LEGAL REVIEW: Yes

REVIEWED BY: Jeffrey B. Richardson

BACKGROUND: On September 5, 2018 the Board of Supervisors amended the zoning ordinance provisions regulating the review of zoning text amendments, zoning map amendments, special use permits and special exceptions. The revisions were intended to provide reliability in decision-making timeframe, clarify submittal requirements, and improve public participation.

STRATEGIC PLAN: Quality Government Operations: Ensure County government's capacity to provide high quality service that achieves community priorities

DISCUSSION: The amendment adopted in September 2018 have not had the desired impact. The ordinance changes have resulted in increased administrative burdens for both the development community and staff without resulting in the desired improvements. Re-adoption of the prior ordinance will restore the previous review process. Necessary revisions to the review and submittal process will be evaluated with the Economic Development Strategic Plan. Staff does not propose any work sessions or organized public outreach for

processing this text amendment. The amendment will be scheduled for public hearings as soon as possible.

BUDGET IMPACT: No direct budget impact is anticipated.

RECOMMENDATION:

Staff recommends that the Board adopt the attached Resolution of Intent (Attachment A).
