BACKGROUND:

Virginia Code § 15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget. The Code section applies to all County funds, i.e., General Fund, Capital Funds, E911, School Self-Sustaining, etc.

The cumulative total of the FY 2015 appropriations itemized below is \$6,196,699.93. Because the cumulative amount of the appropriations exceeds one percent of the currently adopted budget, a budget amendment public hearing is required.
