BACKGROUND: Virginia Code §15.2-2507 provides that any locality may amend its budget to adjust the aggregate amount to be appropriated during the fiscal year as shown in the currently adopted budget; provided, however, any such amendment which exceeds one percent of the total expenditures shown in the currently adopted budget must be accomplished by first publishing a notice of a meeting and holding a public hearing before amending the budget. The Code section applies to all County funds, i.e., General Fund, Capital Funds, E911, School Self-Sustaining, etc.

STRATEGIC PLAN: Mission: To enhance the well-being and quality of life for all citizens through the provision of the highest level of public service consistent with the prudent use of public funds.

DISCUSSION: The total change to the FY 18 budget due to the appropriations itemized in Attachment A is (\$43,685.07). A budget amendment public hearing is not required because the amount of the cumulative appropriations does not exceed one percent of the currently adopted budget.

RECOMMENDATION:

Staff recommends that the Board adopt the attached Resolution (Attachment B) for local government and school projects and programs as described in Attachment A.
