Quarterly Financial Report

Quarter Ended December 31, 2018

Introduction

The Albemarle County *Quarterly Financial Report* (QFR) for the quarter ended December 31, 2018 (Q2) displays general fund revenue and expenditure data using many of the same line item titles found in Exhibit 12 of the County's *Comprehensive Annual Financial Report* (CAFR).

The Quarterly Financial Report document consists of six parts:

- 1. Analysis (pages 3 & 4) of YTD FY 19 revenues and expenditures that changed by more than 2% and that also experienced dollar changes of more than \$200,000 between Q2 of FY 18 and Q2 of FY 19.
- 2. A detailed table (pages 5 7) that shows (1) YTD actual dollar amounts of revenues and expenditures for FY 19 and FY 18; (2) budgeted dollar amounts of revenues and expenditures for FY 19 and FY 18; and (3) YTD actual revenues and expenditures as percentages of budgeted revenues and expenditures for FY 19 and FY 18.
 - An examination of the percentages for both fiscal years reveals the rate at which YTD actual revenues and expenditures in the current fiscal year are approaching budgeted amounts, compared with the rate at which YTD actual revenues and expenditures in the prior fiscal year approached budgeted amounts.
 - As an example of this comparison, the figure contained on Page 5, in Column D, Line No. 6 reveals that, in the second quarter of FY 19, the revenues that the County received for Charges for Services was 41.63% of the budgeted amount while, as shown in Column H, Line No. 6, the revenues that the County received for Charges for Services in the second quarter of FY 18 was 38.91% of the budgeted amount.
- 3. A table (page 8) listing County Executive authorized transfers and appropriations during the first quarter of FY 19 as reported by the Office of Management and Budget.
- 4. Pie charts (pages 9 & 10) that show (1) the budgeted and actual percentage share of various revenue streams for FY 19, and (2) the budgeted and actual percentage share of various expenditures for FY 19.

Albemarle County Quarterly Financial Report – Introduction

- 5. A table (page 11) that shows School Fund (1) YTD actual dollar amounts of revenues and expenditures for FY 19 and FY 18; (2) budgeted dollar amounts of revenues and expenditures for FY 19 and FY 18; and (3) YTD actual revenues and expenditures as percentages of budgeted revenues and expenditures for FY 19 and FY 18.
- 6. An Investment Activity Summary (page 12) that represents total cash and investments, including ratios of liquidity and yield, as of December 31, 2018.

Albemarle County Analysis of Significant Variances in General Fund Quarter Ended December 31, 2018

Revenues

Description of Significant Year-to-Year Variances

| Line 6 – Revenues – Local, Charges for Services | In FY 19, actual Q2 revenues as a percentage of the FY 19 budgeted amount came to 41.63% vs. 38.91% in FY 18. Actual Q2 revenues equaled \$1,612,249 vs. \$721,283 in FY 18. The primary reason for this variance in actual revenues received is the addition of Fire/Rescue charges for service which were moved back into the General Fund this fiscal year. At the Board's direction on 7/12/18, the use of the Fire Rescue Services Fund was discontinued, and all budgets were moved back into the General Fund. |
|---|---|
| Line 11 – Revenues – Intergovernmental, Contributions – other and use of F. B. | In FY 19, actual Q2 Contributions — other and use of F. B. (fund balance) as a percentage of the FY 19 budgeted amount came to 27.40% vs. 22.21% in FY 18. Actual Q2 Contributions equaled \$2,106,225 vs. \$1,706,847 in FY 18. This variance is due to the timing of contributions in FY 19 versus FY 18. |

Expenditures

Description of Significant Year-to-Year Variances

| Line 17 – Administration, County Executive | Actual Q2 expenditures as a percentage of the FY 19 budgeted amount came to 43.36% vs. 39.90% in FY 18. Actual Q2 expenditures equaled \$838,411 vs. \$562,115 in FY 18. This variance |
|---|---|
| | is due to the planned implementation of new initiatives (including the establishment of the Office of Project Management) in the County Executive's Department. |
| Line 34 – Public Safety, Fire/Rescue | Actual Q2 expenditures as a percentage of the FY 19 budgeted amount came to 47.81% vs. 49.98% in FY 18. Actual Q2 expenditures equaled \$7,839,837 vs. \$6,329,258 in FY 18. The primary reason for this difference is the change in the Fire Rescue Services Fund. In FY 18, this represented the quarterly transfer to that fund. In FY 19, this reflects the actual expenses in the General Fund. At the Board's direction on 7/12/18, the use of the Fire Rescue Services Fund was discontinued, and all budgets were moved back into the General Fund. |
| Line 35 – Public Safety, Regional Jail | Actual Q2 transfers to the Regional Jail as a percentage of FY 19 budgeted amount came to 56.37% vs. 50.74% in FY 18. Actual Q2 transfers equaled \$2,243,007 vs. \$1,959,551 in FY 18. The variance is due to the timing and number of monthly and quarterly payments received in FY 19 versus FY 18. |

Note: Significant variances are defined as differences of more than two percentage points *and* \$200,000.

Albemarle County Analysis of Significant Variances in General Fund Quarter Ended December 31, 2018 (Continued)

Expenditures

Description of Significant Year-to-Year Variances

| Line 48 – Education, Transfer to Schools Debt Service | Actual Q2 transfers as a percentage of the FY 19 budgeted amount came to 58.69% vs. 65.67% in FY 18. Q2 transfers-to-date equaled \$8,429,542 vs. \$10,319,415 in FY 18. The transfers to the School Debt Service Fund represent the amount necessary to make November's and December's interest and principal payments on money borrowed by the County for construction and major renovations of school buildings and for other school capital projects; this decreased amount reflects existing debt service payments as of Q2. |
|--|---|
| Line 57 – Community Development, Housing | The budget and associated expenditures for Housing were moved to Social Services and Community Development. |
| Line 67 – Transfers Out, Contingencies, and Refunds, Refunds | Actual Q2 refunds as a percentage of the FY 19 budgeted amount came to 11.78% s. 74.70% in FY 18. Q2 refunds equaled \$16,606 vs. \$527,350 in FY 18. The variance is due primarily to the issuance of tax refund over-payments resulting from Land Use Rollback evaluations in FY 18. |

Note: Significant variances are defined as differences of more than two percentage points *and* \$200,000.

Investment Activity Summary – Quarter Ended December 31, 2018

- As of December 31, 2018, the County currently has \$130,026,2365 available to invest. Of this amount, 100% is in liquid positions.
- This quarter, the County had no independent long-term investment activity, opting instead to invest idle funds with the Commonwealth of Virginia's Local Government Investment Pool's regular (LGIP) and Extended Maturity pool (LGIP EM). The Extended Maturity pool's objective is to provide safety, liquidity, AND higher return "for those Virginia public entities who wish to invest monies not needed for daily liquidity" by holding "only high quality fixed income securities with a maximum maturity of five years and an expected weighted average maturity of one year.¹"
- On the County's approximately \$130 million portfolio, the County earned \$509,854 during the guarter.
- With rates beginning to pick up yield, the County will be monitoring the performance of the LGIP EM and further weighing the advantages of investing portions of the liquidity position independently in longer-term securities.
