, or cruelly or unnecessarily beats, maims, mutilates, or kills any animal, whether belonging to himself or another.
2. *Depriving food, drink, shelter, or treatment.* Any person who deprives any animal of necessary food, drink, shelter or emergency veterinary treatment.
3. *Roping, lassoing, or otherwise obstructing or interfering with an equine's legs.* Any person who ropes, lassoes, or otherwise obstructs or interferes with one or more legs of an equine in order to intentionally cause it to trip or fall for the purpose of engagement in a rodeo, contest, exhibition, entertainment, or sport unless the actions are in the practice of accepted animal husbandry or for the purpose of allowing veterinary care.
4. *Soring an equine.* Any person who sores any equine for any purpose or administers drugs or medications to alter or mask the soring for the purpose of sale, show, or exhibition of any kind, unless administering the drugs or medications is within the context of a veterinary client-patient relationship and solely for therapeutic purposes.
5. *Willfully pursuing any act of cruelty.* Any person who willfully sets on foot, instigates, engages in, or in any way furthers any act of cruelty to any animal.
6. *Transporting animal in manner that produces torture or unnecessary suffering.* Any person who carries or causes to be carried by any vehicle, vessel, or otherwise any animal in a cruel, brutal, or inhumane manner, so as to produce torture or unnecessary suffering.
7. *Causing or permitting another to engage in acts of cruelty.* Any person who causes any of the acts in subsections (A)(1) through (A)(6) or, being the owner of an animal that has been subjected to any of the acts in subsections (A)(1) through (A)(6), permits those acts to be done by another.

B. *Penalties.* Any person who commits any of the acts in subsection (A) is subject to the following:

1. *Class 1 misdemeanor.* A violation of this section is punishable as a class 1 misdemeanor.
2. *Court-ordered treatment.* The court may, in its discretion, require any person convicted of violating subsection (A) to attend an anger management or other appropriate treatment program

or obtain psychiatric or psychological counseling. The court may impose the costs of such a program or counseling upon the person convicted.

3. *Prohibiting possessing or owning companion animals.* The court may, in its discretion, prohibit any person convicted of violating subsection (A) from possessing or owning companion animals or equine.

C. *Excepted acts.* The following acts are not prohibited by subsection (A):

1. *Dehorning cattle.* Dehorning cattle that is conducted in a reasonable and customary manner.
2. *Wildlife management activities, hunting, fishing, and trapping.* Authorized wildlife management activities, or hunting, fishing or trapping as regulated under the Virginia Code, including Virginia Code Title 29.1.
3. *Farming activities.* Farming activities as provided by the Virginia Code or the County Code.
4. *Right of an owner to use force to protect a dog or cat against an attack by another dog.* If a dog or cat is attacked on its owner's property by a dog so as to cause injury or death, the following apply:
 - a. *Owner may use force to protect the dog or cat.* The owner of the injured dog or cat may use all reasonable and necessary force against the dog at the time of the attack to protect his dog or cat.
 - b. *Owner presumed to have taken necessary and appropriate action.* The owner is presumed to have taken necessary and appropriate action to defend his dog or cat and is therefore presumed not to have violated this section.

(Ord. 98-A(1), 8-5-98, § 4-207; Ord. 09-4(1), 7-8-09; Ord. 13-4(1), 7-3-13)

State law reference - Va. Code §§ 3.2-6544(B), 3.2-6570.

Comment: This section is current section 4-108(A), (C), (D), and (G), except that subsection (A)(3), which prohibits roping, lassoing, or otherwise obstructing or interfering with an equine's legs, is new. Two provisions of the current section pertaining to acts of torture and other described inhumane acts that are punishable as a felony are deleted from the revised section because felony penalties cannot be imposed by localities. Thus, those two provisions will be enforced solely under State law.

Sec. 4-302 Cruelty to domestic dogs and cats; killing for hide, fur, or pelt.

It is unlawful for any person to kill a domestic dog or cat for the purposes of obtaining the hide, fur, or pelt of the dog or cat. Any person who commits any of the acts prohibited by this section is subject to the following:

- A. *Penalty.* A violation of this section is punishable as a class 1 misdemeanor.
- B. *Prohibiting possessing or owning companion animals.* The court may, in its discretion, prohibit any person convicted of violating subsection (A) from possessing or owning companion animals or equine.

(Ord. 98-A(1), 8-5-98, § 4-207; Ord. 09-4(1), 7-8-09; Ord. 13-4(1), 7-3-13)

State law reference - Va. Code §§ 3.2-6544(B), 3.2-6570.

Comment: This section is current section 4-108(E) and (G).

Sec. 4-303 Abandoning or dumping an animal is prohibited.

It is unlawful for any person to abandon or dump any animal; provided that it is not unlawful for an owner to release an animal to a public or private animal shelter or other releasing agency. Any person who unlawfully abandons or dumps any animal shall be guilty of a class 1 misdemeanor.

(Ord. 09-4(1), 7-8-09; Ord. 14-4(1), 6-4-14, effective 7-1-14)

State law reference - Va. Code §§ 3.2-6543(A), 3.2-6544(B).

Comment: This section is current section 4-107. Its substance follows Virginia Code § 3.2-6504, a section that is self-executing and is enforced solely under State law. However, abandoning an animal is a form of abuse or cruelty (see, for example, Virginia Code § 3.2-6570(A) as applied to companion animals). The Board is enabled to adopt more stringent regulations pertaining to animal cruelty under Virginia Code § 3.2-6543(A) and has relatively broad authority to adopt regulations pertaining to animal abuse and cruelty under Virginia Code § 3.2-6544(B). A 2018 amendment to State law makes abandonment under Virginia Code § 3.2-6504 a class 1 misdemeanor (up to 12 months in jail/\$2500 fine), rather than a class 3 misdemeanor (up to \$500 fine), and that change is proposed to this section as well.

Sec. 4-304 Animals running at large beyond the boundaries of their own land; boundary lines declared lawful fences.

It is unlawful for the owner or manager of any horse, mule, swine, sheep, goat, or cattle of any description to permit the animal to run at large beyond the boundaries of their own land. The boundary lines of each lot or tract of land in the County are hereby declared to be a lawful fence.

(Code 1967, § 4-1; Code 1988, § 4-1; Ord. 98-A(1), 8-5-98, § 4-102; Ord. 09-4(1), 7-8-09)

State law reference - Va. Code §§ 55-306, 55-316.

Comment: This section is current section 4-103.

Sec. 4-305 Diseased dogs and cats are prohibited from straying from their premises.

It is unlawful for the owner of any dog or cat with a contagious or infectious disease to permit the dog or cat to stray from the owner's premises if the owner knows that the animal has the disease.

(Code 1967, § 4-12; Code 1988, § 4-17; Ord. 98-A(1), 8-5-98, § 4-211; Ord. 09-4(1), 7-8-09)

State law reference - Va. Code § 3.2-6587.

Comment: This section is current section 4-110.

Division 2. Seizure, Impoundment, and Disposition

Sec. 4-306 Seizure, impoundment, and disposition of animals that have been abandoned, cruelly treated, or are suffering.

Any animal subjected to cruelty, abandoned, or which is suffering from a violation of this chapter or Virginia Code § 3.2-6500 *et seq.* that has rendered the animal in a condition that poses a direct and immediate threat to its life, safety, or health may be seized, impounded, and disposed as follows:

- A. *Authority of law enforcement officer or animal control officer to seize and impound animal.* Any law enforcement officer or animal control officer may lawfully seize and impound any animal that has been abandoned, has been cruelly treated, or is suffering from an apparent violation of this chapter or the Comprehensive Animal Care laws (Virginia Code § 3.2-6500 *et seq.*) that has rendered the animal in a condition that poses a direct and immediate threat to its life, safety, or health.
- B. *Seizing or impounding an agricultural animal.* A law enforcement officer or animal control officer may seize or impound an agricultural animal only as follows:
 - 1. *Prerequisite to seizure or impoundment; contacting the State Veterinarian and notifying the owner and the Commonwealth's Attorney.* Before seizing or impounding any agricultural animal, the law enforcement officer or animal control officer shall contact the State Veterinarian or the State Veterinarian's representative, who shall recommend to the officer the most appropriate action for effecting the seizure and impoundment. The law enforcement officer or animal control officer shall notify the owner of the agricultural animal and the Commonwealth's Attorney for the County of the recommendation. This subsection does not apply if the agricultural animal is under a direct and immediate threat.
 - 2. *Seizure when the animal is subject to a direct and immediate threat.* If there is a direct and immediate threat to an agricultural animal, the law enforcement officer or animal control officer may seize the animal. The law enforcement officer or animal control officer shall file within five business days on a form approved by the State Veterinarian a report on the condition of the animal at the time of the seizure, the location of impoundment, and any other information required by the State Veterinarian.
 - 3. *Impoundment is allowed on the land where the agricultural animal is located.* The law enforcement officer or animal control officer may impound the agricultural animal on the land where the agricultural animal is located in any of the following circumstances:
 - a. *Owner or tenant gives permission.* The owner or tenant of the land where the agricultural animal is located gives written permission;
 - b. *Court order.* The general district court so orders.
 - c. *Owner or tenant cannot be immediately located.* The owner or tenant of the land where the agricultural animal is located cannot be immediately located, and it is in the best interest of the agricultural animal to be impounded on the land where it is located until the written permission of the owner or tenant of the land can be obtained.
- C. *Petition and hearing in general district court after seizing or impounding an animal.* Upon seizing or impounding an animal, the law enforcement officer or animal control officer shall petition the County general district court for a hearing.

1. *When the hearing must be held.* The hearing shall be not more than 10 business days after the date the animal was seizure or impounded.
2. *Issue to be determined at the hearing.* The hearing shall be to determine whether the animal has been abandoned, has been cruelly treated, or has not been provided adequate care.
3. *Notice of the hearing.* Notice of the hearing shall be given as provided in Virginia Code § 3.2-6569(D).
4. *Determination and disposition.* The disposition of the hearing is either of the following:
 - a. *Animal not abandoned, cruelly treated, deprived of adequate care.* If the court determines that the animal has been neither abandoned, cruelly treated, nor deprived of adequate care, the animal shall be returned to the owner.
 - b. *Animal abandoned, cruelly treated, deprived of adequate care.* If the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care, or raised as a dog that has been, is, or is intended to be used in dogfighting in violation of Virginia Code § 3.2-6571, then the court shall order that the animal may be: (i) sold by the County, if it is not a companion animal, subject to County Code § 4-307; (ii) disposed of by the County pursuant to County Code § 4-308, whether the animal is a companion animal or an agricultural animal; or (iii) delivered to the person with a right of property in the animal as provided in County Code § 4-309.
5. *Additional authority of the court in disposing of the case if the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care.* If the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care:
 - a. *Ordering the owner to pay reasonable expenses.* The court shall order the owner of the animal to pay to the providers of care all reasonable expenses incurred in caring and providing for the animal from the time the animal is seized until the animal is disposed of in accordance with this section and County Code §§ 4-307, 4-308, and 4-309.
 - b. *Prohibiting the owner from owning or possessing other companion animals.* The court may prohibit the owner from owning or possessing other companion animals if the court determined that the owner had abandoned, cruelly treated, or deprived adequate care to a companion animal. In making a determination to prohibit the owner from owning or possessing other companion animals, the court may take into consideration the owner's past record of convictions under this chapter, the Comprehensive Animal Care laws (Virginia Code § 3.2-6500 *et seq.*), or other laws prohibiting cruelty to animals or pertaining to the care or treatment of animals and the owner's mental and physical condition. Any person who is prohibited from owning or possessing animals pursuant to this subsection may petition the court to repeal the prohibition after two years have elapsed from the date of entry of the court's order. The court may, in its discretion, repeal the prohibition if the person can prove to the satisfaction of the court that the cause for the prohibition has ceased to exist.
 - c. *Prohibiting the owner from owning or possessing other agricultural animals.* The court may prohibit the owner from owning or possessing any other agricultural animal if the owner has exhibited a pattern of abandoning or cruelly treating agricultural animals as evidenced by previous convictions of violating County Code §§ 4-301, 4-303, or 4-304. The court may also take into consideration the owner's mental and physical condition. Any person who is prohibited from owning or possessing animals pursuant to this subsection may petition the

court to repeal the prohibition after two years have elapsed from the date of entry of the court's order. The court may, in its discretion, repeal the prohibition if the person can prove to the satisfaction of the court that the cause for the prohibition has ceased to exist.

- D. *Appeals.* The procedure for appeal and trial is the same as provided by law for misdemeanors. Trial by jury shall be as provided in Virginia Code § 19.2-260 *et. seq.* The Commonwealth is required to prove its case beyond a reasonable doubt.
- E. *Care for the animal until the hearing is concluded; cost and bond.* The law enforcement officer or the animal control officer shall provide for the animal until the court has concluded the hearing. The County may require the owner of any animal held pursuant to this section for more than 30 days to post a bond in surety with the County for the amount of the cost of boarding the animal for a period not to exceed nine months.
- F. *Humane destruction of critically injured or sick animal.* This section allows the humane destruction of a critically injured or ill animal for humane purposes by the impounding law enforcement officer or animal control officer, or by a licensed veterinarian.

However, the County shall ensure that a clinic is conducted to serve its jurisdiction at least once every two years.

F. *Vaccination after summons issued.* Vaccination after a summons to appear before a court has issued for failure to vaccinate a dog or cat does not operate to relieve the owner from the penalties or court costs provided under Virginia Code §§ 16.1-69.48:1 or 17.1-275.7.

Comment: This section is current section 4-402. Although it is not expressly enabled, regulations pertaining to rabid animals are one of the topics for which localities may adopt more stringent regulations.

Division 4. Stolen Dogs and Cats, and Noise

Sec. 4-317 Dogs and cats are deemed to be personal property.

(Code 1967, § 4-6; Code 1988, § 4-6; Ord. 98-A(1), 8-5-98, § 4-200; Code 1967, § 407; Code 1988, § 4-7; Ord. 98-A(1), 8-5-98, § 4-201; Ord. 09-4(1), 7-8-09)

State law reference - Va. Code § 3.2-6585.

Comment: This section is current section 4-104.

Sec. 4-318 Authority of animal control officer to seize stolen or unlawfully detained dog; disposition.

When an animal control officer finds a stolen or unlawfully held or detained dog, the following apply:

- A. *Authority of animal control officer to seize the dog.* Any animal control officer finding a stolen dog or a dog unlawfully held or detained is authorized to seize and hold the dog pending action before the general district court or other court.
- B. *Return to owner if court action not filed within seven days.* If a court action is not instituted within seven days, the animal control officer shall deliver the dog to its owner.
- C. *Presence of a dog on the premises of another does not create presumption of theft.* The presence of a dog on the premises of a person other than its legal owner shall raise no presumption of theft against the owner of the premises, but it shall be that person's duty to notify the animal control officer, and the animal control officer shall take the dog in charge and notify its legal owner to remove it.

(Code 1967, § 4-8; 4-13-88; Code 1988, § 4-8; Ord. 98-A(1), 8-5-98, § 4-202; Ord. 09-4(1), 7-8-09)

State law reference - Va. Code § 3.2-6585.

Comment: This section is current section 4-102, which is based on Virginia Code § 3.2-6585. The last sentence of current section 4-102 states: "The legal owner of the dog shall pay a reasonable charge for the keep of such dog while in the possession of the animal control officer." Animal Control recommends that this sentence be deleted because the costs are borne by the SPCA and, therefore, there is no reason for this section to remain in the County Code.

Sec. 4-319 Frequent or continuous sounds by animals are prohibited.

Frequent or continuous howls, barks, and other excessive or continuous sounds by animals may be enforced as follows:

- A. *Sounds from animals; exclusions.* It is unlawful and shall be a nuisance for an owner or custodian of an animal to harbor the animal within the County if that animal frequently or for a continued duration howls, barks or makes other excessive or continuous sounds which are audible on the property of a complainant in the County. For the purposes of this section, "excessive or continuous sounds" means any howling, barking or other animal noise which continues for at least 30 consecutive minutes with no cessation of such sounds for time periods greater than five minutes during the 30 consecutive minute period. This section does not apply to any of the following:
 - 1. *Animals on certain Rural Areas-zoned parcels.* Sounds created by any animal located on a parcel five acres or more in size that is zoned Rural Areas district.
 - 2. *Animals in shelters.* Sounds created by any animal in a public or private animal shelter.
 - 3. *Animals in commercial kennels.* Sounds created by any animal in a commercial kennel as defined in County Code Chapter 18.
 - 4. *Livestock or poultry.* Sounds created by livestock or poultry.
- B. *Complaints of animal noise.* Notwithstanding County Code § 4-102, no person shall be charged with a violation of this section unless the complainant appears before a magistrate and requests a summons to be issued. However, when a violation is committed in the presence of an animal control officer or police officer, he shall have the authority to initiate all necessary proceedings.

C. *Penalty for violation.* A violation of this section is punishable as a class 3 misdemeanor, and any owner or custodian of an animal found guilty under this section shall be required to abate the disturbance.

(Ord. 08-4(1), 6-11-08, § 4-601, § 4-602, §4-603; Ord. 09-4(1), 7-8-09; Ord. 14-4(1), 6-4-14, effective 7-1-14)

State law reference - Va. Code § 15.2-1200.

Comment: This section is current section 4-106. The penalty section has been significantly revised on the recommendation of Animal Control to delete the second and third sentences of subsection (C), which currently provide: “Upon a third conviction within twelve (12) months of any offense under this section involving the same animal, in addition to imposing a fine, the court shall order the animal to be removed from any area of the county covered by this section. If the owner or custodian of the animal fails to comply with such order within two (2) weeks, the animal control officer shall seize the animal and offer the animal to a public or private animal shelter for adoption in a home outside of the area of the county covered by this section.” This section will be moved to County Code Chapter 7, which has an article containing the County’s general noise regulations, when it is revised.
