Re: SP202100007 & SP202100008 Jefferson Mill Hydroelectric Project Action Letter

Dear Ms. Marzan

The Albemarle County Planning Commission at its meeting, June 1, 2021 recommended approval of the above-noted by a vote of 5:0 with the reasons and conditions stated in the staff report.

Please note that this recommendation is based on the following conditions:

1. Development and operation shall be in general accord with the information included in the applicant's special use permit application.
2. Development and operation shall comply with all State and Federal requirements.

Should you have any questions regarding the above-noted action, please contact me.

Sincerely,
William D. Fritz, AICP
