**LEGAL REVIEW:** Yes

**REVIEWED BY:** Jeffrey B. Richardson

**BACKGROUND:** Virginia Code §15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget. The Code section applies to all County funds, i.e., General Fund, Capital Funds, E911, School Self-Sustaining, etc.

The cumulative total of the FY 2021 appropriations itemized below is (\$789,709.79). A budget amendment public hearing is not required because the amount of the cumulative appropriations does not exceed one percent of the currently adopted budget. However, staff recommends that a public hearing be held for transparency purposes in this unique circumstance where 1) appropriation #2021035, if considered by itself, would require a public hearing as a decrease in the budget greater than one percent; and 2) all other appropriations, if considered without #2021035, would require a public hearing as an increase greater than

one percent.

**STRATEGIC PLAN:** Mission: To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

**DISCUSSION:** The FY 2021 Budget Amendment totals (\$789,709.79). The estimated expenses and revenues included in the proposed amendment are shown below:
