**Attachment to Donald D. Long Application
to Charlottesville-Albemarle Joint Airport Commission**

Public, civic and charitable offices and/or activities:

Charlottesville-Albemarle Airport Authority (2015-Present; Chair)
Charlottesville-Albemarle Joint Airport Commission (2012-2014; 2015-Present; Airport Authority Audit Committee Member, 2012-Present; Commission Vice-Chair, 2014)
Soccer Organization Charlottesville Area (Board Member; 2014-Present; President, 2015-Present)
Economic Development Authority of Albemarle County (Board Member; 2014-Present)
United Way - Thomas Jefferson Area (2009-Present; Board Member; Executive Committee Member, 2016-Present; Self-Sufficiency Task Force Member, 2009-1010; Policy Review Task Force Member, 2010-2011; Self Sufficiency Impact Team Chair 2015-2016)

Christmas in April Charlottesville (1998-2009; Board Member)
Leadership Charlottesville Alumni Association (1999-2005; Board Member)

Reasons for wanting to serve on this board/commission:

I have enjoyed serving on the Commission as the Joint Member and as Chair of the Authority Board. I request reappoint as the Joint Member of the Commission and the Authority. I have developed an excellent relationship with Melinda Crawford, the Executive Director and with the staff of the Airport. As Chair of the Authority, I have begun having regular monthly meeting with Ms. Crawford to discuss airport matters. I have also started having meetings with the heads of the various departments at the Airport so that there are open lines of communication at the Airport. I am currently developing a formal evaluation process for the Executive Director.

I have worked to increase my knowledge of the regulatory environment in which the airport operates. For example, this fall I attended the Basics of Airport Law conference put on by the American Association of Airport Executives.

The Airport is a tremendous asset for our community. Its performance has been outstanding. Its growth and success is largely due to Ms. Crawford's leadership and the excellent team she has working with her. In order to continue that success, there is a great benefit to having an Authority Member that understands how the airport operates and has developed experience in overseeing its operations. I have that experience and I have spent additional time and effort expanding my knowledge to be a more effective Board Member. I look forward to the opportunity to continue to serve on the Authority and the Commission.
