Early Childhood Education	Charlottesville-Albemarle Early Education Task Force (EETF)	<ul style="list-style-type: none"><li>Continued support of existing recommendations from the EETF report, do not establish competing initiatives.</li><li>Pursuit of collaborative funding opportunities to support early childhood education initiatives</li></ul>	<ul style="list-style-type: none"><li>Ongoing/underway</li><li>Vision Keepers, including locality and school system leadership recently affirmed continued support of the Task Force.</li><li>Awarded \$350,000 grant application from VA Early Childhood Foundation to pilot integrated financing with public pre-k and DSS subsidy programs to maximize use of State VA Preschool funds and increase access to high-quality pre-k for 4's currently in family day homes. The planning period for this project ends June 2019, and the project will be undertaken School Years 19/20 and 20/21. Private non-profit providers participating in the project include Barrett Early Learning Center and JABA Shining Stars. This project includes funds for a family liaison and quality coaching in the classrooms for teachers.</li><li>The Task Force is aware the national Early Head Start grant program will open 2019 and has a sub-committee working on preparing an application to serve the Charlottesville/Albemarle community.</li></ul>	Currently accomplished FY19 with private philanthropy and Virginia Preschool Initiative funds.	VA Early Childhood Foundation awarded grant 12/18, planning period 1-6/19, and implementation school years 20 & 21. Expect to serve both City and County

	Virginia Federal Preschool Grant	Pursuit of professional development/advanced skills.	<p>United Way's Smart Beginnings initiative, ReadyKids, and City/County pre-k programs collaborated on and were awarded an Early Ed Task Force application to serve as one of 11 communities undertaking a work plan to gather data the same across all 11 communities that will help create an early education profile (access to early education, settings, teacher credentials, etc.) Virginia was awarded a \$9.9 million Federal Preschool Grant in December 2018.</p> <p>In advance of the State mandate that all public preschool programs implement use of the CLASS teacher assessment in School year 20/21, funds are provided to train coaches to train teachers. This tool measures the interaction between teacher/child, developed by UVA Curry, and managed by Teachstone.</p> <p>Thought to be an advanced skill necessary for child development, this grant is providing the teachers an opportunity to learn and practice before the mandate. Teachers and teaching assistants are eligible to participate and will receive a \$1,500 stipend. Private providers may also participate. Charlottesville has included teachers and teaching assistants. Albemarle only elected to include teachers. Our initiative was awarded \$136,000 to undertake the work.</p>		
	Other	<ul style="list-style-type: none"> <li>Additional work plan items include exploring the new afterschool dilemma impacting both public pre-k programs and children on subsidy; examining how to incentivize more private provider participation in the Virginia Quality program; and the growing capacity issue within early care.</li> <li>Continue to utilize joint application pre-school application for City, County, and HeadStart programs</li> </ul>	Ongoing/underway	Under Development	N/A
Secondary Education and Career Services	Piedmont Futures	<ul style="list-style-type: none"> <li>Continue to participate on the planning committee and be ready to work.</li> <li>Sponsor breakfast/lunch for the vendors. This could be a great way to showcase CATEC's culinary program.</li> </ul>	Ongoing/Underway	Implementation of these opportunities can be accomplished within existing staff resources and does not require any changes in policy direction.	Many of these activities are already underway and the recommendation is that they continue the current timeframe. The

# REDEVELOPMENT & AFFORDABLE HOUSING

Focus Area	Initiatives	Collaboration Strategies	Status Update	Future Focus / Resources Needed	Timeframe
Redevelopment and Affordable Housing	Policy Development	Regional Housing Partnership	April 19, inaugural event from Regional Housing Partnership.	Future work will include collaboration to provide educational opportunities to promote best practices in housing policy and development.	City and County staff are developing a timeline in partnership with the RHP Executive committee to create a future schedule.
	Rehabilitation	<ul style="list-style-type: none"><li>Currently, Albemarle County is partnering with the Albemarle Housing Improvement Program (AHIP) on a homeowner rehabilitation project in Alberene.</li><li>The County is also partnering with Habitat for Humanity of Greater Charlottesville to redevelop the Southwood Mobile Home Park.</li></ul>	This work is ongoing. Staff is working to continue existing partnerships and to seek new non-profit collaborators.	Appropriate resources as needed.	Ongoing
		<ul style="list-style-type: none"><li>The Charlottesville Redevelopment and Housing Authority (CRHA) the Public Housing Association of Residents (PHAR), and the City of Charlottesville applied for and received a grant of \$283,000 from the Charlottesville Area Community Foundation (CACF) to jump-start resident-involved redevelopment of Charlottesville's Public Housing. The results of this effort could clearly transfer lessons to collaborative efforts on redevelopment between the City of Charlottesville and Albemarle County.</li><li>Albemarle County is partnering with Habitat for Humanity of Greater Charlottesville in the redevelopment of the Southwood Mobile Home Park. The County provided \$675,000</li></ul>	Ongoing	<ul style="list-style-type: none"><li>Appropriate resources would be identified as needed.</li><li>Private property owners would be encouraged to include resident participation in redevelopment/revitalization plans.</li></ul>	The County continues to support resident involvement in the Southwood redevelopment project, as well as requiring resident involvement on all Community Development Block Grant (CDBG) funded projects.

		in grant funding to Habitat to support a resident driven and informed master plan and rezoning application for Phase 1 of the redevelopment project.			
		<ul style="list-style-type: none"><li>• Creation of a Regional HCV consortium could allow CRHA to focus on public housing site improvements/redevelopment.</li></ul>	N/A	<p>Resources unknown.</p> <ul style="list-style-type: none"><li>• Determination to share administration of existing programs or form a Housing Choice Voucher Consortium with lead agency.</li></ul>	No timeframe established.
		<ul style="list-style-type: none"><li>• Creation of a regional housing fund-expansion of the current City Housing Fund.</li><li>• Exploration of a collaborative funding model for the support of non-profits in this sector that assist in addressing City/County goals.</li></ul>	N/A	<ul style="list-style-type: none"><li>• Could provide potential applications for grant funds.</li><li>• Agreements &amp; funding will require a different approach and must be in accordance with procurement policies.</li><li>• Will likely require the use of RFPs.</li></ul>	No timeframe established.

# TRANSPORTATION

Focus Area	Initiatives	Collaboration Strategies	Status Update	Future Focus / Resources Needed	Timeframe
Small Area Planning	Coordinated Land Use and Transportation Plan for City and County properties surrounding The Hydraulic/29 Intersection.	MPO Policy Board grant requests for transportation improvements to the Secretary and Commonwealth Transportation Board for consideration.	<ul style="list-style-type: none"> <li>County Board of Supervisors approved a Resolution of Intent to amend the Comprehensive Plan to incorporate the Land Use Plan and transportation improvements recommended.</li> <li>Smart Scale Grants submitted but denied funding.</li> <li>Awaiting decision from VDOT and Advisory Panel on best option forward on improvements.</li> </ul>	<ul style="list-style-type: none"> <li>County staff and officials were appointed to serve on the planning committee which met monthly from March 2017 through July 2018. The process required a good deal of County feedback from within the Community Development Department, County Executive's Office, the Board of Supervisors, and other community stakeholders. The Land use plan was approved by the Board of Supervisors and City Council and a variety of projects were submitted for Smart Scale grants to implement the recommendations. These projects were not recommended for funding in the Six-Year Plan and the Advisory Panel has meant to discuss next steps.</li> <li>Will likely require some level of local funding to implement recommendations and leverage state funding for transportation improvements.</li> </ul>	This process is underway and will continue through implementation of transportation and land use projects as necessary.
Bike/Pedestrian	Coordinated implementation of recommendations from the Jefferson Area Bicycle and Pedestrian Plan	<ul style="list-style-type: none"> <li>The City, County, and VDOT coordinated on the regional Jefferson Area Bicycle and Pedestrian Plan update developed by the TJPDC/C-A MPO.</li> <li>Ongoing coordination will continue to occur on implementation of recommendations from the Jefferson Area Bicycle and Pedestrian Plan for projects with regional benefits.</li> </ul>	<ul style="list-style-type: none"> <li>Jefferson Area Bicycle and Pedestrian plan complete and approved by the TJPDC and MPO Policy Board.</li> <li>Albemarle County Comprehensive Plan Amendment underway.</li> <li>Coordination team continues to meet monthly and is currently working on implementation of two potential joint projects/grant applications/planning: <ul style="list-style-type: none"> <li>Old Lynchburg Rd/Azalea Park/Sunset Ave Pedestrian, Greenway, Bridge Improvements.</li> <li>Rivanna River Greenway and Bridge Improvements near Pantops.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>Development of the plan is complete. The MPO Policy Board has approved the plan, The Albemarle County Planning Commission has recommended the Comprehensive Plan be Amended and the Board of Supervisors will hold a public hearing on it this summer.</li> <li>Implementation will require dedication of funding. County staff will coordinate with the advisory committee on prioritization of projects, planning, and potential grant applications.</li> </ul>	<p>The planning process is complete and the County is currently working to make a Comprehensive Plan Amendment to incorporate the updated Jefferson Area Bicycle Plan.</p> <p>Ongoing coordination meetings will be held monthly to continue to coordinate the implementation of bicycle, pedestrian, and greenway projects.</p>

Transit	Collaboration on regional transit services	<ul style="list-style-type: none"><li>• Consideration of creation of regional transit services by a combined structure between CAT and JAUNT with oversight from representatives of the City and County.</li><li>• Increase efforts toward City/County collaboration specifically in the process of creating the Charlottesville Area Transit and JAUNT Development Plans (TDP) or other transit planning document.</li><li>• Expansion of transit service (by CAT and/or JAUNT) in targeted areas.</li><li>• Staff participation/ Joint Comprehensive Planning exercises in the development process for transit operations and capital plans.</li></ul>	<ul style="list-style-type: none"><li>• Regional Transit Partnership continues to meet monthly.</li><li>• Awaiting the finalization of the Transit Development Plan and implementation of the recommendations or the beginning of a new planning process to improve service throughout the region.</li></ul>	<ul style="list-style-type: none"><li>• Regional Transit Partnership involves appointed City/County representatives.</li><li>• Participation in the CAT and JAUNT TDP updates requires staff time and direction from the Board of Supervisors and County Executive's office.</li><li>• Following the completion of the TDP the City and County will need to coordinate implementation of recommended service improvements along with cost estimates from the appropriate provider. These will require review and identification of funding and approval from staff and the Board of Supervisors. Financial commitment will be necessary to match State resources and should be commensurate with the County's service expectations.</li></ul>	<p>Regional Transit Partnership involves appointed City/County representatives.</p> <p>Participation in the CAT and JAUNT TDP updates requires staff time and direction from the Board of Supervisors and County Executive's office.</p> <p>Following the completion of the TDP the City and County will need to coordinate implementation of recommended service improvements along with cost estimates from the appropriate provider.
