**LEGAL REVIEW:** Yes

**REVIEWED BY:** Jeffrey B. Richardson

**BACKGROUND:** The Board has directed the County Attorney's Office to conduct a comprehensive review and recodification of the County Code. Chapter 12 of the County Code regulates false alarms, amusements, dealers in precious metals, solicitors and peddlers, and taxicabs and other vehicles for hire. The most recent amendment to Chapter 12 was the revision of the false alarm provisions in 2015.

**STRATEGIC PLAN:** Mission - To enhance the well-being and quality of life for all community members through the provision of the highest level of public service consistent with the prudent use of public funds

**DISCUSSION:** The process of recodifying the County Code includes making formatting, style, organizational, and substantive changes. These changes are being addressed at the chapter level before the Board considers adopting a complete, recodified County Code.

The attached proposed Ordinance removes Article 2, Amusements, and Article 5, Taxicabs and Other Vehicles for Hire. These removals reflect that these are outmoded areas of the Code, as staff now relies on the Virginia Code to enforce provisions related to amusements and taxicabs.

Where possible, without changing the underlying substance, staff has included stylistic revisions, eliminating archaic or redundant language, to make the chapter easier to read.

**BUDGET IMPACT:** There is no expected budget impact.

**RECOMMENDATION:**

Staff recommends that the Board adopt the attached proposed ordinance (Attachment A).
