LEGAL REVIEW: Yes

REVIEWED BY: Doug Walker

BACKGROUND: The County, the City of Charlottesville (City), and the Rivanna Solid Waste Authority (RSWA) entered into an Agreement dated August 23, 2011, providing the terms of the County's and City's shared financial support for, and the RSWA's operation of, recycling services at the McIntire Road Recycling Center (McIntire). There have been six (6) amendments to this agreement to extend the term of the agreement. The current agreement amendment, Amendment No. 6, expires on June 30, 2018. The County desires an additional extension of services through June 30, 2019. The attached Amendment No. 7 (Attachment A), which extends the Agreement through June 30, 2019, was approved by the RSWA Board and is provided to the Board of Supervisors for its approval.

STRATEGIC PLAN: Infrastructure Investment: Prioritize, plan and invest in critical infrastructure that responds to past and future changes and improves the capacity to serve community needs.

DISCUSSION: The Amendment No. 7 to the Local Government Support Agreement for Recycling Services (Attachment A) continues the current funding arrangement and services at McIntire from July 1, 2018 through

June 30, 2019. Because the City is a party to the McIntire agreement, the Amendment No. 7 requires City Council approval. City Council approved Amendment #7 to extend recycling services to June 30, 2019 on June 18, 2018.

BUDGET IMPACT: The extension of this agreement is funded in the County's adopted FY18 Budget.

RECOMMENDATION:

Staff recommends that the Board adopt the attached Resolution (Attachment B) to approve the Amendment No. 7 to Local Government Support Agreement for Recycling Programs.
