BACKGROUND: The Board of Supervisors has held four work sessions on the Recommended FY 20 Budget. On March 4, 2019, the Board approved a FY 20 Proposed Budget which included the County Executive's Recommended Budget and amendments made by the Board of Supervisors during the March 4 work session. The Board acknowledged during this work session, that they may continue to discuss the County's FY 20 Proposed Budget during regular Board meetings in March.

On March 6, the Board discussed an adjustment to the FY 20 Proposed Budget and directed staff to bring a proposal to the Board on March 20 to adjust the FY 20 Proposed Budget to include an increase in a currently approved FTE position in the Clerk to the Board of Supervisors Office from .75 FTE to 1.0 FTE.

STRATEGIC PLAN: Quality Government Operations: Ensure County government's capacity to provide high quality service that achieves community priorities

DISCUSSION: Staff recommends increasing a vacant FTE position included in the Clerks Office from .75 FTE

to 1.0 FTE and to reclassify this position in conjunction with the County's Human Resources. Department.

BUDGET IMPACT: These changes would result in an increase of \$16,632 in the Office of the Board of Supervisors.

RECOMMENDATION:

Staff recommends that should the Board approve this position increase from .75 to 1.0 FTE, the funding will be provided from the ongoing portion of the Business Process Optimization Reserve. This adjustment would not increase the FY 20 Total County Budget. In addition, the Board of Supervisors may amend the FY 20 Proposed Budget to include this adjustment. A Public Hearing on the FY 20 Proposed Budget is scheduled for April 9, 2019.
